SECTION 1 - WELCOME

Quick Reference Box

- Member services, claim inquiries, Personal Health Support and Mental Health/Substance-Related and Addictive Disorders Administrator: 1 (800) 681-3849.
- Claims submittal address: UnitedHealthcare - Claims, P.O. Box 30555, Salt Lake City, UT 84130-0555.

The City of Columbus is pleased to provide you with this Summary Plan Description (SPD), which describes the health Benefits available to you and your covered family members. It includes summaries of:

- who is eligible;
- services that are covered, called Covered Health Services;
- services that are not covered, called Exclusions;
- how Benefits are paid; and
- your rights and responsibilities under the Plan.

This SPD is designed to meet your information needs. It does not supersede the collective bargaining agreement between the City and your union.

The City of Columbus intends to continue this Plan, but reserves the right, in its sole discretion, to modify, change, revise, amend or terminate the Plan at any time, for any reason, and without prior notice subject to any collective bargaining agreements between the City and your union. This SPD is not to be construed as a contract of or for employment. If there should be an inconsistency between the contents of this summary and the contents of the Plan, your rights shall be determined under the Plan and not under this summary.

UnitedHealthcare is a private healthcare Claims Administrator. UnitedHealthcare's goal is to give you the tools you need to make wise healthcare decisions. UnitedHealthcare also helps your employer to administer claims. Although UnitedHealthcare will assist you in many ways, it does not guarantee any Benefits. The City of Columbus is solely responsible for paying Benefits described in this SPD.

Please read this SPD thoroughly to learn how the Plan works. If you have questions contact your Department Human Resources office or call the number on the back of your ID card.
How To Use This SPD

■ Read the entire SPD, and share it with your family. Then keep it in a safe place for future reference.

■ Many of the sections of this SPD are related to other sections. You may not have all the information you need by reading just one section.

■ You can find copies of your SPD and any future amendments on the City’s intranet.

■ Capitalized words in the SPD have special meanings and are defined in Section 14, Glossary.

■ If eligible for coverage, the words "you" and "your" refer to Covered Persons as defined in Section 14, Glossary.

■ The City of Columbus is also referred to as the City.
SECTION 2 - INTRODUCTION

What this section includes:
- Who's eligible for coverage under the Plan.
- The factors that impact your cost for coverage.
- Instructions and timeframes for enrolling yourself and your eligible Dependents.
- When coverage begins.
- When you can make coverage changes under the Plan.

Eligibility

You are eligible to enroll in the Plan if you are a regular full-time employee who is scheduled to work at least 40 hours per week or if you are a part-time employee who has been identified to enroll in the Plan in accordance with the Affordable Care Act (ACA).

Your eligible Dependents may also participate in the Plan. An eligible Dependent is considered to be:

- your Spouse, as defined in Section 14, Glossary;
- your Domestic Partner, as defined in Section 14, Glossary;
- you or your Spouse's/Domestic Partner's child who is under age 26, including a natural child, stepchild, a legally adopted child, a child placed for adoption or a child for whom you or your Spouse are the legal guardian; or
- your disabled child over the age of 26 who is disabled prior to reaching the age of 26; child must be eligible for the Plan and dependent upon you, your spouse or domestic partner. Additional verification will be required.

Note: Your Dependents may not enroll in the Plan unless you are also enrolled.

A Dependent also includes a child for whom health care coverage is required through a Qualified Medical Child Support Order or other court or administrative order, as described in Section 13, Other Important Information.

Cost of Coverage

You and City of Columbus share in the cost of the Plan. Your contribution amount depends on your selection of a single or family rate and is based on your collective bargaining agreement.

Your contributions may be deducted from your paychecks on a before-tax basis. Before-tax dollars come out of your pay before federal income taxes are withheld—and in most states, before state and local taxes are withheld. This gives your contributions a special tax advantage and lowers the actual cost to you. To enroll in this benefit, please contact your Department Human Resources office or the Benefits and Wellness office at 614-645-8624.
**Note:** The Internal Revenue Service generally does not consider Domestic Partners and their children eligible Dependents. Therefore, the value of the City of Columbus's cost in covering a Domestic Partner will be imputed to the Participant as income. In addition, the share of the Participant's contribution that covers a Domestic Partner and their children will be paid using after-tax payroll deductions.

You can obtain current contribution rates by calling your Department Human Resources office or the City’s intranet site.

**How to Enroll**

To enroll, call your Department Human Resources office within 30 days of the date you first become eligible for medical Plan coverage. If you do not enroll within 30 days, you will need to wait until the City’s next annual Open Enrollment period, the month of February, to make your benefit elections.

Each year during annual Open Enrollment, you have the opportunity to review and change your medical election. Any changes you make during Open Enrollment will become effective on the first of March.

**Important**

If you wish to change your benefit elections following a life-qualifying event such as your marriage, birth, adoption of a child, placement for adoption of a child or other family status change, you must contact your Department Human Resources office within 30 days of the event. Otherwise, you will need to wait until the next annual Open Enrollment to change your elections.

**When Coverage Begins**

Once your Department Human Resources office receives your properly completed enrollment, coverage will begin on the first day of the month following your date of hire. If hired on the first of the month, the employee’s coverage will begin immediately. Coverage for your Dependents will start on the date your coverage begins, provided you have enrolled them in a timely manner.

Coverage for a Spouse or Dependent that you acquire via marriage becomes effective the first of the month following date of your marriage, provided you notify your Department Human Resources office within 30 days of your marriage. Coverage for Dependent children acquired through birth, adoption, or placement for adoption is effective the date of the family status change, provided you notify your Department Human Resources office within 30 days of the birth, adoption, or placement.

**If You Are Hospitalized When Your Coverage Begins**

If you are an inpatient in a Hospital, Skilled Nursing Facility or Inpatient Rehabilitation Facility on the day your coverage begins, the Plan will pay Benefits for Covered Health Services related to that Inpatient Stay as long as you receive Covered Health Services in accordance with the terms of the Plan.
You should notify UnitedHealthcare within 48 hours of the day your coverage begins, or as soon as is reasonably possible.

**Changing Your Coverage**

You may make coverage changes during the year only if you experience a change in family status. The change in coverage must be consistent with the change in status (e.g., you cover your Spouse following your marriage, your child following an adoption, etc.). The following are considered family status changes for purposes of the Plan:

- your marriage, divorce, legal separation or annulment;
- registering a Domestic Partner;
- the birth, adoption, placement for adoption or legal guardianship of a child;
- change in your Spouse's employment or loss of health coverage (other than coverage under the Medicare or Medicaid programs) under another employer's plan;
- loss of coverage due to the exhaustion of another employer's COBRA benefits, provided you were paying for premiums on a timely basis;
- the death of a Dependent;
- your Dependent child no longer qualifying as an eligible Dependent;
- contributions were no longer paid by the employer (this is true even if you or your eligible Dependent continues to receive coverage under the prior plan and to pay the amounts previously paid by the employer);
- benefits are no longer offered by the Plan to a class of individuals that include you or your eligible Dependent;
- termination of you or your Dependent's Medicaid, Children's Health Insurance Program (CHIP) or State Children's Health Insurance (SCHIP) coverage as a result of loss of eligibility (you must contact your Department Human Resources office within 60 days of termination);
- you or your Dependent become eligible for a premium assistance subsidy under Medicaid, CHIP or SCHIP (you must contact your Department Human Resources office within 60 days of determination of subsidy eligibility); or
- a court or administrative order.

Unless otherwise noted above, if you wish to change your elections, you must contact your Department Human Resources office within 30 days of the change in family status. Otherwise, you will need to wait until the next annual Open Enrollment.

While some of these changes in status are similar to qualifying events under COBRA, you, or your eligible Dependent, do not need to elect COBRA continuation coverage to take advantage of the special enrollment rights listed above. These will also be available to you or your eligible Dependent if COBRA is elected.
**Note:** Any child under age 26 who is placed with you for adoption will be eligible for coverage on the date the child is placed with you, even if the legal adoption is not yet final. If you do not legally adopt the child, all medical Plan coverage for the child will end when the placement ends. No provision will be made for continuing coverage (such as COBRA coverage) for the child.

You must provide acceptable documentation to your Department Human Resources office for each eligible dependent whom you wish to enroll in the health plan.

</thead>
</table>
| Disabled Dependent | An unmarried dependent incapable of self-sustaining employment because of a mental or physical disability that are allowed as a federal tax exemption. The disability must have started before age 26 and must be medically certified. | One of the required documents for the applicable dependent child definition type above. (See DEPENDENT CHILD section) PLUS  
Physicians Medical Certification |
SECTION 3 - HOW THE PLAN WORKS

What this section includes:
■ Accessing Benefits.
■ Eligible Expenses.
■ Annual Deductible.
■ Copayment.
■ Coinsurance.
■ Out-of-Pocket Maximum.

Accessing Benefits
As a Participant in this Plan, you have the freedom to choose the Physician or health care professional you prefer each time you need to receive Covered Health Services. The choices you make affect the amounts you pay, as well as the level of Benefits you receive and any benefit limitations that may apply.

You are eligible for the Network level of Benefits under this Plan when you receive Covered Health Services from Physicians and other health care professionals who have contracted with UnitedHealthcare to provide those services.

You can choose to receive Network Benefits or non-Network Benefits.

Network Benefits apply to Covered Health Services that are provided by a Network Physician or other Network provider.

Emergency Health Services are always paid as Network Benefits. For facility charges, these are Benefits for Covered Health Services that are billed by a Network facility and provided under the direction of either a Network or non-Network Physician or other provider. Network Benefits include Physician services provided in a Network facility by a Network or a non-Network Emergency room Physician, radiologist, anesthesiologist or pathologist.

Non-Network Benefits apply to Covered Health Services that are provided by a non-Network Physician or other non-Network provider, or Covered Health Services that are provided at a non-Network facility.

Depending on the geographic area and the service you receive, you may have access through our Shared Savings Program to non-Network providers who have agreed to discount their charges for Covered Health Services. If you receive Covered Health Services from these providers, the Coinsurance will remain the same as it is when you receive Covered Health Services from non-Network providers who have not agreed to discount their charges; however, the total that you owe may be less when you receive Covered Health Services from Shared Savings Program providers than from other non-Network providers because the Eligible Expense may be a lesser amount.
You must show your identification card (ID card) every time you request health care services from a Network provider. If you do not show your ID card, Network providers have no way of knowing that you are enrolled under the Plan. As a result, they may bill you for the entire cost of the services you receive.

Generally, when you receive Covered Health Services from a Network provider, you pay less than you would if you receive the same care from a non-Network provider. Therefore, in most instances, your out-of-pocket expenses will be less if you use a Network provider.

If you choose to seek care outside the Network, the Plan generally pays Benefits at a lower level. You are required to pay the amount that exceeds the Eligible Expense. The amount in excess of the Eligible Expense could be significant, and this amount does not apply to the Out-of-Pocket Maximum. You may want to ask the non-Network provider about their billed charges before you receive care.

Note: Effective June 1, 2015, all services rendered by Dr. Richard Cavender will be excluded from the City of Columbus' health insurance plan, and no payments will be made to the provider or reimbursed to the member.

Health Services from Non-Network Providers Paid as Network Benefits
If specific Covered Health Services are not available from a Network provider, you may be eligible to receive Network Benefits when Covered Health Services are received from a non-Network provider. In this situation, your Network Physician will notify UnitedHealthcare, and if UnitedHealthcare confirms that care is not available from a Network provider, UnitedHealthcare will work with you and your Network Physician to coordinate care through a non-Network provider.

Looking for a Network Provider?
In addition to other helpful information, www.myuhc.com, UnitedHealthcare's consumer website, contains a directory of health care professionals and facilities in UnitedHealthcare's Network. While Network status may change from time to time, www.myuhc.com has the most current source of Network information. Use www.myuhc.com to search for Physicians available in your Plan.

Network Providers
UnitedHealthcare or its affiliates arrange for health care providers to participate in a Network. At your request, UnitedHealthcare will send you a directory of Network providers free of charge. Keep in mind, a provider's Network status may change. To verify a provider's status or request a provider directory, you can call UnitedHealthcare at the number on your ID card or log onto www.myuhc.com.

Network providers are independent practitioners and are not employees of the City of Columbus or UnitedHealthcare.

UnitedHealthcare's credentialing process confirms public information about the providers' licenses and other credentials, but does not assure the quality of the services provided.
Before obtaining services you should always verify the Network status of a provider. A provider’s status may change. You can verify the provider’s status by calling UnitedHealthcare. A directory of providers is available online at www.myuhc.com or by calling the number on your ID card to request a copy.

It is possible that you might not be able to obtain services from a particular Network provider. The network of providers is subject to change. Or you might find that a particular Network provider may not be accepting new patients. If a provider leaves the Network or is otherwise not available to you, you must choose another Network provider to get Network Benefits.

If you are currently undergoing a course of treatment utilizing a non-Network Physician or health care facility, you may be eligible to receive transition of care Benefits. This transition period is available for specific medical services and for limited periods of time. If you have questions regarding this transition of care reimbursement policy or would like help determining whether you are eligible for transition of care Benefits, please contact UnitedHealthcare at the number on your ID card.

Do not assume that a Network provider's agreement includes all Covered Health Services. Some Network providers contract with UnitedHealthcare to provide only certain Covered Health Services, but not all Covered Health Services. Some Network providers choose to be a Network provider for only some of our products. Refer to your provider directory or contact UnitedHealthcare for assistance.

Eligible Expenses

The City of Columbus has delegated to UnitedHealthcare the discretion and authority to decide whether a treatment or supply is a Covered Health Service and how the Eligible Expenses will be determined and otherwise covered under the Plan.

Eligible Expenses are the amount UnitedHealthcare determines that UnitedHealthcare will pay for Benefits. For Network Benefits, you are not responsible for any difference between Eligible Expenses and the amount the provider bills. For Network Benefits for Covered Health Services provided by a non-Network provider (other than Emergency Health Services or services otherwise arranged by UnitedHealthcare), you will be responsible to the non-Network Physician or provider for any amount billed that is greater than the amount UnitedHealthcare determines to be an Eligible Expense as described below.

For Non-Network Benefits, you are responsible for paying, directly to the non-Network provider, any difference between the amount the provider bills you and the amount UnitedHealthcare will pay for Eligible Expenses. Eligible Expenses are determined solely in accordance with UnitedHealthcare's reimbursement policy guidelines, as described in the SPD.

For Network Benefits, Eligible Expenses are based on the following:

- When Covered Health Services are received from a Designated Network and Network provider, Eligible Expenses are UnitedHealthcare's contracted fee(s) with that provider.
When Covered Health Services are received from a non-Network provider as arranged by UnitedHealthcare, Eligible Expenses are billed charges unless a lower amount is negotiated or authorized by law.

**For Non-Network Benefits,** Eligible Expenses are based on either of the following:

- When Covered Health Services are received from a non-Network provider, Eligible Expenses are determined, based on:
  - Negotiated rates agreed to by the non-Network provider and either UnitedHealthcare or one of UnitedHealthcare's vendors, affiliates or subcontractors, at UnitedHealthcare's discretion.
  
