**Incident Summary:** On 4/15/2024 at 9:27pm, a silver Chrysler 300 was southbound on S. High St. approaching Alcott Rd. At the same time there was a gray Chevrolet Silverado attempting to turn left onto northbound High St. from the parking lot of 2727 S. High St. The Chevrolet failed to yield from a private drive and entered the path of the Chrysler. The front of the Chrysler struck the driver's side of the Chevrolet. The impact caused the Chevrolet to roll over then came to rest on its driver's side in the center turn lane. The Chrysler continued southbound and went off the east side of the roadway and struck a tree.

The adult driver of the Chrysler, the adult driver of the Chevrolet, and the adult passenger of the Chevrolet were all transported to Grant Medical Center in critical condition.

The Accident Investigation Unit responded to the scene and initiated an investigation, which is ongoing.
