Incident Summary: On 08/21/2023 at approximately 3:53 a.m. a blue Hyundai Sonata was traveling southbound on Brice Road between Interstate 70 and the Tussing Road intersection. At this same time, an adult pedestrian (Victim #1) attempted to cross Brice Road, westbound across multiple lanes of traffic, in an area where no pedestrian crossing area was provided. The pedestrian crossed into the lane which was occupied by the oncoming Hyundai and was struck by the vehicle. The pedestrian suffered critical injury and was transported in life-threatening condition to the Mount Carmel East Hospital by responding EMS. Due to the severity of the pedestrian's injuries, the Accident Investigation Unit was notified and responded to the scene to initiate an investigation. The pedestrian currently remains listed in critical, life-threatening condition at this time.