  - If rates have not been negotiated, then one of the following amounts:
    
    ♦ Eligible Expenses are determined based on 140% of the published rates allowed by the *Centers for Medicare and Medicaid Services (CMS)* for Medicare for the same or similar service within the geographic market.
    
    ♦ When a rate is not published by CMS for the service, UnitedHealthcare uses an available gap methodology to determine a rate for the service as follows:
      - For services other than Pharmaceutical Products, UnitedHealthcare uses a gap methodology established by *OptumInsight* and/or a third party vendor that uses a relative value scale. The relative value scale is usually based on the difficulty, time, work, risk and resources of the service. If the relative value scale(s) currently in use become no longer available, UnitedHealthcare will use a comparable scale(s). UnitedHealthcare and OptumInsight are related companies through common ownership by UnitedHealth Group. Refer to UnitedHealthcare's website at [www.myuhc.com](http://www.myuhc.com) for information regarding the vendor that provides the applicable gap fill relative value scale information.
    
    - For Pharmaceutical Products, UnitedHealthcare uses gap methodologies that are similar to the pricing methodology used by CMS, and produce fees based on published acquisition costs or average wholesale price for the pharmaceuticals. These methodologies are currently created by *RJ Health Systems, Thomson Reuters* (published in its *Red Book*), or UnitedHealthcare based on an internally developed pharmaceutical pricing resource.
    
    - When a rate is not published by CMS for the service and a gap methodology does not apply to the service, the Eligible Expense is based on 50% of the provider's billed charge.
Don’t Forget Your ID Card
Remember to show your ID card every time you receive health care services from a provider. If you do not show your ID card, a provider has no way of knowing that you are enrolled under the Plan.

Annual Deductible
The Annual Deductible is the amount of Eligible Expenses you must pay each plan year for Covered Health Services before you are eligible to begin receiving Benefits. There are separate Network and non-Network Annual Deductibles for this Plan. The amounts you pay toward your Annual Deductible accumulate over the course of the plan year.

Eligible Expenses charged by both Network and non-Network providers apply towards both the Network individual and family Deductibles and the non-Network individual and family Deductibles.

Amounts paid toward the Annual Deductible for Covered Health Services that are subject to a visit or day limit will also be calculated against that maximum benefit limit. As a result, the limited benefit will be reduced by the number of days or visits you used toward meeting the Annual Deductible.

Any amount you pay for medical expenses in the last three months of the previous plan year, that is applied to the previous Deductible, will be carried over and applied to the current Deductible. This carry-over feature applies to the individual and family Deductible.

Coinsurance
Coinsurance is the percentage of Eligible Expenses that you are responsible for paying. Coinsurance is a fixed percentage that applies to certain Covered Health Services after you meet the Annual Deductible.

Coinsurance - Example
Let’s assume that you receive Plan Benefits for outpatient surgery from a Network provider. Since the Plan pays 80% after you meet the Annual Deductible, you are responsible for paying the other 20%. This 20% is your Coinsurance.

Out-of-Pocket Maximum
The annual Out-of-Pocket Maximum is the most you pay each plan year for Covered Health Services. There are separate Network and non-Network Out-of-Pocket Maximums for this Plan. If your eligible out-of-pocket expenses in a plan year exceed the annual maximum, the Plan pays 100% of Eligible Expenses for Covered Health Services through the end of the plan year.

Eligible Expenses charged by both Network and non-Network providers apply toward both the Network individual and family Out-of-Pocket Maximums and the non-Network individual and family Out-of-Pocket Maximums.
The following table identifies what does and does not apply toward your Network and non-Network Out-of-Pocket Maximums:

<table>
<thead>
<tr>

SECTION 4 - PERSONAL HEALTH SUPPORT

What this section includes:
- An overview of the Personal Health Support program.
- Covered Health Services for which you need to contact Personal Health Support.

UnitedHealthcare provides a program called Personal Health Support designed to encourage personalized, efficient care for you and your covered Dependents.

Personal Health Support Nurses center their efforts on prevention, education, and closing any gaps in your care. The goal of the program is to ensure you receive the most appropriate and cost-effective services available. A Personal Health Support Nurse is notified when you or your provider calls the number on your ID card regarding an upcoming treatment or service.

If you are living with a chronic condition or dealing with complex health care needs, UnitedHealthcare may assign to you a primary nurse, referred to as a Personal Health Support Nurse to guide you through your treatment. This assigned nurse will answer questions, explain options, identify your needs, and may refer you to specialized care programs. The Personal Health Support Nurse will provide you with their telephone number so you can call them with questions about your conditions, or your overall health and well-being.

Personal Health Support Nurses will provide a variety of different services to help you and your covered family members receive appropriate medical care. Program components are subject to change without notice. As of the publication of this SPD, the Personal Health Support program includes:

- **Admission counseling** - For upcoming inpatient Hospital admissions for certain conditions, a Treatment Decision Support Nurse may call you to help answer your questions and to make sure you have the information and support you need for a successful recovery.

- **Inpatient care management** - If you are hospitalized, a nurse will work with your Physician to make sure you are getting the care you need and that your Physician's treatment plan is being carried out effectively.

- **Readmission Management** - This program serves as a bridge between the Hospital and your home if you are at high risk of being readmitted. After leaving the Hospital, if you have a certain chronic or complex condition, you may receive a phone call from a Personal Health Support Nurse to confirm that medications, needed equipment, or follow-up services are in place. The Personal Health Support Nurse will also share important health care information, reiterate and reinforce discharge instructions, and support a safe transition home.

- **Risk Management** - Designed for participants with certain chronic or complex conditions, this program addresses such health care needs as access to medical specialists, medication information, and coordination of equipment and supplies. Participants may receive a phone call from a Personal Health Support Nurse to discuss...
and share important health care information related to the participant's specific chronic or complex condition.

If you do not receive a call from a Personal Health Support Nurse but feel you could benefit from any of these programs, please call the number on your ID card.
SECTION 5 - PLAN HIGHLIGHTS

What this section includes:
- Payment Terms and Features.
- Schedule of Benefits.

Payment Terms and Features
The table below outlines the Plan’s Annual Deductible and Out-of-Pocket Maximum.

<table>
<thead>
<tr>
<th>Plan Features</th>
<th>Network Amounts</th>
<th>Non-Network Amounts</th>
</tr>
</thead>
<tbody>
<tr>
<td><strong>Annual Deductible</strong></td>
<td></td>
<td></td>
</tr>
<tr>
<td>Individual</td>
<td>$1,500</td>
<td>$3,000</td>
</tr>
<tr>
<td>Family (not to exceed the applicable Individual amount per Covered Person)</td>
<td>$3,000</td>
<td>$6,000</td>
</tr>
</tbody>
</table>

The Plan does not require that you or a covered Dependent meet the individual Deductible in order to satisfy the family Deductible. If more than one person in a family is covered under the Plan, the individual coverage Deductible stated in this table above does not apply. Instead, the family Deductible applies and no one in the family is eligible to receive Benefits until the family Deductible is satisfied.

<table>
<thead>
<tr>
<th>Annual Out-of-Pocket Maximum</th>
<th></th>
<th></th>
</tr>
</thead>
<tbody>
<tr>
<td>Individual</td>
<td>$3,000</td>
<td>$6,000</td>
</tr>
<tr>
<td>Family (not to exceed the applicable Individual amount per Covered Person)</td>
<td>$6,000</td>
<td>$9,000</td>
</tr>
</tbody>
</table>

The Annual Deductible applies toward the Out-of-Pocket Maximum for all Covered Health Services.

The Plan does not require that you or a covered Dependent meet the individual Out-of-Pocket Maximum in order to satisfy the family Out-of-Pocket Maximum. If more than one person in a family is covered under the Plan, the individual coverage Out-of-Pocket Maximum stated in this table above does not apply. Instead, for family coverage the family Out-of-Pocket Maximum applies.
**Plan Features** | **Network Amounts** | **Non-Network Amounts**
--- | --- | ---
**Lifetime Maximum Benefit**
There is no dollar limit to the amount the Plan will pay for essential Benefits during the entire period you are enrolled in this Plan.

Generally the following are considered to be essential benefits under the *Patient Protection and Affordable Care Act*:

Ambulatory patient services; emergency services, hospitalization; maternity and newborn care, mental health and substance-related and addictive disorders services (including behavioral health treatment); rehabilitative and habilitative services and devices; laboratory services; preventive and wellness services and chronic disease management; and pediatric services, including oral and vision care.

¹In general, your Network provider must notify the Claims Administrator or Personal Health Support, as described in Section 4, **Personal Health Support** before you receive certain Covered Health Services. There are some Network Benefits, however, for which you should notify the Claims Administrator or Personal Health Support. See Section 6, **Additional Coverage Details** for further information.
SECTION 6 - ADDITIONAL COVERAGE DETAILS

What this section includes:

- Covered Health Services for which the Plan pays Benefits.
- Covered Health Services that require you to notify the Claims Administrator or Personal Health Support before you receive them, and any reduction in Benefits that may apply if you do not call the Claims Administrator or Personal Health Support.

This section supplements the second table in Section 5, Plan Highlights.

While the table provides you with Benefit limitations along with Copayment, Coinsurance and Annual Deductible information for each Covered Health Service, this section includes descriptions of the Benefits. These descriptions include any additional limitations that may apply, as well as Covered Health Services for which you must call the Claims Administrator or Personal Health Support. The Covered Health Services in this section appear in the same order as they do in the table for easy reference. Services that are not covered are described in Section 8, Exclusions.

Ambulance Services

The Plan covers Emergency ambulance services and transportation provided by a licensed ambulance service to the nearest Hospital that offers Emergency Health Services. See Section 14, Glossary for the definition of Emergency.

Ambulance service by air is covered in an Emergency if ground transportation is impossible, or would put your life or health in serious jeopardy. If special circumstances exist, UnitedHealthcare may pay Benefits for Emergency air transportation to a Hospital that is not the closest facility to provide Emergency Health Services.

The Plan also covers transportation provided by a licensed professional ambulance (either ground or air ambulance, as UnitedHealthcare determines appropriate) between facilities when the transport is:

- From a non-Network Hospital to a Network Hospital.
- To a Hospital that provides a higher level of care that was not available at the original Hospital.
- To a more cost-effective acute care facility.
- From an acute facility to a sub-acute setting.

In most cases, the Claims Administrator will initiate and direct non-Emergency air ambulance transportation. If you are requesting non-Emergency ambulance services, please remember that you must notify the Claims Administrator or Personal Health Support as soon as possible prior to the transport. If the Claims Administrator is not notified, Benefits will be reduced to 50% of Eligible Expenses.
Cancer Resource Services (CRS)

The Plan pays Benefits for oncology services provided by Designated Providers participating in the Cancer Resource Services (CRS) program. Designated Provider is defined in Section 14, Glossary.

For oncology services and supplies to be considered Covered Health Services, they must be provided to treat a condition that has a primary or suspected diagnosis relating to cancer. If you or a covered Dependent has cancer, you may:

- be referred to CRS by Care Coordination℠;
- call CRS toll-free at (866) 936-6002; or

To receive Benefits for a cancer-related treatment, you are not required to visit a Designated Provider. If you receive oncology services from a facility that is not a Designated Provider, the Plan pays Benefits as described under:

- Physician's Office Services - Sickness and Injury;
- Physician Fees for Surgical and Medical Services;
- Scopic Procedures - Outpatient Diagnostic and Therapeutic;
- Therapeutic Treatments - Outpatient;
- Hospital - Inpatient Stay; and
- Surgery - Outpatient.

To receive Benefits under the CRS program, you must contact CRS prior to obtaining Covered Health Services. The Plan will only pay Benefits under the CRS program if CRS provides the proper authorization to the Designated Provider performing the services (even if you self-refer to a provider in that Network).

Cellular and Gene Therapy

Cellular Therapy and Gene Therapy received on an inpatient or outpatient basis at a Hospital or on an outpatient basis at an Alternate Facility or in a Physician's office.

Benefits for CAR-T therapy for malignancies are provided as described under Transplantation Services.

Pre-Service Notification Requirement

You must provide pre-service notification as soon as the possibility of a Cellular or Gene Therapy arises. If you do not provide pre-service notification and if, as a result, the services are not received from a Designated Provider, Benefits will not be paid.
Clinical Trials

Benefits are available for routine patient care costs incurred during participation in a qualifying clinical trial for the treatment of:

- cancer or other life-threatening disease or condition. For purposes of this benefit, a life-threatening disease or condition is one from which the likelihood of death is probable unless the course of the disease or condition is interrupted;

- cardiovascular disease (cardiac/stroke) which is not life threatening, for which, as UnitedHealthcare determines, a clinical trial meets the qualifying clinical trial criteria stated below;

- surgical musculoskeletal disorders of the spine, hip and knees, which are not life threatening, for which, as UnitedHealthcare determines, a clinical trial meets the qualifying clinical trial criteria stated below; and

- other diseases or disorders which are not life threatening for which, as UnitedHealthcare determines, a clinical trial meets the qualifying clinical trial criteria stated below.

Benefits include the reasonable and necessary items and services used to prevent, diagnose and treat complications arising from participation in a qualifying clinical trial.

Benefits are available only when the Covered Person is clinically eligible for participation in the qualifying clinical trial as defined by the researcher.

Routine patient care costs for qualifying clinical trials include:

- Covered Health Services for which Benefits are typically provided absent a clinical trial;

- Covered Health Services required solely for the provision of the investigational item or service, the clinically appropriate monitoring of the effects of the item or service, or the prevention of complications; and

- Covered Health Services needed for reasonable and necessary care arising from the provision of an Investigational item or service.

Routine costs for clinical trials do not include:

- the Experimental or Investigational Service or item. The only exceptions to this are:
  - certain Category B devices;
  - certain promising interventions for patients with terminal illnesses; and
  - other items and services that meet specified criteria in accordance with our medical and drug policies;

- items and services provided solely to satisfy data collection and analysis needs and that are not used in the direct clinical management of the patient;

- a service that is clearly inconsistent with widely accepted and established standards of care for a particular diagnosis; and
items and services provided by the research sponsors free of charge for any person enrolled in the trial.

With respect to cancer or other life-threatening diseases or conditions, a qualifying clinical trial is a Phase I, Phase II, Phase III, or Phase IV clinical trial that is conducted in relation to the prevention, detection, or treatment of cancer or other life-threatening disease or condition and which meets any of the following criteria in the bulleted list below.

With respect to cardiovascular disease or musculoskeletal disorders of the spine and hip and knees and other diseases or disorders which are not life-threatening, a qualifying clinical trial is a Phase I, Phase II, or Phase III clinical trial that is conducted in relation to the detection or treatment of such non-life-threatening disease or disorder and which meets any of the following criteria in the bulleted list below.

