

## Special Water Charges

The fees below were proposed by the Department of Public Utilities following a cost of service study and were approved by the Sewer and Water Advisory Board and City Council. Some charges were raised, some lowered, some remained the same and others are new. All are based on the cost to provide the service.

SERVICE	COST
<b>Special meter reading at request of consumer, except for final bill or initial service:</b>	
During regular working hours	\$ 30.00
After regular working hours	\$ 30.00
