

COURTRIGHT ROAD SIDEWALKS – REFUGEE ROAD TO GROVES ROAD PEDESTRIAN SAFETY IMPROVEMENTS

DESCRIPTION AND BENEFITS

The project will improve pedestrian safety by installing new sidewalk to fill gaps along both sides of Courtright Rd from Groves Rd to Refugee Rd. Curb and storm sewer improvements will be installed as needed.

This location is on the Vision Zero Columbus High Injury Network due to the number of serious or fatal crashes, and/or crashes involving vulnerable road users like people walking, biking or on a motorcycle.

It is also located in a Vision Zero Communities of Interest area. Residents in Communities of Interest may have fewer choices about how, when and where they travel, putting them at higher risk as they move around. Extra investment in roadway and other transportation safety improvements may be needed to enhance safety.

ESTIMATED SCHEDULE

PHASE	START	FINISH
Design	Spring 2021	Summer 2024
Right-of-Way	Summer 2022	Spring 2024
Construction	Late 2024*	Late Summer 2025*

*Subject to funding approval by City Council and weather conditions

ESTIMATED COSTS

PHASE	COST
Design	\$450,000
Right-of-Way	\$100,000
Construction	\$1.4 Million

TRAFFIC IMPACTS

PUBLIC ENGAGEMENT/ADDITIONAL RESOURCES