Federally funded trials. The study or investigation is approved or funded (which may include funding through in-kind contributions) by one or more of the following:

- National Institutes of Health (NIH). (Includes National Cancer Institute (NCI));
- Centers for Disease Control and Prevention (CDC);
- Agency for Healthcare Research and Quality (AHRQ);
- Centers for Medicare and Medicaid Services (CMS);
- a cooperative group or center of any of the entities described above or the Department of Defense (DOD) or the Veterans Administration (VA);
- a qualified non-governmental research entity identified in the guidelines issued by the National Institutes of Health for center support grants; or
- The Department of Veterans Affairs, the Department of Defense or the Department of Energy as long as the study or investigation has been reviewed and approved through a system of peer review that is determined by the Secretary of Health and Human Services to meet both of the following criteria:
  ♦ comparable to the system of peer review of studies and investigations used by the National Institutes of Health; and
  ♦ ensures unbiased review of the highest scientific standards by qualified individuals who have no interest in the outcome of the review.

the study or investigation is conducted under an investigational new drug application reviewed by the U.S. Food and Drug Administration;

the study or investigation is a drug trial that is exempt from having such an investigational new drug application;

the clinical trial must have a written protocol that describes a scientifically sound study and have been approved by all relevant institutional review boards (IRBs) before participants are enrolled in the trial. UnitedHealthcare may, at any time, request documentation about the trial; or

the subject or purpose of the trial must be the evaluation of an item or service that meets the definition of a Covered Health Service and is not otherwise excluded under the Plan.
Please remember that you must notify the Claims Administrator as soon as the possibility of participation in a clinical trial arises. If the Claims Administrator is not notified, Benefits will be reduced to 50% of Eligible Expenses.

**Congenital Heart Disease (CHD) Surgeries**

The Plan pays Benefits for Congenital heart disease (CHD) surgeries which are ordered by a Physician. CHD surgical procedures include surgeries to treat conditions such as coarctation of the aorta, aortic stenosis, tetralogy of fallot, transposition of the great vessels and hypoplastic left or right heart syndrome.

UnitedHealthcare has specific guidelines regarding Benefits for CHD services. Contact United Resource Networks at (888) 936-7246 or Care Coordination for information about these guidelines.

For Non-Network Benefits you must notify the Claims Administrator as soon as the possibility of a CHD surgery arises. If you fail to notify the Claims Administrator as required, Benefits will be reduced to 50% of Eligible Expenses.

It is important that you notify the Claims Administrator regarding your intention to have surgery. Your notification will open the opportunity to become enrolled in programs that are designed to achieve the best outcomes for you.

The Plan pays Benefits for Congenital Heart Disease (CHD) services ordered by a Physician and received at a CHD Resource Services program. Benefits include the facility charge and the charge for supplies and equipment. Benefits are available for the following CHD services:

- outpatient diagnostic testing;
- evaluation;
- surgical interventions;
- interventional cardiac catheterizations (insertion of a tubular device in the heart);
- fetal echocardiograms (examination, measurement and diagnosis of the heart using ultrasound technology); and
- approved fetal interventions.

CHD services other than those listed above are excluded from coverage, unless determined by United Resource Networks or the Claims Administrator to be proven procedures for the involved diagnoses. Contact United Resource Networks at (888) 936-7246 or Care Coordination at the toll-free number on your ID card for information about CHD services.

If you receive Congenital Heart Disease services from a facility that is not a Designated Provider, the Plan pays Benefits as described under:

- Physician's Office Services - Sickness and Injury;
- Physician Fees for Surgical and Medical Services;
- Scopic Procedures - Outpatient Diagnostic and Therapeutic;
- Therapeutic Treatments - Outpatient;
- Hospital - Inpatient Stay; and
- Surgery - Outpatient.

To receive Benefits under the CHD program, you must contact United Resource Networks at (888) 936-7246 prior to obtaining Covered Health Services. The Plan will only pay Benefits under the CHD program if CHD provides the proper notification to the Designated Provider performing the services (even if you self-refer to a provider in that Network).

Dental Services - Accident Only

Dental services are covered by the Plan when all of the following are true:

- Treatment is necessary because of accidental damage.
- Dental services are received from a Doctor of Dental Surgery or a Doctor of Medical Dentistry.
- The dental damage is severe enough that initial contact with a Physician or dentist occurs within 72 hours of the accident. (You may request an extension of this time period provided that you do so within 60 days of the Injury and if extenuating circumstances exist due to the severity of the Injury.)
- The injury was to natural teeth while the Covered Person is covered by the Plan.

Please note that dental damage that occurs as a result of normal activities of daily living or extraordinary use of the teeth is not considered having occurred as an accident. Benefits are not available for repairs to teeth that are damaged as a result of such activities.

The Plan also covers dental care (oral examination, X-rays, extractions and non-surgical elimination of oral infection) required for the direct treatment of a medical condition limited to:

- Dental services related to medical transplant procedures.
- Initiation of immunosuppressives (medication used to reduce inflammation and suppress the immune system).
- Direct treatment of acute traumatic Injury, cancer or cleft palate.

Dental services for final treatment to repair the damage caused by accidental Injury must be started within 3 months of the accident, or if not a Covered Person at the time of the accident, within the first three months of coverage under the Plan, unless extenuating circumstances exist (such as prolonged hospitalization or the presence of fixation wires from fracture care) and completed within 12 months of the accident, or if not a Covered Person at the time of the accident, within the first 12 months of coverage under the Plan.
The Plan pays for treatment of accidental Injury only for:

- Emergency examination.
- Necessary diagnostic X-rays.
- Endodontic (root canal) treatment.
- Temporary splinting of teeth.
- Prefabricated post and core.
- Simple minimal restorative procedures (fillings).
- Extractions.
- Post-traumatic crowns if such are the only clinically acceptable treatment.
- Replacement of lost teeth due to the Injury by implant, dentures or bridges.

**Dental Surgical Procedures**

The Plan pays for dental surgical procedures and necessary general anesthesia when medically appropriate and the dental surgery is a covered service under the medical plan.

- Removal of Impacted Teeth.
- Gingivectomy (including post-surgical visits).
  - Osseous.
  - Mucogingival.
- Alveolectomy (edentulous and in addition to removal of teeth).
- Removal of palatal torus.
- Removal of torus palatinus.
- Incision of pericoronal gingival.
- Closure of salivary fistula.
- Resection of benign tumor of soft tissue (2.5 cm or larger).
- Excision of cyst.
- Removal of torus mandibularis.
- Sialolithotomy; removal of salivary calculus.
- Corticotomy.
- Biopsy of oral tissue – hard (bone or tooth).

Services including general anesthesia and associated Hospital or Alternate Facility charges when the clinical status or underlying medical condition of the Covered Person requires dental procedures that ordinarily would not require general anesthesia to be rendered in a Hospital or Alternate Facility setting. Services are limited to Covered Person who are one of the following:

- A child under seven years of age.
A person who is developmentally disabled, regardless of age.

A person whose health is compromised and for whom general anesthesia is required, regardless of age.

Services for the diagnosis or treatment of a dental disease are not Covered Health Services.

**Diabetes Services**

*Diabetes Self-Management and Training/Diabetic Eye Examinations/Foot Care*

Outpatient self-management training for the treatment of diabetes, education and medical nutrition therapy services. Diabetes outpatient self-management training, education and medical nutrition therapy services must be ordered by a Physician and provided by appropriately licensed or registered healthcare professionals.

Benefits under this section also include medical eye examinations (dilated retinal examinations) and preventive foot care for Covered Persons with diabetes.

*Diabetic Self-Management Items*

Insulin pumps and supplies for the management and treatment of diabetes, based upon the medical needs of the Covered Person. An insulin pump is subject to all the conditions of coverage stated under Durable Medical Equipment. Benefits for blood glucose monitors, insulin syringes with needles, blood glucose and urine test strips, ketone test strips and tablets and lancets and lancet devices are covered under the outpatient prescription drug plan.

In the case of items covered under outpatient prescription drugs, please reference the prescription plan for coverage details.

Please remember for Non-Network Benefits, you must notify the Claims Administrator before obtaining any Durable Medical Equipment for the management and treatment of diabetes. If the Claims Administrator is not notified, Benefits will be reduced to 50% of Eligible Expenses.

**Disposable Medical Supplies**

The Plan pays for disposable medical supplies including, but not limited to, syringes and lancets:

**Durable Medical Equipment (DME)**

The Plan pays for Durable Medical Equipment (DME) that is:

- Ordered or provided by a Physician for outpatient use.
- Used for medical purposes.
- Not consumable or disposable.
- Not of use to a person in the absence of a Sickness, Injury or disability.
- Durable enough to withstand repeated use.
If more than one piece of DME can meet your functional needs, you will receive Benefits only for the most Cost-Effective piece of equipment. Benefits are provided for a single unit of DME (example: one insulin pump) and for repairs of that unit.

Examples of DME include but are not limited to:

- Equipment to administer oxygen.
- Equipment to assist mobility, such as a standard wheelchair.
- Hospital beds.
- Delivery pumps for tube feedings.
- Negative pressure wound therapy pumps (wound vacuums).
- Burn garments.
- Insulin pumps and all related necessary supplies as described under Diabetes Services in this section.
- External cochlear devices and systems. Surgery to place a cochlear implant is also covered by the Plan. Cochlear implantation can either be an inpatient or outpatient procedure. See Hospital - Inpatient Stay, Rehabilitation Services - Outpatient Therapy and Surgery - Outpatient in this section.
- Braces that stabilize an injured body part, including necessary adjustments to shoes to accommodate braces. Braces that stabilize an injured body part and braces to treat curvature of the spine are considered Durable Medical Equipment and are a Covered Health Service. Braces that straighten or change the shape of a body part are orthotic devices and are excluded from coverage. Dental braces are also excluded from coverage.
- Custom orthotics, custom foot inserts, custom shoe inserts and custom arch supports are covered with review.
- Mechanical equipment necessary for the treatment of chronic or acute respiratory failure (except that air-conditioners, humidifiers, dehumidifiers, air purifiers and filters, and personal comfort items are excluded from coverage).

The Plan also covers tubings, nasal cannulas, connectors and masks used in connection with DME.

Benefits also include speech aid devices and tracheo-esophageal voice devices required for treatment of severe speech impediment or lack of speech directly attributed to Sickness or Injury. Benefits for the purchase of speech aid devices and tracheo-esophageal voice devices are available only after completing a required three-month rental period.

*Note:* DME is different from prosthetic devices - see Prosthetic Devices in this section.

Benefits for speech aid devices and tracheo-esophageal voice devices are limited to the purchase of one device during the entire period of time a Covered Person is enrolled under the Plan. Benefits for repair/replacement are limited to once every three years.
Benefits are provided for the repair/replacement of a type of Durable Medical Equipment once every three years.

At UnitedHealthcare's discretion, replacements are covered for damage beyond repair with normal wear and tear, when repair costs exceed new purchase price, or when a change in the Covered Person's medical condition occurs sooner than the three year timeframe. Repairs, including the replacement of essential accessories, such as hoses, tubes, mouth pieces, etc., for necessary DME are only covered when required to make the item/device serviceable and the estimated repair expense does not exceed the cost of purchasing or renting another item/device. Requests for repairs may be made at any time and are not subject to the three year timeline for replacement.

Please remember for Non-Network Benefits, you must notify the Claims Administrator before obtaining any DME or orthotic that costs more than $1,000 (either retail purchase cost or cumulative rental cost of a single item). If the Claims Administrator is not notified, Benefits will be reduced to 50% of Eligible Expenses.

Emergency Health Services - Outpatient

The Plan's Emergency services Benefit pays for outpatient treatment at a Hospital or Alternate Facility when required to stabilize a patient or initiate treatment.

Network Benefits will be paid for an Emergency admission to a non-Network Hospital as long as the Claims Administrator is notified within two business days of the admission or on the same day of admission if reasonably possible after you are admitted to a non-Network Hospital. The Claims Administrator may elect to transfer you to a Network Hospital as soon as it is medically appropriate to do so. If you continue your stay in a non-Network Hospital after the date your Physician determines that it is medically appropriate to transfer you to a Network Hospital, Network Benefits will not be provided. Non-Network Benefits may be available if the continued stay is determined to be a Covered Health Service. Eligible Expenses will be determined as described under Eligible Expenses in Section 3, Plan Highlights.

Benefits under this section are not available for services to treat a condition that does not meet the definition of an Emergency.

Please remember for Non-Network Benefits, you must notify the Claims Administrator within two business days of the admission or on the same day of admission if reasonably possible if you are admitted to a Hospital as a result of an Emergency.

Gender Dysphoria

Benefits for the treatment of Gender Dysphoria limited to the following services:

The Plan covers the following non-surgical treatments for gender dysphoria:

- Cross-sex hormone therapy:
  - Cross-sex hormone therapy administered by a medical provider (for example during an office visit) is provided under Pharmaceutical Products – Outpatient in the section.
- Cross-sex hormone therapy dispensed from a pharmacy is provided under the prescription plan.

- Puberty suppressing medication injected or implanted by a medical provider in a clinical setting.

- Laboratory testing to monitor the safety of continuous cross-sex hormone therapy.

- Surgery for the treatment for Gender Dysphoria, including the surgeries listed below:

  **Male to Female:**
  - Clitoroplasty (creation of clitoris)
  - Labiaplasty (creation of labia)
  - Orchiectomy (removal of testicles)
  - Penectomy (removal of penis)
  - Urethroplasty (reconstruction of female urethra)
  - Vaginoplasty (creation of vagina)

  **Female to Male:**
  - Bilateral mastectomy or breast reduction
  - Hysterectomy (removal of uterus)
  - Metoidioplasty (creation of penis, using clitoris)
  - Penile prosthesis
  - Phalloplasty (creation of penis)
  - Salpingo-oophorectomy (removal of fallopian tubes and ovaries)
  - Scrotoplasty (creation of scrotum)
  - Testicular prosthesis
  - Urethroplasty (reconstruction of male urethra)
  - Vaginectomy (removal of vagina)
  - Vulvectomy (removal of vulva)

**Genital Surgery and Bilateral Mastectomy or Breast Reduction Surgery**

**Documentation Requirements:**

The Covered Person must provide documentation of the following for breast surgery:

- A written psychological assessment from at least one qualified behavioral health provider experienced in treating Gender Dysphoria. The assessment must document that the Covered Person meets all of the following criteria:
  - Persistent, well-documented Gender Dysphoria.
  - Capacity to make a fully informed decision and to consent for treatment.
  - Must be 18 years or older.
  - If significant medical or mental health concerns are present, they must be reasonably well controlled.

The Covered Person must provide documentation of the following for genital surgery:

- A written psychological assessment from at least two qualified behavioral health providers experienced in treating Gender Dysphoria, who have independently assessed
the Covered Person. The assessment must document that the Covered Person meets all of the following criteria:

- Persistent, well-documented Gender Dysphoria.
- Capacity to make a fully informed decision and to consent for treatment.
- Must 18 years or older.
- If significant medical or mental health concerns are present, they must be reasonably well controlled.
- Complete at least 12 months of successful continuous full-time real-life experience in the desired gender.
- Complete 12 months of continuous cross-sex hormone therapy appropriate for the desired gender (unless medically contraindicated).

The treatment plan is based on identifiable external sources including the World Professional Association for Transgender Health (WPATH) standards, and/or evidence-based professional society guidance.

**Surgical Treatment:** Please remember, you must notify the Claims Administrator as soon as the possibility for any of surgery arises.

