DIVISION OF WATER
90 W. BROAD STREET
COLUMBUS, OHIO 43215

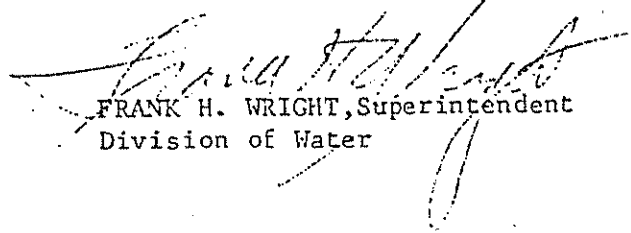

August 15, 1967

RULES AND REGULATIONS
Division of Water

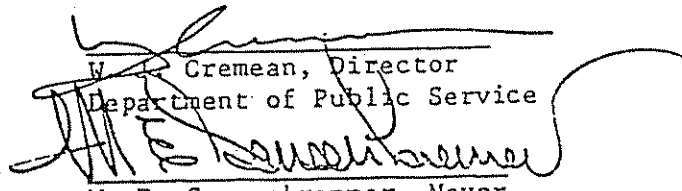

EFFECTIVE: AUGUST 16, 1967, the following Rules and Regulations of the Division of Water, City of Columbus, Ohio, are in effect:

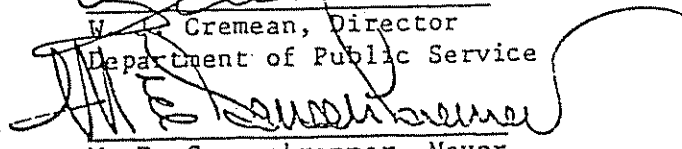

1. Water meters two-inch (2") or larger in size, on all water accounts served and billed by the City of Columbus, will be read and billed monthly.
2. Water meters less than two-inch (2") in size on all water accounts served and billed by the City of Columbus, will be read and billed quarterly except that if the average monthly consumption of water for the preceding twelve (12) month period equals or exceeds 41,000 cubic feet per month, the meter will be read, and the account billed, monthly.
