**RULE AND REGULATION NO. 03-02**  
**Division of Water**  
**Department of Public Utilities**

**SUBJECT: INSPECTION OF SERVICE LINES**

Pursuant to the authority granted under Columbus City Codes Chapter 1101, the Director of the Department of Public Utilities hereby adopts, establishes, and publishes this rule and regulation to be effective at the earliest date allowed by law. This rule and regulation is in addition to any established requirements that have not been superseded or rescinded by this or any previous act.

**APPLICATION:**

All water service lines connected to the City of Columbus, Division of Water distribution system.

**DEFINITION:**

Service Line: all piping from the curb box or gate valve, to the meter setting.

**All new, repaired or replaced service lines must be inspected by the Division of Water, or a duly authorized representative, after the work has been completed, but prior to backfilling.**