Please call the phone number that appears on your ID card. Without notification, Benefits will be reduced to 50% of Eligible Expenses.

In addition, for Non-Network Benefits, you must contact the Claims Administrator 24 hours before admission for scheduled admissions or as soon as is reasonably possible for non-scheduled admissions (including Emergency admissions).

**Non-Surgical Treatment:** Depending upon where the Covered Health Service is provided, any applicable notification requirements will be the same as those stated under each Covered Health Service category in this section.

**Home Health Care**

Covered Health Services are services that a Home Health Agency provides if you need care in your home due to the nature of your condition. Services must be:

- Ordered by a Physician.
- Provided by or supervised by a registered nurse in your home, or provided by either a home health aide or licensed practical nurse and supervised by a registered nurse.
- Not considered Custodial Care, as defined in Section 14, *Glossary.*
- Provided on a part-time, Intermittent Care schedule when Skilled Care is required. Refer to Section 14, *Glossary* for the definition of Skilled Care.

The Claims Administrator will determine if Skilled Care is needed by reviewing both the skilled nature of the service and the need for Physician-directed medical management. A service will not be determined to be "skilled" simply because there is not an available caregiver.
Please remember for Non-Network Benefits, you must notify the Claims Administrator five business days before receiving services or as soon as reasonably possible for skilled nursing. If the Claims Administrator is not notified, Benefits will be reduced to 50% of Eligible Expenses.

Hospice Care

Hospice care is an integrated program recommended by a Physician which provides comfort and support services for the terminally ill. Hospice care can be provided on an inpatient or outpatient basis and includes physical, psychological, social, spiritual and respite care for the terminally ill person, and short-term grief counseling for immediate family members while the Covered Person is receiving hospice care. Benefits are available only when hospice care is received from a licensed hospice agency, which can include a Hospital.

Please remember for Non-Network Benefits, you must notify the Claims Administrator five business days before admission for an Inpatient Stay in a hospice facility. If the Claims Administrator is not notified, Benefits will be reduced to 50% of Eligible Expenses.

In addition, for Non-Network Benefits, you must notify the Claims Administrator within 24 hours of admission for an Inpatient Stay in a hospice facility.

Hospital - Inpatient Stay

Hospital Benefits are available for:

- Non-Physician services and supplies received during an Inpatient Stay.
- Room and board in a Semi-private Room (a room with two or more beds).
- Physician services for radiologists, anesthesiologists, pathologists and Emergency room Physicians.

The Plan will pay the difference in cost between a Semi-private Room and a private room only if a private room is necessary according to generally accepted medical practice.

Benefits for an Inpatient Stay in a Hospital are available only when the Inpatient Stay is necessary to prevent, diagnose or treat a Sickness or Injury. Benefits for other Hospital-based Physician services are described in this section under Physician Fees for Surgical and Medical Services.

Benefits for Emergency admissions and admissions of less than 24 hours are described under Emergency Health Services and Surgery - Outpatient, Scopic Procedures - Outpatient Diagnostic and Therapeutic, and Therapeutic Treatments - Outpatient, respectively.
Please remember for Non-Network Benefits, you must notify the Claims Administrator as follows:

- For scheduled admissions: five business days before admission or as soon as reasonably possible.
- For non-scheduled admissions (including Emergency admissions): as soon as is reasonably possible.

If the Claims Administrator is not notified, Benefits will be reduced to 50% of Eligible Expenses.

In addition, for Non-Network Benefits, you must contact the Claims Administrator 24 hours before admission for scheduled admissions or as soon as is reasonably possible for non-scheduled admissions (including Emergency admissions).

**Kidney Resource Services (KRS)**

The Plan pays Benefits for Comprehensive Kidney Solution (CKS) that covers both chronic kidney disease and End Stage Renal Disease (ESRD) provided by Designated Provider participating in the Kidney Resource Services (KRS) program. Designated Provider is defined in Section 15, Glossary.

In order to receive Benefits under this program, KRS must provide the proper notification to the Network provider performing the services. This is true even if you self-refer to a Network provider participating in the program. Notification is required:

- Prior to vascular access placement for dialysis.
- Prior to any ESRD services.

You or your covered Dependent may:

- Be referred to KRS by the Claims Administrator or Personal Health Support; or
- Call KRS at 1-866-561-7518.

To receive Benefits related to ESRD and chronic kidney disease, you are not required to visit a Designated Provider. If you receive services from a facility that is not a Designated Provider, the Plan pays Benefits as described under:

- *Physician's Office Services - Sickness and Injury.*
- *Physician Fees for Surgical and Medical Services.*
- *Scopic Procedures - Outpatient Diagnostic and Therapeutic.*
- *Therapeutic Treatments - Outpatient.*
- *Hospital - Inpatient Stay.*
- *Surgery - Outpatient.*
To receive Benefits under the KRS program, you must contact KRS prior to obtaining Covered Health Services. The Plan will only pay Benefits under the KRS program if KRS provides the proper notification to the Designated Provider performing the services (even if you self-refer to a provider in that Network).

**Lab, X-Ray and Diagnostics - Outpatient**

Services for Sickness and Injury-related diagnostic purposes, received on an outpatient basis at a Hospital or Alternate Facility or in a Physician's office include:

- Lab and radiology/X-ray.
- Mammography.

Benefits under this section include:

- The facility charge and the charge for supplies and equipment.
- Physician services for radiologists, anesthesiologists and pathologists. (Benefits for other Physician services are described under Physician Fees for Surgical and Medical Services.)
- Presumptive Drug Tests and Definitive Drug Tests.

When these services are performed in a Physician's office, Benefits are described under *Physician's Office Services - Sickness and Injury* in this section.

Any combination of Network Benefits and Non-Network Benefits is limited to 18 Presumptive Drug Tests per calendar year.

Any combination of Network Benefits and Non-Network Benefits is limited to 18 Definitive Drug Tests per calendar year.

Benefits for other Physician services are described in this section under *Physician Fees for Surgical and Medical Services*. Lab, X-ray and diagnostic services for preventive care are described under *Preventive Care Services* in this section. CT scans, PET scans, MRI, MRA, nuclear medicine and major diagnostic services are described under *Lab, X-Ray and Major Diagnostics - CT, PET Scans, MRI, MRA and Nuclear Medicine - Outpatient* in this section.

For Non-Network Benefits for sleep studies you must notify the Claim Administrator five business days before scheduled services are received. If you fail to notify the Claims Administrator, Benefits will be reduced to 50% of Eligible Expenses.

**Lab, X-Ray and Major Diagnostics - CT, PET Scans, MRI, MRA and Nuclear Medicine - Outpatient**

Services for CT scans, PET scans, MRI, MRA, nuclear medicine, and major diagnostic services received on an outpatient basis at a Hospital or Alternate Facility or in a Physician's office.

Benefits under this section include:
■ The facility charge and the charge for supplies and equipment.

■ Physician services for radiologists, anesthesiologists and pathologists.

When these services are performed in a Physician's office, Benefits are described under *Physician's Office Services - Sickness and Injury* in this section. Benefits for other Physician services are described in this section under *Physician Fees for Surgical and Medical Services*.

**Mental Health Services**

Mental Health Services include those received on an inpatient or outpatient basis in a Hospital and an Alternate Facility or in a provider's office. All services must be provided by or under the direction of a properly qualified behavioral health provider.

Benefits include the following levels of care:

■ Inpatient treatment.

■ Residential Treatment.

■ Partial Hospitalization/Day Treatment.

■ Intensive Outpatient Treatment.

■ Outpatient treatment.

Inpatient treatment and Residential Treatment includes room and board in a Semi-private Room (a room with two or more beds).

Services include the following:

■ Diagnostic evaluations and assessment.

■ Treatment planning.

■ Treatment and/or procedures.

■ Medication management and other associated treatments.

■ Individual, family and group therapy.

■ Provider-based case management services.

■ Crisis intervention.

The Mental Health/Substance-Related and Addictive Disorders Administrator provides administrative services for all levels of care.

You are encouraged to contact the Mental Health/Substance-Related and Addictive Disorders Administrator for referrals to providers and coordination of care.

---

Please remember for Non-Network Benefits, you must notify the Claims Administrator to receive these Benefits. For a scheduled admission for Mental Health Services (including an admission for services at a Residential Treatment facility) you must provide notification five business days in advance of the admission or as soon as is reasonably possible for non-scheduled admissions (including Emergency admissions).
In addition, for Non-Network Benefits you must notify the Claims Administrator before the following services are received. Services requiring notification: Partial Hospitalization/Day Treatment; Intensive Outpatient Treatment programs; outpatient electro-convulsive treatment; psychological testing; transcranial magnetic stimulation; extended outpatient treatment visits, with or without medication management.

Please call the number that appears on your ID card. Without notification, Benefits will be reduced to 50% of Eligible Expenses.

**Neurobiological Disorders - Autism Spectrum Disorder Services**

The Plan pays Benefits for behavioral services for Autism Spectrum Disorder including Intensive Behavioral Therapies such as Applied Behavior Analysis (ABA) that are the following:

- Focused on the treatment of core deficits of Autism Spectrum Disorder.
- Provided by a Board Certified Applied Behavior Analyst (BCBA) or other qualified provider under the appropriate supervision.
- Focused on treating maladaptive/stereotypic behaviors that are posing danger to self, others and property and impairment in daily functioning.

These Benefits describe only the behavioral component of treatment for Autism Spectrum Disorder. Medical treatment of Autism Spectrum Disorder is a Covered Health Service for which Benefits are available under the applicable medical Covered Health Services categories as described in this section.

Benefits include the following levels of care:

- Inpatient treatment.
- Residential Treatment.
- Partial Hospitalization/Day Treatment.
- Intensive Outpatient Treatment.
- Outpatient treatment.

Inpatient treatment and Residential Treatment includes room and board in a Semi-private Room (a room with two or more beds).

Services include the following:

- Diagnostic evaluations and assessment.
- Treatment planning.
- Treatment and/or procedures.
- Medication management and other associated treatments.
- Individual, family and group therapy.
- Provider-based case management services.
- Crisis intervention.

The Mental Health/Substance-Related and Addictive Disorders Administrator provides administrative services for all levels of care.

You are encouraged to contact the Mental Health/Substance-Related and Addictive Disorders Administrator for referrals to providers and coordination of care.

---

Please remember for Non-Network Benefits, you must notify the Claims Administrator to receive these Benefits. Scheduled admission for Neurobiological Disorders – Autism Spectrum Disorder Services (including an admission for services at a Residential Treatment facility) you must provide advance notification five business days prior to the admission or as soon as is reasonably possible for non-scheduled admissions (including Emergency admissions).

In addition, for Non-Network Benefits you must provide notification before the following services are received: Partial Hospitalization/Day Treatment; Intensive Outpatient Treatment programs; psychological testing; extended outpatient treatment visits, with or without medication management.

Please call the phone number that appears on your ID card. Without notification, Benefits will be reduced to 50% of Eligible Expenses.

---

**Obesity Surgery**

The Plan covers surgical treatment of obesity provided by or under the direction of a Physician provided either of the following is true:

- You have a minimum Body Mass Index (BMI) of 40.
- You have a minimum BMI of 35 with complicating co-morbidities (such as sleep apnea or diabetes) directly related to, or exacerbated by obesity.

In addition to meeting the above criteria the following must also be true:

- You have documentation from a Physician of a diagnosis of morbid obesity for a minimum of one year.
- You are over the age of 18.
- You have completed a 6-month physician supervised weight loss program.

Benefits are available for obesity surgery services that meet the definition of a Covered Health Service, as defined in Section 14, *Glossary* and are not Experimental or Investigational or Unproven Services.

Medically appropriate weight loss exams are covered with a diagnosis of Morbid Obesity and have the following limits:

- 1 visit per week - 1st month
1 visit every 2 weeks - 2nd month
1 visit every 4 weeks - subsequent months.

Please remember for Non-Network Benefits, you must notify the Claims Administrator six months prior to surgery. If the Claims Administrator is not notified, Benefits will be reduced to 50% of Eligible Expenses.

In addition, for Non-Network Benefits, you must contact the Claims Administrator 24 hours before admission for scheduled admissions or as soon as is reasonably possible for non-scheduled admissions (including Emergency admissions).

Orthognathic Surgery
Benefits are available for orthognathic surgery. Some examples of orthognathic surgery may include, but are not limited to, reconstructive jaw surgery required for Covered Persons because of a Congenital Anomaly, acute traumatic injury, dislocations, tumors, cancer or obstructive sleep apnea.

Ostomy Supplies
Benefits for ostomy supplies are limited to:

- Pouches, face plates and belts.
- Irrigation sleeves, bags and ostomy irrigation catheters.
- Skin barriers.

Benefits are not available for deodorants, filters, lubricants, tape, appliance cleaners, adhesive, adhesive remover, or other items not listed above.

Pharmaceutical Products - Outpatient
The Plan pays for Pharmaceutical Products that are administered on an outpatient basis in a Hospital, Alternate Facility, Physician's office, or in a Covered Person's home. Examples of what would be included under this category are antibiotic injections in the Physician's office or inhaled medication in an Urgent Care Center for treatment of an asthma attack.

Benefits under this section are provided only for Pharmaceutical Products which, due to their characteristics (as determined by UnitedHealthcare), must typically be administered or directly supervised by a qualified provider or licensed/certified health professional. Depending on where the Pharmaceutical Product is administered, Benefits will be provided for administration of the Pharmaceutical Product under the corresponding Benefit category in this SPD.

If you require certain Pharmaceutical Products, including specialty Pharmaceutical Products, UnitedHealthcare may direct you to a designated dispensing entity with whom UnitedHealthcare has an arrangement to provide those Pharmaceutical Products. Such Dispensing Entities may include an outpatient pharmacy, specialty pharmacy, Home Health
Agency provider, Hospital-affiliated pharmacy or hemophilia treatment center contracted pharmacy.

If you/your provider are directed to a designated dispensing entity and you/your provider choose not to obtain your Pharmaceutical Product from a designated dispensing entity, Network Benefits are not available for that Pharmaceutical Product.

Certain Pharmaceutical Products are subject to step therapy requirements. This means that in order to receive Benefits for such Pharmaceutical Products, you must use a different Pharmaceutical Product and/or prescription drug product first. You may find out whether a particular Pharmaceutical Product is subject to step therapy requirements by contacting UnitedHealthcare at www.myuhc.com or by calling the telephone number on your ID card.

UnitedHealthcare may have certain programs in which you may receive an enhanced or reduced Benefit based on your actions such as adherence/compliance to medication or treatment regimens and/or participation in health management programs. You may access information on these programs through the Internet at www.myuhc.com or by calling the number on your ID card.

Physician Fees for Surgical and Medical Services

The Plan pays Physician fees for surgical procedures and other medical care received from a Physician in a Hospital, Skilled Nursing Facility, Inpatient Rehabilitation Facility, Alternate Facility or for Physician house calls.

Physician's Office Services - Sickness and Injury

Benefits are paid by the Plan for Covered Health Services provided in a Physician's office for the diagnosis and treatment of a Sickness or Injury. Benefits are provided under this section regardless of whether the Physician's office is free-standing, located in a clinic or located in a Hospital. Benefits under this section include allergy injections and hearing exams in case of Injury or Sickness.

