

903 RIGHT-OF-WAY OCCUPANCY PERMIT PLAN SUBMISSION CONTENT CHECK LIST
March 31, 2021

When vehicular and/or pedestrian traffic patterns are significantly impacted by proposed activities, a maintenance of traffic plan (vehicular and pedestrian) is required. This plan shall be prepared in accordance with maintenance of traffic standard drawings available within the Department of Public Service's web site "[Document Library](#)", and/or the Manual of Urban Traffic Control devices.
