Incident Summary: On 11/11/2023 at approximately 10:15 p.m. a blue, 2021 Honda CR-V, was traveling northbound on Interstate 270 in the area immediately north of the E. Broad Street interchange. At this same time a white, 2010 Volkswagen Jetta, was northbound in the same area, approaching the Honda CR-V from behind. The Volkswagen struck the Honda in the rear bumper area with the front bumper of the Volkswagen. Both vehicles were heavily damaged and came to rest along the east side of the freeway. The operator of the Honda CR-V was transported to the Mount Carmel East hospital with non-life-threatening injuries. The operator of the Volkswagen Jetta suffered only minor injury and remained at the scene. The front seat passenger from the Volkswagen suffered a serious fracture of the left leg and was transported to the Mount Carmel East hospital in otherwise stable condition. All involved parties were expected to survive.

The Accident Investigaton Unit responded to the scene and initiated an investigation which is ongoing.