Covered Health Services include medical education services that are provided in a Physician's office by appropriately licensed or registered healthcare professionals when both of the following are true:

- Education is required for a disease in which patient self-management is an important component of treatment.
- There exists a knowledge deficit regarding the disease which requires the intervention of a trained health professional.

Covered Health Services include genetic counseling. Benefits are available for Genetic Testing which is ordered by the Physician and authorized in advance by UnitedHealthcare.

Benefits for preventive services are described under Preventive Care Services in this section.

Benefits under this section include lab, radiology/X-ray or other diagnostic services performed in the Physician's office.
Please remember for Non-Network Benefits, you must notify the Claims Administrator as soon as is reasonably possible before Genetic Testing – BRCA is performed. If notification is not provided as required, Benefits will be reduced to 50% of Eligible Expenses.

Please Note
Your Physician does not have a copy of your SPD, and is not responsible for knowing or communicating your Benefits.

Pregnancy - Maternity Services
Benefits for Pregnancy will be paid at the same level as Benefits for any other condition, Sickness or Injury. This includes all maternity-related medical services for prenatal care, postnatal care, delivery, and any related complications.

The Plan will pay Benefits for an Inpatient Stay of at least:

- 48 hours for the mother and newborn child following a vaginal delivery.
- 96 hours for the mother and newborn child following a cesarean section delivery.

These are federally mandated requirements under the Newborns' and Mothers' Health Protection Act of 1996 which apply to this Plan. The Hospital or other provider is not required to get authorization for the time periods stated above. Authorizations are required for longer lengths of stay. If the mother agrees, the attending Physician may discharge the mother and/or the newborn child earlier than these minimum timeframes.

Both before and during a Pregnancy, Benefits include the services of a genetic counselor when provided or referred by a Physician. These Benefits are available to all Covered Persons in the immediate family. Covered Health Services include related tests and treatment.

Please remember for Non-Network Benefits, you must notify the Claims Administrator as soon as reasonably possible if the Inpatient Stay for the mother and/or the newborn will be longer than the timeframes indicated above. If the Claims Administrator is not notified, Benefits will be reduced to 50% of Eligible Expenses.

Healthy moms and babies
The Plan provides a special prenatal program to help during Pregnancy. Participation is voluntary and free of charge. See Section 7, Clinical Programs and Resources, for details.

Preventive Care Services
The Plan pays Benefits for in-network Preventive care services provided on an outpatient basis at a Physician's office, an Alternate Facility or a Hospital. Preventive care services encompass medical services that have been demonstrated by clinical evidence to be safe and effective in either the early detection of disease or in the prevention of disease, have been
proven to have a beneficial effect on health outcomes and include the following as required under applicable law:

- Evidence-based items or services that have in effect a rating of "A" or "B" in the current recommendations of the United States Preventive Services Task Force.
- Immunizations that have in effect a recommendation from the Advisory Committee on Immunization Practices of the Centers for Disease Control and Prevention.
- With respect to infants, children and adolescents, evidence-informed preventive care and screenings provided for in the comprehensive guidelines supported by the Health Resources and Services Administration.
- With respect to women, such additional preventive care and screenings as provided for in comprehensive guidelines supported by the Health Resources and Services Administration.

Preventive care Benefits defined under the Health Resources and Services Administration (HRSA) requirement include the cost of renting one breast pump per Pregnancy in conjunction with childbirth. Breast pumps must be ordered by or provided by a Physician. You can obtain additional information on how to access Benefits for breast pumps by going to www.myuhc.com or by calling the number on your ID card. Benefits for breast pumps also include the cost of purchasing one breast pump per Pregnancy in conjunction with childbirth. These Benefits are described under Section 5, Plan Highlights, under Covered Health Services.

If more than one breast pump can meet your needs, Benefits are available only for the most cost effective pump. UnitedHealthcare will determine the following:

- Which pump is the most cost effective.
- Whether the pump should be purchased or rented.
- Duration of a rental.
- Timing of an acquisition.

Benefits are only available if breast pumps are obtained from a DME provider or Physician. Zoster vaccines are covered for the prevention of herpes in adults 50 years and older.

For questions about your preventive care Benefits under this Plan call the number on the back of your ID card.

**Prosthetic Devices**

Benefits are paid by the Plan for external prosthetic devices that replace a limb or body part limited to:

- Artificial arms, legs, feet and hands.
- Artificial face, eyes, ears and noses.
- Breast prosthesis as required by the Women's Health and Cancer Rights Act of 1998. Benefits include mastectomy bras and lymphedema stockings for the arm.
Benefits under this section are provided only for external prosthetic devices and do not include any device that is fully implanted into the body.

If more than one prosthetic device can meet your functional needs, Benefits are available only for the prosthetic device that meets the minimum specifications for your needs. The device must be ordered or provided either by a Physician, or under a Physician's direction. If you purchase a prosthetic device that exceeds these minimum specifications, the Plan will pay only the amount that it would have paid for the prosthetic that meets the minimum specifications, and you may be responsible for paying any difference in cost.

Benefits are available for repairs and replacement, except that:

- There are no Benefits for repairs due to misuse, malicious damage or gross neglect.
- There are no Benefits for replacement due to misuse, malicious damage, gross neglect or for lost or stolen prosthetic devices.

**Note:** Prosthetic devices are different from DME - see *Durable Medical Equipment (DME)* in this section.

For Non-Network Benefits, you must notify the Claims Administrator before obtaining prosthetic devices that exceed $1,000 in cost per device. If the Claims Administrator is not notified, Benefits will be reduced to 50% of Eligible Expenses.

**Reconstructive Procedures**

Reconstructive procedures are services performed when the primary purpose of the procedure is either to treat a medical condition or to improve or restore physiologic function for an organ or body part. Reconstructive procedures include surgery or other procedures which are associated with an Injury, Sickness or Congenital Anomaly. The primary result of the procedure is not a changed or improved physical appearance.

Improving or restoring physiologic function means that the organ or body part is made to work better. An example of a reconstructive procedure is surgery on the inside of the nose so that a person's breathing can be improved or restored.

Benefits for reconstructive procedures include breast reconstruction following a mastectomy and reconstruction of the non-affected breast to achieve symmetry. Replacement of an existing breast implant is covered by the Plan if the initial breast implant followed mastectomy. Other services required by the *Women’s Health and Cancer Rights Act of 1998*, including breast prostheses and treatment of complications, are provided in the same manner and at the same level as those for any other Covered Health Service. You can contact UnitedHealthcare at the number on your ID card for more information about Benefits for mastectomy-related services.

There may be times when the primary purpose of a procedure is to make a body part work better. However, in other situations, the purpose of the same procedure is to improve the appearance of a body part. Cosmetic Procedures are excluded from coverage. Procedures that correct an anatomical Congenital Anomaly without improving or restoring physiologic
function are considered Cosmetic Procedures. A good example is upper eyelid surgery. At times, this procedure will be done to improve vision, which is considered a reconstructive procedure. In other cases, improvement in appearance is the primary intended purpose, which is considered a Cosmetic Procedure. This Plan does not provide Benefits for Cosmetic Procedures, as defined in Section 14, Glossary.

The fact that a Covered Person may suffer psychological consequences or socially avoidant behavior as a result of an Injury, Sickness or Congenital Anomaly does not classify surgery (or other procedures done to relieve such consequences or behavior) as a reconstructive procedure.

Please remember that for Non-Network Benefits, you must notify the Claims Administrator five business days before a scheduled reconstructive procedure is performed or, for non-scheduled procedures, within one business day or as soon as reasonably possible. When you provide notification the Claims Administrator can determine whether the service is considered reconstructive or cosmetic. Cosmetic Procedures are always excluded from coverage. If the Claims Administrator is not notified, Benefits will be reduced to 50% of Eligible Expenses.

In addition, for Non-Network Benefits, you must contact the Claims Administrator 24 hours before admission for scheduled admissions or as soon as is reasonably possible for non-scheduled admissions (including Emergency admissions).

**Rehabilitation Services - Outpatient Therapy and Manipulative Treatment**

The Plan provides short-term outpatient rehabilitation services (including habilitative services) limited to:

- Physical therapy.
- Occupational therapy.
- Manipulative Treatment.
- Speech therapy.
- Post-cochlear implant aural therapy.
- Vision therapy.
- Cognitive rehabilitation therapy following a post-traumatic brain injury or cerebral vascular accident.
- Pulmonary rehabilitation.
- Cardiac rehabilitation.

For all rehabilitation services, a licensed therapy provider, under the direction of a Physician (when required by state law), must perform the services. Benefits under this section include rehabilitation services provided in a Physician's office or on an outpatient basis at a Hospital or Alternate Facility. Rehabilitative services provided in a Covered Person's home by a Home Health Agency are provided as described under Home Health Care. Rehabilitative
services provided in a Covered Person’s home other than by a Home Health Agency are provided as described under this section.

Benefits can be denied or shortened for Covered Persons who are not progressing in goal-directed rehabilitation services or if rehabilitation goals have previously been met. Benefits can be denied or shortened for Covered Persons who are not progressing in goal-directed Manipulative Treatment or if treatment goals have previously been met. Benefits under this section are not available for maintenance/preventive Manipulative Treatment.

**Habilitative Services**

For the purpose of this Benefit, "habilitative services" means Covered Health Services that help a person keep, learn or improve skills and functioning for daily living. Habilitative services are skilled when all of the following are true:

- The services are part of a prescribed plan of treatment or maintenance program that is provided to maintain a Covered Person’s current condition or to prevent or slow further decline.
- It is ordered by a Physician and provided and administered by a licensed provider.
- It is not delivered for the purpose of assisting with activities of daily living, including dressing, feeding, bathing or transferring from a bed to a chair.
- It requires clinical training in order to be delivered safely and effectively.
- It is not Custodial Care.

The Claims Administrator will determine if Benefits are available by reviewing both the skilled nature of the service and the need for Physician-directed medical management. Therapies provided for the purpose of general well-being or conditioning in the absence of a disabling condition are not considered habilitative services. A service will not be determined to be "skilled" simply because there is not an available caregiver.

Benefits are provided for habilitative services provided on an outpatient basis for Covered Persons with a disabling condition when both of the following conditions are met:

- The treatment is administered by a licensed speech-language pathologist, licensed audiologist, licensed occupational therapist, licensed physical therapist or Physician
- The initial or continued treatment must be proven and not Experimental or Investigational.

Benefits for habilitative services do not apply to those services that are solely educational in nature or otherwise paid under state or federal law for purely educational services. Custodial Care, respite care, day care, therapeutic recreation, vocational training and Residential Treatment are not habilitative services. A service that does not help the Covered Person to meet functional goals in a treatment plan within a prescribed time frame is not a habilitative service. When the Covered Person reaches his/her maximum level of improvement or does not demonstrate continued progress under a treatment plan, a service that was previously habilitative is no longer habilitative.
The Plan may require that a treatment plan be provided, request medical records, clinical notes, or other necessary data to allow the Plan to substantiate that initial or continued medical treatment is needed and that the Covered Person's condition is clinically improving as a result of the habilitative service. When the treating provider anticipates that continued treatment is or will be required to permit the Covered Person to achieve demonstrable progress, the Plan may request a treatment plan consisting of diagnosis, proposed treatment by type, frequency, anticipated duration of treatment, the anticipated goals of treatment, and how frequently the treatment plan will be updated.

Benefits for Durable Medical Equipment and prosthetic devices, when used as a component of habilitative services, are described under *Durable Medical Equipment* and *Prosthetic Devices* in this section.

Other than as described under Habilitative Services above, please note that the Plan will pay Benefits for speech therapy for the treatment of disorders of speech, language, voice, communication and auditory processing only when the disorder results from Injury, stroke, cancer, Congenital Anomaly, or autism spectrum disorder.

Any combination of Network and Non-Network Benefits is limited as follows:

- Occupational, Physical and Chiropractic/Manipulation Therapies have 30 combined visits. Cognitive therapy is covered when the treatment is following a traumatic brain injury or cerebral vascular accident and is covered under Occupational Therapy.

- Speech Therapy Services have no visit limit once diagnosis of Injury, Stroke, or Congenital Anomaly is established as a covered benefit. Speech therapy except as required to diagnose or treat speech and hearing disorders which result from an accident or illness are not covered by the Plan.

- Pulmonary and Cardiac Rehabilitation, Orthoptic Therapy and Post Cochlear Implant Aural Services have no visit limit once diagnosis is established as a covered benefit.

**Scopic Procedures - Outpatient Diagnostic and Therapeutic**

The Plan pays for diagnostic and therapeutic scopic procedures and related services received on an outpatient basis at a Hospital or Alternate Facility or in a Physician's office.

Diagnostic scopic procedures are those for visualization, biopsy and polyp removal. Examples of diagnostic scopic procedures include colonoscopy, sigmoidoscopy, and endoscopy.

Benefits under this section include:

- The facility charge and the charge for supplies and equipment.

- Physician services for radiologists, anesthesiologists and pathologists.

When these services are performed in a Physician's office, Benefits are described under *Physician's Office Services - Sickness and Injury* in this section. Benefits for other Physician services are described in this section under *Physician Fees for Surgical and Medical Services.*
Please note that Benefits under this section do not include surgical scopic procedures, which are for the purpose of performing surgery. Benefits for surgical scopic procedures are described under *Surgery - Outpatient*. Examples of surgical scopic procedures include arthroscopy, laparoscopy, bronchoscopy, hysteroscopy.

When these services are performed for preventive screening purposes, Benefits are described in this section under *Preventive Care Services*.

**Skilled Nursing Facility/Inpatient Rehabilitation Facility Services**

Facility services for an Inpatient Stay in a Skilled Nursing Facility or Inpatient Rehabilitation Facility are covered by the Plan. Benefits include:

- Supplies and non-Physician services received during the Inpatient Stay.
- Room and board in a Semi-private Room (a room with two or more beds).
- Physician services for radiologists, anesthesiologists and pathologists.

Benefits are available when skilled nursing and/or Inpatient Rehabilitation Facility services are needed on a daily basis. Benefits are also available in a Skilled Nursing Facility or Inpatient Rehabilitation Facility for treatment of a Sickness or Injury that would have otherwise required an Inpatient Stay in a Hospital.

Benefits for other Physician services are described in this section under *Physician Fees for Surgical and Medical Services*.

UnitedHealthcare will determine if Benefits are available by reviewing both the skilled nature of the service and the need for Physician-directed medical management. A service will not be determined to be "skilled" simply because there is not an available caregiver.

Benefits are available only if both of the following are true:

- The initial confinement in a Skilled Nursing Facility or Inpatient Rehabilitation Facility was or will be a Cost Effective alternative to an Inpatient Stay in a Hospital.
- You will receive skilled care services that are not primarily Custodial Care.

