Incident Summary: On 11/23/2023 at 10:36pm, a male walked out into the southbound lanes of Cleveland Ave. from the west side of the roadway. The male was outside a marked crosswalk. At the same time a female was operating a 2005 Buick Rendezvous southbound on Cleveland Ave. approaching E. 11th Ave. The right front of the Buick struck the male knocking him back onto the west side of the roadway. The Buick continued out of the area. Columbus Fire Medic #18 responded to the crash scene then transported the male to Grant Medical Center in critical condition. Officers in the area found the Buick parked on E. 19th Ave. west of Cleveland Ave. A short time later the female driver returned and provided a statement.

The Columbus Police Accident Investigation Unit responded to the crash scene and initiated an investigation which is ongoing.
