GC APPLICATION CHECKLIST

A complete application consists of all applicable items listed below submitted in digital PDF format.

The Application Form

The Owner is the Applicant by default, unless there is a tenant to be included. An Agent, if applicable, is representing the Applicant, and cannot be the Applicant.

Statement of Hardship (See instructions on form)

Notarized Affidavit Form and Label Sets (See full instructions on form; some are provided here)

- The "Proximity Report" listing the surrounding property owners can be obtained at the Franklin County Auditor's office. Similar reports can also be obtained on the applicable County Auditor website.
 - From the Franklin County Auditor's website, after having opened the subject property record, select the Mapping page and run a 125-foot Buffer Search around the property (including contiguously-owned property), and generate the Proximity Report to obtain an Excel list of surrounding property owners.
- The mailing labels are emailed with the application as an Avery #5160 formatted Word document. This document can serve as the "Proximity Report" referred to on page 6.
 - Use the owner's mailing address by default, instead of the property address when they differ.
 - For owner-occupied dwelling units, please also include "or Current Occupant" after the owner(s) name.
 - If property owners appear on the list more than once, please provide only one mailing label.

Notarized Project Disclosure Statement (See instructions on form)

Zoning Number (required only for property that does not already have an existing address):

A Zoning Number can be obtained by contacting BZS-GIS@columbus.gov.

Power of Attorney

If you are an applicant or agent who does not own the subject property, and you are not the owner's attorney, an engineer or an architect licensed by the State of Ohio, you must submit a power of attorney from the owner.

Site Plan

An accurate, scaled site plan with dimensions and/or other precise documentation of requested variance(s) in digital PDF format. If physical copies are submitted they should be on 8-1/2" x 11" or 11" x 17" paper.

STATEMENT OF HARDSHIP

Any request for a Variance from this Graphics Code shall be heard and decided by the Graphics Commission as provided by the Graphics Code.

3382.05 Variance.

- A.** The Graphics Commission shall have the power, upon application, to grant a Variance from one (1) or more provisions of this Graphics Code. No Variance shall be granted unless the Commission finds that a hardship exists, based upon special physical conditions which:
 - 1. Are due to exceptional shallowness, shape, topographic conditions or other extraordinary situations peculiar to the premises itself; or
 - 2. Differentiate the premises from other premises in the same zoning district and the general vicinity; or
 - 3. Prevent a reasonable return in service, use of income compared to other conforming premises in the same district; and
 - 4. Where the result of granting the Variance will not be injurious to neighboring properties and will not be contrary to the public interest or to the intent and purpose of the Graphics Code.
- B.** In granting a Variance, the Graphics Commission may impose such requirements and conditions regarding the location, character, and other features of the *graphics* as the Commission deems necessary to carry out the intent and purpose of this Graphics Code and to otherwise safeguard public safety and welfare.
- C.** Nothing in this Graphics Code shall be construed as authorizing the Commission to affect changes in the Zoning Map or to add to the uses permitted in any district.

List all sections of Code to be varied and explain your reasoning as to why this request should be granted.

PLEASE NOTE: It is the applicant's responsibility to identify all variances required for the project. If any necessary variances are not included, a new application (and applicable fees) will be required.

I have read the foregoing and believe my application for relief from the requirements of the Zoning Code contains the necessary hardship, will not adversely affect surrounding property owners and will comply with the variance(s) requested as detailed below (use separate page if needed or desired):

STATEMENT IN SUPPORT OF SPECIAL PERMIT REQUEST

Any request for a Special Permit, where required by this Graphics Code shall be heard and decided by the Graphics Commission as provided by the Graphics Code.

3382.06 Special Permit.

- A.** The Graphics Commission shall have power, upon application, to grant a special permit for the situations listed in C.C. 3375.12(B), where it is shown that the special permit can be granted without substantial detriment to the public good, without substantial impairment of the general purpose and intent of the zoning district in which the use is proposed to be located, and without significant incompatibility with the general character of the neighborhood.
- B.** In granting a special permit the graphics commission may impose such requirements and conditions regarding the location, character, and other features of the proposed graphic, as well as such special conditions as maintenance provisions and time limitations necessary to carry out the intent and purpose of this Graphics Code and to otherwise safeguard the public safety and welfare.
- C.** The graphics commission shall have power to review and to revoke any special permit when a condition of the approval has been violated. The applicant shall be notified and given an opportunity to conform prior to such revocation.

List all sections of Code relevant to your Special Permit request and explain your reasoning as to why this request should be granted.

PLEASE NOTE: It is the applicant's responsibility to identify the Special Permit required for the project. If the necessary Special Permit is not requested, a new application (and applicable fees) will be required.

I have read the foregoing and believe my application meets the criteria of Section 3382.06 in the following ways (use separate page if needed or desired):

- (4) Fill in the appropriate Neighborhood Group and complete contact information. PUBLIC HEARINGS APPLICATION INSTRUCTIONS

- Applications are submitted by email to ZoningInfo@columbus.gov. Call 614-645-4522 or email for any questions. Follow-up appointments may be arranged with the assigned planner, if necessary. Incomplete applications will NOT be accepted.

- Applicants must confirm whether the subject site lies within the boundaries of an Area Commission, recognized Neighborhood Group, Historic Architectural Review Commission, or Design Review Area. Information can be obtained from the Columbus Zoning Map, at CbusAreaCommissions.org, or the [ONE Map \(gis.columbus.gov/one\)](http://ONEMap(gis.columbus.gov/one)); search by address or parcel ID. You may also contact the Department of Neighborhoods at 614-645-1993 to confirm the area where the site is located.
- The applicant must arrange to meet with the group identified above, and obtain a written recommendation prior to the public hearing.

- The applicant or agent must attend the hearing.
- The City of Columbus makes no determination whether a property contains area(s) that might be classified as wetlands by the Army Corps of Engineers and the Ohio Environmental Protection Agency; nor does approval at the public hearing imply the site has complied with wetlands guidelines. It is the applicant's responsibility to determine if wetlands exist on the site.
- The Development Department Planning Division, as part of the variance or special permit process, reviews applications for consistency with adopted city plans. As part of that review, detailed information such as a site plan or building elevations may be requested. These materials are not necessarily required as part of the variance or special permit application, but may be requested as part of the application review. Contact the Planning Division at planninginfo@columbus.gov or 614-724-4437 for more information.
- For properties undergoing annexation, applications cannot be accepted until the County Commissioners have approved the annexation petition.
- An order of the Board of Zoning Adjustment becomes effective immediately. All variances and special permits, unless otherwise specified by the Board, will be void one (1) year after the date issued unless extended by the Board or unless an affirmative action by the applicant has been taken.