Skilled care is skilled nursing, skilled teaching, and skilled rehabilitation services when all of the following are true:

- It must be delivered or supervised by licensed technical or professional medical personnel in order to obtain the specified medical outcome, and provide for the safety of the patient.
- It is ordered by a Physician.
- It is not delivered for the purpose of assisting with activities of daily living, including dressing, feeding, bathing or transferring from a bed to a chair.
- It requires clinical training in order to be delivered safely and effectively.
You are expected to improve to a predictable level of recovery. Benefits can be denied or shortened for Covered Persons who are not progressing in goal-directed rehabilitation services or if discharge rehabilitation goals have previously been met.

**Note:** The Plan does not pay Benefits for Custodial Care or Domiciliary Care, even if ordered by a Physician, as defined in Section 14, *Glossary.*

Please remember for Non-Network Benefits, you must notify the Claims Administrator as follows:
- For a scheduled admission: five business days before admission.
- For non-scheduled admissions: within 48 hours or as soon as is reasonably possible.

If the Claims Administrator is not notified, Benefits will be reduced to 50% of Eligible Expenses.

In addition, for Non-Network Benefits, you must contact the Claims Administrator 24 hours before admission for scheduled admissions or as soon as is reasonably possible for non-scheduled admissions (including Emergency admissions).

**Substance-Related and Addictive Disorders Services**

Substance-Related and Addictive Disorders Services include those received on an inpatient or outpatient basis in a Hospital or an Alternate Facility or in a provider's office. All services must be provided by or under the direction of a properly qualified behavioral health provider.

Benefits include the following levels of care:

- Inpatient treatment.
- Residential Treatment.
- Partial Hospitalization/Day Treatment.
- Intensive Outpatient Treatment.
- Outpatient treatment.

Inpatient treatment and Residential Treatment includes room and board in a Semi-private Room (a room with two or more beds).

Services include the following:

- Diagnostic evaluations and assessment.
- Treatment planning.
- Treatment and/or procedures.
- Medication management.
- Individual, family and group therapy.
- Provider-based case management.
Crisis intervention.

The Mental Health/Substance-Related and Addictive Disorders Administrator provides administrative services for all levels of care.

You are encouraged to contact the Mental Health/Substance-Related and Addictive Disorders Administrator for referrals to providers and coordination of care.

Please remember for Non-Network Benefits, you must notify the Claims Administrator for these Benefits. A scheduled admission for Substance-Related and Addictive Disorder Services (including an admission for services at a Residential Treatment facility) you must provide notification five business days in advance of the admission or as soon as is reasonably possible for non-scheduled admissions (including Emergency admissions).

In addition, for Non-Network Benefits you must provide notification before the following services are received. Services requiring advance notification: Partial Hospitalization/Day Treatment; Intensive Outpatient Treatment programs; psychological testing; extended outpatient treatment visits, with or without medication management; medication assisted treatment programs for substance-related and addictive disorders.

Please call the phone number that appears on your ID card. Without notification, Benefits will be reduced to 50% of Eligible Expenses.

Surgery - Outpatient

The Plan pays for surgery and related services received on an outpatient basis at a Hospital or Alternate Facility or in a Physician's office.

Benefits under this section include certain scopic procedures. Examples of surgical scopic procedures include arthroscopy, laparoscopy, bronchoscopy and hysteroscopy.

Examples of surgical procedures performed in a Physician's office are mole removal and ear wax removal.

Benefits under this section include:

- The facility charge and the charge for supplies and equipment.

- Physician services for radiologists, anesthesiologists and pathologists. Benefits for other Physician services are described in this section under Physician Fees for Surgical and Medical Services.

When these services are performed in a Physician's office, Benefits are described under Physician's Office Services - Sickness and Injury in this section.
For Non-Network Benefits for vein procedures, sleep apnea surgeries and orthognathic surgeries you must notify the Claims Administrator five business days before scheduled services are received or for non-scheduled services, within 48 hours or as soon as is reasonably possible. If you fail to notify the Claims Administrator as required, Benefits will be reduced to 50% of Eligible Expenses.

Oral appliances are **not** covered except for certain appliances for a sleep apnea diagnosis.

**Temporomandibular Joint (TMJ) Services**

The Plan covers Services for the evaluation and treatment of temporomandibular joint syndrome (TMJ) and associated muscles.

**Diagnosis:** Examination, radiographs and applicable imaging studies and consultation.

Non-surgical treatment including clinical examinations, oral appliances (orthotic splints), arthrocentesis and trigger-point injections.

Benefits are provided for surgical treatment if the following criteria are met:

- There is clearly demonstrated radiographic evidence of significant joint abnormality.
- Non-surgical treatment has failed to adequately resolve the symptoms.
- Pain or dysfunction is moderate or severe.

Benefits for surgical services include arthrocentesis, arthroscopy, arthroplasty, arthrotomy, open or closed reduction of dislocations.

Benefits for an Inpatient Stay in a Hospital and Hospital-based Physician services are described in this section under **Hospital - Inpatient Stay** and **Physician Fees for Surgical and Medical Services**, respectively.

**Therapeutic Treatments - Outpatient**

The Plan pays Benefits for therapeutic treatments received on an outpatient basis at a Hospital or Alternate Facility or in a Physician's office, including dialysis (both hemodialysis and peritoneal dialysis), intravenous chemotherapy or other intravenous infusion therapy and radiation oncology.

Covered Health Services include medical education services that are provided on an outpatient basis at a Hospital or Alternate Facility by appropriately licensed or registered healthcare professionals when:

- Education is required for a disease in which patient self-management is an important component of treatment.
- There exists a knowledge deficit regarding the disease which requires the intervention of a trained health professional.

Benefits under this section include:
- The facility charge and the charge for related supplies and equipment.
- Physician services for anesthesiologists, pathologists and radiologists. Benefits for other Physician services are described in this section under *Physician Fees for Surgical and Medical Services*.

When these services are performed in a Physician's office, Benefits are described under *Physician's Office Services*.

---

Please remember for Non-Network Benefits, you must notify the Claims Administrator for the following outpatient therapeutics five business days before scheduled services are received or, for non-scheduled services, within one business day or as soon as reasonably possible. Services that require prior authorization: dialysis, IV infusion, radiation oncology, intensity modulated radiation therapy and MR-guided focused ultrasound. If the Claims Administrator is not notified, Benefits will be reduced to 50% of Eligible Expenses.

---

**Transplantation Services**

Organ and tissue transplants including CAR-T cell therapy for malignancies when ordered by a Physician. Benefits are available for transplants when the transplant meets the definition of a Covered Health Service, and is not an Experimental or Investigational or Unproven Service.

Examples of transplants for which Benefits are available include bone marrow including CAR-T cell therapy for malignancies, heart, heart/lung, lung, kidney, kidney/pancreas, liver, liver/small bowel, pancreas, small bowel and cornea.

Benefits are available to the donor and the recipient when the recipient is covered under this Plan. Donor costs that are directly related to organ removal or procurement are Covered Health Services for which Benefits are payable through the organ recipient's coverage under the Plan.

The Claims Administrator has specific guidelines regarding Benefits for transplant services. Contact the Claims Administrator at the number on your ID card for information about these guidelines.

Transplantation services including evaluation for transplant, organ procurement and donor searches and transplantation procedures may be received by a Designated Provider, Network facility or a non-Network facility.

Benefits are also available for cornea transplants. You are not required to notify the Claims Administrator or Personal Health Support of a cornea transplant.

For Network Benefits, you must notify the Claims Administrator as soon as the possibility of a transplant arises (and before the time a pre-transplantation evaluation is performed at a transplant center).
For Non-Network Benefits, if the Claims Administrator is not notified, Benefits will be reduced to 50% of Eligible Expenses.

In addition, for Non-Network Benefits, you must contact the Claims Administrator 24 hours before admission for scheduled admissions or as soon as is reasonably possible for non-scheduled admissions (including Emergency admissions).

**Support in the event of serious illness**
If you or a covered family member needs an organ or bone marrow transplant, UnitedHealthcare can put you in touch with quality treatment centers around the country.

**Urgent Care Center Services**
The Plan provides Benefits for services, including professional services, received at an Urgent Care Center, as defined in Section 14, Glossary. When Urgent Care services are provided in a Physician's office, the Plan pays Benefits as described under *Physician's Office Services - Sickness and Injury*.

**Virtual Visits**
Virtual visits for Covered Health Services that include the diagnosis and treatment of low acuity medical conditions for Covered Persons, through the use of interactive audio and video telecommunication and transmissions, and audio-visual communication technology. Virtual visits provide communication of medical information in real-time between the patient and a distant Physician or health care specialist, through use of interactive audio and video communications equipment outside of a medical facility (for example, from home or from work).

Benefits are available only when services are delivered through a Designated Virtual Network Provider. You can find a Designated Virtual Network Provider by going to [www.myuhc.com](http://www.myuhc.com) or by calling the telephone number on your ID card.

**Please Note:** Not all medical conditions can be appropriately treated through virtual visits. The Designated Virtual Network Provider will identify any condition for which treatment by in-person Physician contact is necessary.

Benefits under this section do not include email, or fax and standard telephone calls, or for telehealth/telemedicine visits that occur within medical facilities (*CMS defined originating facilities*).

**Wisdom Teeth**
The Plan provides Benefits for extraction of impacted wisdom teeth only.
SECTION 7 - CLINICAL PROGRAMS AND RESOURCES

What this section includes:
Health and well-being resources available to you, including:
- Consumer Solutions and Self-Service Tools.
- Disease and Condition Management Services.
- Wellness Programs.

City of Columbus believes in giving you the tools you need to be an educated health care consumer. To that end, City of Columbus has made available several convenient educational and support services, accessible by phone and the Internet, which can help you to:

- take care of yourself and your family members;
- manage a chronic health condition; and
- navigate the complexities of the health care system.

NOTE:
Information obtained through the services identified in this section is based on current medical literature and on Physician review. It is not intended to replace the advice of a doctor. The information is intended to help you make better health care decisions and take a greater responsibility for your own health. UnitedHealthcare and City of Columbus are not responsible for the results of your decisions from the use of the information, including, but not limited to, your choosing to seek or not to seek professional medical care, or your choosing or not choosing specific treatment based on the text.

Consumer Solutions and Self-Service Tools

Health Survey
You and your Spouse are invited to learn more about your health and wellness at www.myuhc.com and are encouraged to participate in the online health survey. The health survey is an interactive questionnaire designed to help you identify your healthy habits as well as potential health risks.

Your health survey is kept confidential. Completing the survey will not impact your Benefits or eligibility for Benefits in any way.

To find the health survey, log in to www.myuhc.com. After logging in, access your personalized Health & Wellness page. If you need any assistance with the online survey, please call the number on the back of your ID card.

Health Improvement Plan
You can start a Health Improvement Plan at any time. This plan is created just for you and includes information and interactive tools, plus online health coaching recommendations based on your profile.

Online coaching is available for:
■ nutrition;
■ exercise;
■ weight management;
■ stress;
■ smoking cessation;
■ diabetes; and
■ heart health.

To help keep you on track with your Health Improvement Plan and online coaching, you'll also receive personalized messages and reminders - City of Columbus's way of helping you meet your health and wellness goals.

**NurseLine℠**

NurseLine℠ is a telephone service that puts you in immediate contact with an experienced registered nurse any time, 24 hours a day, seven days a week. Nurses can provide health information for routine or urgent health concerns. When you call, a registered nurse may refer you to any additional resources that City of Columbus has available to help you improve your health and well-being or manage a chronic condition. Call any time when you want to learn more about:

■ a recent diagnosis;
■ a minor Sickness or Injury;
■ men's, women's, and children's wellness;
■ self-care tips and treatment options;
■ healthy living habits; or
■ any other health related topic.

NurseLine℠ gives you another convenient way to access health information. By calling the same number, you can listen to one of the Health Information Library's over 1,100 recorded messages, with over half in Spanish.

NurseLine℠ is available to you at no cost. To use this convenient service, simply call the number on the back of your ID card.

**Note:** If you have a medical emergency, call 911 instead of calling NurseLine℠.

---

**Your child is running a fever and it's 1:00 AM. What do you do?**

Call NurseLine℠ any time, 24 hours a day, seven days a week. You can count on NurseLine℠ to help answer your health questions.

With NurseLine℠, you also have access to nurses online. To use this service, log onto [www.myuhc.com](http://www.myuhc.com) and click "Live Nurse Chat" in the top menu bar. You'll instantly be connected with a registered nurse who can answer your general health questions any time, 24
hours a day, seven days a week. You can also request an e-mailed transcript of the conversation to use as a reference.

*Note:* If you have a medical emergency, call 911 instead of logging onto [www.myuhc.com](http://www.myuhc.com).

*Treatment Decision Support*

In order to help you make informed decisions about your health care, UnitedHealthcare has a program called Treatment Decision Support. This program targets specific conditions as well as the treatments and procedures for those conditions.

This program offers:

- access to accurate, objective and relevant health care information;
- coaching by a nurse through decisions in your treatment and care;
- expectations of treatment; and
- information on high quality providers and programs.

Conditions for which this program is available include:

- back pain;
- knee & hip replacement;
- prostate disease;
- prostate cancer;
- benign uterine conditions;
- breast cancer;
- coronary disease and
- bariatric surgery.

Participation is completely voluntary and without extra charge. If you think you may be eligible to participate or would like additional information regarding the program, please contact the number on the back of your ID card.

*UnitedHealth Premium® Program*

To help people make more informed choices about their health care, the UnitedHealth Premium® program recognizes Network Physicians who meet standards for quality and cost efficiency. UnitedHealthcare uses evidence-based medicine and national industry guidelines to evaluate quality. The cost efficiency standards rely on local market benchmarks for the efficient use of resources in providing care.

For details on the UnitedHealth Premium® Program including how to locate a UnitedHealth Premium Physician, log onto [www.myuhc.com](http://www.myuhc.com) or call the number on your ID card.
www.myuhc.com
UnitedHealthcare's member website, www.myuhc.com, provides information at your fingertips anywhere and anytime you have access to the Internet. www.myuhc.com opens the door to a wealth of health information and convenient self-service tools to meet your needs.

With www.myuhc.com you can:

- receive personalized messages that are posted to your own website;
- research a health condition and treatment options to get ready for a discussion with your Physician;
- search for Network providers available in your Plan through the online provider directory;
- access all of the content and wellness topics from NurseLineSM including Live Nurse Chat 24 hours a day, seven days a week;
- complete a health risk assessment to identify health habits you can improve, learn about healthy lifestyle techniques and access health improvement resources;
- use the treatment cost estimator to obtain an estimate of the costs of various procedures in your area; and
- use the Hospital comparison tool to compare Hospitals in your area on various patient safety and quality measures.

Registering on www.myuhc.com
If you have not already registered as a www.myuhc.com subscriber, simply go to www.myuhc.com and click on "Register Now." Have your ID card handy. The enrollment process is quick and easy.

Visit www.myuhc.com and:

- make real-time inquiries into the status and history of your claims;
- view eligibility and Plan Benefit information, including Copays and Annual Deductibles;
- view and print all of your Explanation of Benefits (EOBs) online; and
- order a new or replacement ID card or print a temporary ID card.

Want to learn more about a condition or treatment?
Log on to www.myuhc.com and research health topics that are of interest to you. Learn about a specific condition, what the symptoms are, how it is diagnosed, how common it is, and what to ask your Physician.

