

City of Columbus
Mayor Dana G. Rinehart

Public Utilities and Aviation Department

G. Raymond Lorello, Director

RULE AND REGULATION NO. 90-4
Division of Water
Department of Public Utilities and Aviation

Date: November 28, 1990

SUBJECT: Rebates on Meters

The City of Columbus Division of Water will permit the return of meters and rebate money under the following conditions:

1. The meter must have been purchased from the City of Columbus Division of Water within the last 12 months, and must be returned by the current property owner.
2. No charge will be made on the return of the meter if it is in resalable condition. The rebated amount shall never exceed the amount paid for the meter at the time of purchase.
3. If any meter is not in resalable condition when returned, a charge determined by the Meter Repair Shop will be assessed based on time and material to recondition the meter. The rebated amount will be the price paid for the meter less the amount required to recondition the meter.
4. If a customer wishes to exchange a large meter for a smaller meter, they must write to the Permit Office, Division of Water, stating the reason for the request. If permission is granted to exchange meters, the customer will receive a rebate in the amount of the cost difference between the two meters. There will also be a \$20 charge assessed for processing the transaction.

John R. Douth, P.E.
Administrator
Division of Water

APPROVED: 
G. Raymond Lorello, Director
Public Utilities and Aviation
