Incident Summary: On 8/25/23 at around 7:21pm a 2007 Saturn Aura was traveling northbound on Fairwood Ave. approaching E. Deshler Ave. At the same time there was a 2018 Ram 3500 towing a trailer southbound on Fairwood Ave. approaching E. Deshler Ave. As the Saturn Aura was northbound, another vehicle stopped in the northbound lane of Fairwood Ave. to make a left turn onto E. Deshler Ave. As the Saturn Aura approached the vehicle waiting for southbound traffic to clear, the Saturn Aura went left of center to attempt to go around the other vehicle. As the Saturn Aura went left of center, it was struck head on by the Ram 3500. Columbus Fire and CFD Medic 15 arrived on scene. CFD Medic 15 pronounced the front seat passenger of the Saturn Aura at 7:31pm on 08/25/23. CFD Medic 15 then transported the driver of the Saturn Aura to Grant Medical Center in critical condition. The driver of the Ram 3500 was uninjured.

The Columbus Police Accident Investigation Unit responded to the crash scene and initiated an investigation. The crash remains under investigation.