Disease and Condition Management Services

Disease Management Services
If you have been diagnosed with or are at risk for developing certain chronic medical conditions you may be eligible to participate in a disease management program at no cost to
you. The heart failure, coronary artery disease, diabetes and asthma programs are designed to support you. This means that you will receive free educational information through the mail, and may even be called by a registered nurse who is a specialist in your specific medical condition. This nurse will be a resource to advise and help you manage your condition.

These programs offer:

- educational materials mailed to your home that provide guidance on managing your specific chronic medical condition. This may include information on symptoms, warning signs, self-management techniques, recommended exams and medications;
- access to educational and self-management resources on a consumer website;
- an opportunity for the disease management nurse to work with your Physician to ensure that you are receiving the appropriate care; and
- access to and one-on-one support from a registered nurse who specializes in your condition. Examples of support topics include:
  - education about the specific disease and condition;
  - medication management and compliance;
  - reinforcement of on-line behavior modification program goals;
  - preparation and support for upcoming Physician visits;
  - review of psychosocial services and community resources;
  - caregiver status and in-home safety;
  - use of mail-order pharmacy and Network providers.

Participation is completely voluntary and without extra charge. If you think you may be eligible to participate or would like additional information regarding the program, please contact the number on the back of your ID card.

*HealtheNotes℠*

UnitedHealthcare provides a service called HealtheNotes℠ to help educate members and make suggestions regarding your medical care. HealtheNotes℠ provides you and your Physician with suggestions regarding preventive care, testing or medications, potential interactions with medications you have been prescribed, and certain treatments. In addition, your HealtheNotes℠ report may include health tips and other wellness information.

UnitedHealthcare makes these suggestions through a software program that provides retrospective, claims-based identification of medical care. Through this process patients are identified whose care may benefit from suggestions using the established standards of evidence based medicine as described in Section 14, *Glossary* under the definition of Covered Health Services.

If your Physician identifies any concerns after reviewing his or her HealtheNotes℠ report, he or she may contact you if he or she believes it to be appropriate. In addition, you may use the information in your report to engage your Physician in discussions regarding your health and the identified suggestions. Any decisions regarding your care, though, are always between you and your Physician.
If you have questions or would like additional information about this service, please call the number on the back of your ID card.

Wellness Programs

*Healthy Pregnancy Program*

If you are pregnant and enrolled in the medical Plan, you can get valuable educational information and advice by calling the number on your ID card. This program offers:

- pregnancy consultation to identify special needs;
- written and on-line educational materials and resources;
- 24-hour access to experienced maternity nurses;
- a phone call from a care coordinator during your Pregnancy, to see how things are going; and
- a phone call from a care coordinator approximately four weeks postpartum to give you information on infant care, feeding, nutrition, immunizations and more.

Participation is completely voluntary and without extra charge. To take full advantage of the program, you are encouraged to enroll within the first 12 weeks of Pregnancy. You can enroll any time, up to your 34th week. To enroll, call the number on the back of your ID card.

As a program participant, you can call any time, 24 hours a day, seven days a week, with any questions or concerns you might have.
SECTION 8 - EXCLUSIONS AND LIMITATIONS: WHAT THE MEDICAL PLAN WILL NOT COVER

What this section includes:
- Services, supplies and treatments that are not Covered Health Services, except as may be specifically provided for in Section 6, Additional Coverage Details.

The Plan does not pay Benefits for the following services, treatments or supplies even if they are recommended or prescribed by a provider or are the only available treatment for your condition.

When Benefits are limited within any of the Covered Health Services categories described in Section 6, Additional Coverage Details, those limits are stated in the corresponding Covered Health Service category in Section 5, Plan Highlights. Limits may also apply to some Covered Health Services that fall under more than one Covered Health Service category. When this occurs, those limits are also stated in Section 5, Plan Highlights. Please review all limits carefully, as the Plan will not pay Benefits for any of the services, treatments, items or supplies that exceed these benefit limits.

Please note that in listing services or examples, when the SPD says "this includes," or "including but not limiting to", it is not UnitedHealthcare's intent to limit the description to that specific list. When the Plan does intend to limit a list of services or examples, the SPD specifically states that the list "is limited to."

Alternative Treatments
1. Acupressure and acupuncture.
2. Aromatherapy.
3. Hypnotism.
4. Massage therapy.
5. Rolfing.
6. Art therapy, music therapy, dance therapy, horseback therapy and other forms of alternative treatment as defined by the National Center for Complementary and Alternative Medicine (NCCAM) of the National Institutes of Health. This exclusion does not apply to Manipulative Treatment and non-manipulative osteopathic care for which Benefits are provided as described in Section 6, Additional Coverage Details.

Dental
1. Dental care (which includes dental X-rays, supplies and appliances and all associated expenses, including hospitalizations and anesthesia.)
This exclusion does not apply to accident-related dental services for which Benefits are provided as described under *Dental Services - Accident Only* in Section 6, *Additional Coverage Details*.

This exclusion does not apply to dental anesthesia for which Benefits are provided as described under *Dental Surgical Procedures* in Section 6, *Additional Coverage Details*.

This exclusion does not apply to dental care (oral examination, X-rays, extractions and non-surgical elimination of oral infection) required for the direct treatment of a medical condition for which Benefits are available under the Plan, limited to:

- Transplant preparation.
- Prior to the initiation of immunosuppressives drugs.
- The direct treatment of acute traumatic Injury, cancer or cleft palate.

Dental care that is required to treat the effects of a medical condition, but that is not necessary to directly treat the medical condition, is excluded. Examples include treatment of dental caries resulting from dry mouth after radiation treatment or as a result of medication.

Endodontics, periodontal surgery and restorative treatment are excluded.

2. Preventive care, diagnosis, treatment of or related to the teeth, jawbones or gums. Examples include:

- Extractions, restoration and replacement of teeth. This exclusion does not apply to removal of wisdom teeth.
- Medical or surgical treatments of dental conditions.
- Services to improve dental clinical outcomes.

This exclusion does not apply to preventive care for which Benefits are provided under the *United States Preventive Services Task Force* requirement or the *Health Resources and Services Administration (HRSA)* requirement. This exclusion also does not apply to accident-related dental services for which Benefits are provided as described under *Dental Services - Accident Only* in Section 6, *Additional Coverage Details*.

3. Dental implants, bone grafts, and other implant-related procedures.

This exclusion does not apply to accident-related dental services for which Benefits are provided as described under *Dental Services - Accident Only* in Section 6, *Additional Coverage Details*.

4. Dental braces (orthodontics).

5. Treatment of congenitally missing, malpositioned or supernumerary (extra) teeth, even if part of a Congenital Anomaly.

**Devices, Appliances and Prosthetics**

1. Devices used specifically as safety items or to affect performance in sports-related activities.
2. Orthotic appliances and devices that straighten or re-shape a body part, except as described under *Durable Medical Equipment (DME)* in Section 6, *Additional Coverage Details*.

Examples of excluded orthotic appliances and devices include but are not limited to some type of braces, including orthotic braces available over-the-counter. This exclusion does not include diabetic footwear which may be covered for a Covered Person with diabetic foot disease. This exclusion does not include orthotics as described under *Durable Medical Equipment (DME)* in Section 6, *Additional Coverage Details*.

3. Cranial molding helmets and cranial banding except when used to avoid the need for surgery, and/or to facilitate a successful surgical outcome.

4. The following items are excluded, even if prescribed by a Physician:
   - Blood pressure cuff/monitor.
   - Enuresis alarm.
   - Non-wearable external defibrillator.
   - Trusses.
   - Ultrasonic nebulizers.

5. The repair and replacement of prosthetic devices when damaged due to misuse, malicious breakage or gross neglect.

6. The replacement of lost or stolen prosthetic devices.

7. Devices and computers to assist in communication and speech except for speech aid devices and tracheo-esophageal voice devices for which Benefits are provided as described under *Durable Medical Equipment* in Section 6, *Additional Coverage Details*.

8. Oral appliances except for sleep apnea as described under *Surgery – Outpatient* in Section 6 *Additional Coverage Details*.

**Drugs**

The exclusions listed below apply to the medical portion of the Plan only.

1. Prescription Drug Products for outpatient use that are filled by a prescription order or refill.

2. Self-injectable medications. This exclusion does not apply to medications which, due to their characteristics, (as determined by UnitedHealthcare, must typically be administered or directly supervised by a qualified provider or licensed/certified health professional in an outpatient setting).

3. Non-injectable medications given in a Physician's office. This exclusion does not apply to non-injectable medications that are required in an Emergency and consumed in the Physician's office.
4. Over-the-counter drugs and treatments.

5. Growth hormone therapy.

6. Certain New Pharmaceutical Products and/or new dosage forms until the date as determined by the Claims Administrator or the Claims Administrator’s designee, but no later than December 31st of the following calendar year.

This exclusion does not apply if you have a life-threatening Sickness or condition (one that is likely to cause death within one year of the request for treatment). If you have a life-threatening Sickness or condition, under such circumstances, Benefits may be available for the New Pharmaceutical Product to the extent provided for in Section 6, Additional Coverage Details.

7. A Pharmaceutical Product that contains (an) active ingredient(s) available in and therapeutically equivalent (having essentially the same efficacy and adverse effect profile) to another covered Pharmaceutical Product. Such determinations may be made up to six times during a calendar year.

8. A Pharmaceutical Product that contains (an) active ingredient(s) which is (are) a modified version of and therapeutically equivalent (having essentially the same efficacy and adverse effect profile) to another covered Pharmaceutical Product. Such determinations may be made up to six times during a calendar year.

9. Benefits for Pharmaceutical Products for the amount dispensed (days' supply or quantity limit) which exceeds the supply limit.

Experimental or Investigational or Unproven Services

1. Experimental or Investigational Services and Unproven Services, unless the Plan has agreed to cover them as defined in Section 14, Glossary.

This exclusion applies even if Experimental or Investigational Services or Unproven Services, treatments, devices or pharmacological regimens are the only available treatment options for your condition.

Foot Care

1. Routine foot care, except when needed for severe systemic disease or preventive foot care for Covered Persons with diabetes for which Benefits are provided as described under Diabetes Services in Section 6, Additional Coverage Details. Routine foot care services that are not covered include:
   - Cutting or removal of corns and calluses.
   - Nail trimming or cutting.
   - Debriding (removal of dead skin or underlying tissue).

2. Hygienic and preventive maintenance foot care. Examples include:
   - Cleaning and soaking the feet.
- Applying skin creams in order to maintain skin tone.
- Other services that are performed when there is not a localized Sickness, Injury or symptom involving the foot.

This exclusion does not apply to preventive foot care for Covered Persons who are at risk of neurological or vascular disease arising from diseases such as diabetes.

3. Treatment of flat feet.

4. Treatment of subluxation of the foot.

5. Shoes (standard or custom), lifts and wedges.

6. Shoe orthotics, unless they are custom molded as described under *Durable Medical Equipment* in Section 6, *Additional Coverage Details*.

**Gender Dysphoria**

1. Cosmetic Procedures, including the following:
   - Abdominoplasty.
   - Blepharoplasty.
   - Breast enlargement, including augmentation mammoplasty and breast implants.
   - Body contouring, such as lipoplasty.
   - Brow lift.
   - Calf implants.
   - Cheek, chin, and nose implants.
   - Injection of fillers or neurotoxins.
   - Face lift, forehead lift, or neck tightening.
   - Facial bone remodeling for facial feminizations.
   - Hair removal.
   - Hair transplantation.
   - Lip augmentation.
   - Lip reduction.
   - Liposuction.
   - Mastopexy.
   - Pectoral implants for chest masculinization.
   - Rhinoplasty.
   - Skin resurfacing.
   - Thyroid cartilage reduction; reduction thyroid chondroplasty; trachea shave (removal or reduction of the Adam's Apple).
   - Voice modification surgery.
   - Voice lessons and voice therapy.

**Medical Supplies and Equipment**

1. Prescribed or non-prescribed medical supplies. Examples:
   - Ace bandages and diabetic strips.
This exclusion does not apply to:

- Ostomy bags and related supplies for which Benefits are provided as described under Ostomy Supplies in Section 6, Additional Coverage Details.
- Disposable supplies necessary for the effective use of Durable Medical Equipment for which Benefits are provided as described under Durable Medical Equipment in Section 6, Additional Coverage Details.
- Diabetic supplies for which Benefits are provided as described under Diabetes Services in Section 6, Additional Coverage Details.
- Non-ostomy catheters, surgical dressings and surgical / compression stockings.

2. Tubings, nasal cannulas, connectors and masks except when used with Durable Medical Equipment.

3. The repair and replacement of Durable Medical Equipment when damaged due to misuse, malicious breakage or gross neglect.

4. The replacement of lost or stolen Durable Medical Equipment.

5. Deodorants, filters, lubricants, tape, appliance cleaners, adhesive, adhesive remover or other items that are not specifically identified under Ostomy Supplies in Section 6, Additional Coverage Details.

Mental Health, Neurobiological Disorders – Autism Spectrum Disorder and Substance-Related and Addictive Disorders Services

In addition to all other exclusions listed in this Section 8, Exclusions and Limitations, the exclusions listed directly below apply to services described under Mental Health Services, Neurobiological Disorder - Autism Spectrum Disorder and/or Substance-Related and Addictive Disorders Services in Section 6, Additional Coverage Details.

1. Services performed in connection with conditions not classified in the current edition of the International Classification of Diseases section on Mental and Behavioral Disorders or Diagnostic and Statistical Manual of the American Psychiatric Association.

2. Outside of an initial assessment, services as treatments for a primary diagnosis of conditions and problems that may be a focus of clinical attention, but are specifically noted not to be mental disorders within the current edition of the Diagnostic and Statistical Manual of the American Psychiatric Association.

3. Outside of initial assessment, services as treatments for the primary diagnoses of learning disabilities, conduct and disruptive impulse control and conduct disorders, gambling disorder and paraphilic disorders.

4. Services that are solely educational in nature or otherwise paid under state or federal law for purely educational purposes.

5. Tuition for or services that are school-based for children and adolescents under the Individuals with Disabilities Education Act.
6. Outside of initial assessment, unspecified disorders for which the provider is not obligated to provide clinical rationale as defined in the current edition of the Diagnostic and Statistical Manual of the American Psychiatric Association.

8. Transitional Living services.

**Nutrition**

1. Nutritional or cosmetic therapy using high dose or mega quantities of vitamins, minerals or elements, and other nutrition based therapy. Examples include supplements, electrolytes and foods of any kind (including high protein foods and low carbohydrate foods).

2. Nutritional counseling for either individuals or groups, except as defined under Nutritional Counseling in Section 6, Additional Coverage Details.

   This exclusion does not apply to medical nutritional education services that are provided by appropriately licensed or registered health care professionals when both of the following are true:
   - Nutritional education is required for a disease in which patient self-management is an important component of treatment.
   - There exists a knowledge deficit regarding the disease which requires the intervention of a trained health professional.

