

Late-night

RIDESHARE PICKUP ZONES

MIDNIGHT-4AM | NO PARKING | RIDESHARE PICKUP ONLY

Starting at midnight, select sections of High Street in the Short North Arts District will become no-parking zones to allow for seamless rideshare pickup.

THESE ZONES WILL HELP:

- Increase access to rideshare services in areas with the most late-night activity
- Provide convenient and predictable pickup points for rideshare drivers and customers
- Prevent double parking and mitigate traffic congestion
- Encourage responsible rideshare use and discourage impaired driving
- Minimize crowding on sidewalks
- Limit towing