3. Food of any kind. Foods that are not covered include:
   - Enteral feedings and other nutritional and electrolyte formulas, including infant formula and donor breast milk. Infant formula available over the counter is always excluded.
   - Foods to control weight, treat obesity (including liquid diets), lower cholesterol or control diabetes.
   - Oral vitamins and minerals.
   - Meals you can order from a menu, for an additional charge, during an Inpatient Stay.
   - Other dietary and electrolyte supplements.

4. Health education classes unless offered by UnitedHealthcare or its affiliates, including but not limited to asthma, smoking cessation, and weight control classes.

**Personal Care, Comfort or Convenience**

1. Television.

2. Telephone.

4. Guest service.

5. Supplies, equipment and similar incidentals for personal comfort. Examples include:

- Air conditioners, air purifiers and filters and dehumidifiers.
- Batteries and battery chargers.
- Breast pumps. This exclusion does not apply to breast pumps for which Benefits are provided under the Health Resources and Services Administration (HRSA) requirement;
- Car seats.
- Chairs, bath chairs, feeding chairs, toddler chairs, ergonomically correct chairs, chair lifts and recliners.
- Electric scooters;
- Exercise equipment and treadmills.
- Hot tubs.
- Humidifiers.
- Jacuzzis.
- Medical alert systems.
- Motorized beds, non-Hospital beds, comfort beds and mattresses.
- Music devices.
- Personal computers.
- Pillows.
- Power-operated vehicles.
- Radios.
- Saunas.
- Stair lifts and stair glides.
- Strollers.
- Safety equipment.
- Treadmills.
- Vehicle modifications such as van lifts.
- Video players.
- Whirlpools.

**Physical Appearance**

1. Cosmetic Procedures. See the definition in Section 14, Glossary. Examples include:

- Liposuction or removal of fat deposits considered undesirable, including fat accumulation under the male breast and nipple.
- Pharmacological regimens, nutritional procedures or treatments.
- Scar or tattoo removal or revision procedures (such as salabrasion, chemosurgery and other such skin abrasion procedures).
- Sclerotherapy treatment of veins.
- Hair removal or replacement by any means.
- Treatments for skin wrinkles or any treatment to improve the appearance of the skin.
- Treatment for spider veins.
- Skin abrasion procedures performed as a treatment for acne.
- Treatments for hair loss.
- Varicose vein treatment of the lower extremities, when it is considered cosmetic.

2. Replacement of an existing intact breast implant if the earlier breast implant was performed as a Cosmetic Procedure. **Note:** Replacement of an existing breast implant is considered reconstructive if the initial breast implant followed mastectomy. See *Reconstructive Procedures* in Section 6, *Additional Coverage Details*.

3. Physical conditioning programs such as athletic training, body-building, exercise, fitness, flexibility, health club memberships and programs, spa treatments and diversion or general motivation.

4. Weight loss programs whether or not they are under medical supervision or for medical reasons, even if for morbid obesity.

5. Wigs and other scalp hair prosthesis regardless of the reason for the hair loss.

6. Treatment of benign gynecomastia (abnormal breast enlargement in males).

**Procedures and Treatments**

1. Biofeedback.

2. Medical and surgical treatment of snoring, except when provided as a part of treatment for documented obstructive sleep apnea.

3. Rehabilitation services and Manipulative Treatment to improve general physical condition that are provided to reduce potential risk factors, where significant therapeutic improvement is not expected, including routine, long-term or maintenance/preventive treatment.

4. Speech therapy to treat stuttering, stammering, or other articulation disorders.

5. Speech therapy, except when required for treatment of a speech impediment or speech dysfunction that results from Injury, stroke, cancer, Congenital Anomaly or autism spectrum disorder as identified under *Rehabilitation Services - Outpatient Therapy and Manipulative Treatment* in Section 6, *Additional Coverage Details*.

6. Excision or elimination of hanging skin on any part of the body. Examples include plastic surgery procedures called abdominoplasty or abdominal panniculectomy and brachioplasty.

7. Psychosurgery (lobotomy).

8. Stand-alone multi-disciplinary smoking cessation programs. These are programs that usually include health care providers specializing in smoking cessation and may include a psychologist, social worker or other licensed or certified professional. The programs usually include intensive psychological support, behavior modification techniques and medications to control cravings.
9. Chelation therapy, except to treat heavy metal poisoning.

10. Physiological modalities and procedures that result in similar or redundant therapeutic
effects when performed on the same body region during the same visit or office
encounter.

11. The following treatments for obesity:
   - Non-surgical treatment of obesity, even if for morbid obesity.
   - Surgical treatment of obesity unless there is a diagnosis of morbid obesity as
described under Obesity Surgery in Section 6, Additional Coverage Details.

12. Medical and surgical treatment of excessive sweating (hyperhidrosis).

13. The following services for the diagnosis and treatment of temporomandibular joint
syndrome (TMJ): surface electromyography, Doppler analysis, vibration analysis,
computerized mandibular scan or jaw tracking, craniosacral therapy, orthodontics,
occlusal adjustment, and dental restorations.

14. Breast reduction surgery except as coverage is required by the Women's Health and Cancer
Rights Act of 1998 for which Benefits are described under Reconstructive Procedures in
Section 6, Additional Coverage Details.

15. Habilitative services for maintenance/preventive treatment.

16. Intracellular micronutrient testing.

**Providers**

1. Services performed by a provider who is a family member by birth or marriage, including
your Spouse, brother, sister, parent or child. This includes any service the provider may
perform on himself or herself.

2. Services performed by a provider with your same legal residence.

3. Services ordered or delivered by a Christian Science practitioner.

4. Services performed by an unlicensed provider or a provider who is operating outside of
the scope of his/her license.

5. Services provided at a free-standing or Hospital-based diagnostic facility without an
order written by a Physician or other provider. Services that are self-directed to a free-
standing or Hospital-based diagnostic facility. Services ordered by a Physician or other
provider who is an employee or representative of a free-standing or Hospital-based
diagnostic facility, when that Physician or other provider:
   - Has not been actively involved in your medical care prior to ordering the service.
   - Is not actively involved in your medical care after the service is received.
This exclusion does not apply to mammography.

Reproduction

1. Health care services and related expenses for infertility treatments, including assisted reproductive technology, regardless of the reason for the treatment.

2. The following services related to a Gestational Carrier or Surrogate:
   - All costs related to reproductive techniques including:
     - Assisted reproductive technology.
     - Artificial insemination.
     - Intrauterine insemination.
     - Obtaining and transferring embryo(s).
   - Health care services including:
     - Inpatient or outpatient prenatal care and/or preventive care.
     - Screenings and/or diagnostic testing.
     - Delivery and post-natal care.
   The exclusion for the health care services listed above does not apply when the Gestational Carrier or Surrogate is a Covered Person.
   - All fees including:
     - Screening, hiring and compensation of a Gestational Carrier or Surrogate including surrogacy agency fees.
     - Surrogate insurance premiums.
     - Travel or transportation fees.

3. The following services related to donor services for donor sperm, ovum (egg cell) or oocytes (eggs), or embryos (fertilized eggs):
   - Donor eggs – The cost of donor eggs, including medical costs related to donor stimulation and egg retrieval.
   - Donor sperm – The cost of procurement and storage of donor sperm.

4. Storage and retrieval of all reproductive materials. Examples include eggs, sperm, testicular tissue and ovarian tissue.

5. The reversal of voluntary sterilization.

Services Provided under Another Plan

Services for which coverage is available:

1. Under another plan, except for Eligible Expenses payable as described in Section 10, Coordination of Benefits (COB).

2. Under workers' compensation, no-fault automobile coverage or similar legislation if you could elect it, or could have it elected for you.

3. While on active military duty.
4. For treatment of military service-related disabilities when you are legally entitled to other coverage, and facilities are reasonably available to you.

Transplants
1. Health services for organ and tissue transplants except as identified under Transplantation Services in Section 6, Additional Coverage Details unless UnitedHealthcare determines the transplant to be appropriate according to UnitedHealthcare's transplant guidelines.

2. Health services for transplants involving animal organs.

3. Health services connected with the removal of an organ or tissue from you for purposes of a transplant to another person. (Donor costs for removal are payable for a transplant through the organ recipient's Benefits under the Plan.)

Types of Care
1. Custodial Care or maintenance care as defined in Section 14, Glossary or maintenance care.

2. Domiciliary Care, as defined in Section 14, Glossary.

3. Multi-disciplinary pain management programs provided on an inpatient basis for acute pain or for exacerbation of chronic pain.

4. Private Duty Nursing.

5. Respite care. This exclusion does not apply to respite care that is part of an integrated hospice care program of services provided to a terminally ill person by a licensed hospice care agency for which Benefits are provided as described under Hospice Care in Section 6, Additional Coverage Details.

6. Rest cures.

7. Services of personal care attendants.

8. Work hardening (individualized treatment programs designed to return a person to work or to prepare a person for specific work).

Vision and Hearing
1. Routine vision examinations, including refractive examinations to determine the need for vision correction.

2. Implantable lenses used only to correct a refractive error (such as Intacs corneal implants).

3. Purchase cost and associated fitting charges for eyeglasses or contact lenses.

4. Purchase cost and associated fitting and testing charges for hearing aids, Bone Anchor Hearing Aids (BAHA) and all other hearing assistive devices.
5. Surgery and other related treatment that is intended to correct nearsightedness, farsightedness, presbyopia and astigmatism including, but not limited to, procedures such as laser and other refractive eye surgery and radial keratotomy.

All Other Exclusions

1. Autopsies and other coroner services and transportation services for a corpse.

2. Charges for:
   - Missed appointments.
   - Room or facility reservations.
   - Completion of claim forms.
   - Record processing.

3. Charges prohibited by federal anti-kickback or self-referral statutes.

4. Diagnostic tests that are:
   - Delivered in other than a Physician's office or health care facility.
   - Self-administered home diagnostic tests, including but not limited to HIV and Pregnancy tests.

5. Expenses for health services and supplies:
   - That do not meet the definition of a Covered Health Service in Section 14, Glossary.
   - That are received as a result of war or any act of war, whether declared or undeclared, while part of any armed service force of any country. This exclusion does not apply to Covered Persons who are civilians injured or otherwise affected by war, any act of war or terrorism in a non-war zone.
   - That are received after the date your coverage under this Plan ends, including health services for medical conditions which began before the date your coverage under the Plan ends.
   - For which you have no legal responsibility to pay, or for which a charge would not ordinarily be made in the absence of coverage under this Benefit Plan.
   - That exceed Eligible Expenses or any specified limitation in this SPD.
   - For which a non-Network provider waives the Copay, Annual Deductible or Coinsurance amounts.

6. Foreign language and sign language services.

7. Long term (more than 30 days) storage of blood, umbilical cord or other material.

8. Health services related to a non-Covered Health Service: When a service is not a Covered Health Service, all services related to that non-Covered Health Service are also excluded. This exclusion does not apply to services the Plan would otherwise determine to be Covered Health Services if they are to treat complications that arise from the non-Covered Health Service.
For the purpose of this exclusion, a "complication" is an unexpected or unanticipated condition that is superimposed on an existing disease and that affects or modifies the prognosis of the original disease or condition. Examples of a "complication" are bleeding or infections, following a Cosmetic Procedure, that require hospitalization.

9. Physical, psychiatric or psychological exams, testing, vaccinations, immunizations or treatments when:

- Required solely for purposes of education, sports or camp, travel, career or employment, insurance, marriage or adoption; or as a result of incarceration.
- Conducted for purposes of medical research.
- Related to judicial or administrative proceedings or orders.
- Required to obtain or maintain a license of any type.
SECTION 9 - CLAIMS PROCEDURES

What this section includes:
- How Network and non-Network claims work.
- What to do if your claim is denied, in whole or in part.

If You Receive Covered Health Services from a Network Provider

UnitedHealthcare pay Network providers directly for your Covered Health Services. If a Network provider bills you for any Covered Health Service, contact us. However, you are responsible for meeting any applicable deductible and for paying any required Copayments and Coinsurance to a Network provider at the time of service, or when you receive a bill from the provider.

If You Receive Covered Health Services from a Non-Network Provider

When you receive Covered Health Services from a non-Network provider, you are responsible for requesting payment from us. You must file the claim in a format that contains all of the information we require, as described below.

You should submit a request for payment of Benefits within 90 days after the date of service. If you don't provide this information to us within one year of the date of service, Benefits for that health service will be denied or reduced, in our discretion. This time limit does not apply if you are legally incapacitated or if extenuating circumstances apply. If your claim relates to an Inpatient Stay, the date of service is the date your Inpatient Stay ends.

Required Information

When you request payment of Benefits from us, you must provide us with all of the following information:

- The Subscriber's name and address.
- The patient's name and age.
- The number stated on your ID card.
- The name and address of the provider of the service(s).
- The name and address of any ordering Physician.
- A diagnosis from the Physician.
- An itemized bill from your provider that includes the Current Procedural Terminology (CPT) codes or a description of each charge.
- The date the Injury or Sickness began.
- A statement indicating either that you are, or you are not, enrolled for coverage under any other health insurance plan or program. If you are enrolled for other coverage you must include the name
- of the other carrier(s).
The above information should be filed with us at the address on your ID card.

**Payment of Benefits**

When you assign your Benefits under the Plan to a non-Network provider with UnitedHealthcare's consent, and the non-Network provider submits a claim for payment, you and the non-Network provider represent and warrant that the Covered Health Services were actually provided and were medically appropriate.

To be recognized as a valid assignment of Benefits under the Plan, the assignment must reflect the Covered Person’s agreement that the non-Network provider will be entitled to all the Covered Person’s rights under the Plan and applicable state and federal laws, including legally required notices and procedural reviews concerning the Covered Person’s Benefits, and that the Covered Person will no longer be entitled to those rights. If an assignment form does not comply with this requirement, but directs that your benefit payment should be made directly to the provider, UnitedHealthcare may in its discretion make payment of the benefits directly to the provider for your convenience, but will treat you, rather than the provider, as the beneficiary of your claim. If Benefits are assigned or payment to a non-Network provider is made, City of Columbus reserves the right to offset Benefits to be paid to the provider by any amounts that the provider owes City of Columbus (including amounts owed as a result of the assignment of other plans’ overpayment recovery rights to the Plan) pursuant to Refund of Overpayments in Section 11, Coordination of Benefits.

UnitedHealthcare will pay Benefits to you unless:

- The provider submits a claim form to UnitedHealthcare that you have provided signed authorization to assign Benefits directly to that provider.
- You make a written request for the non-Network provider to be paid directly at the time you submit your claim.

UnitedHealthcare will only pay Benefits to you or, with written authorization by you, your Provider, and not to a third party, even if your provider purports to have assigned Benefits to that third party.

**Form of Payment of Benefits**

Payment of Benefits under the Plan shall be in cash or cash equivalents, or in the form of other consideration that UnitedHealthcare in its discretion determines to be adequate. Where Benefits are payable directly to a provider, such adequate consideration includes the forgiveness in whole or in part of amounts the provider owes to other plans for which UnitedHealthcare makes payments, where the Plan has taken an assignment of the other plans’ recovery rights for value.
SECTION 10: QUESTIONS, COMPLAINTS AND APPEALS

For the purpose of this section, the terms below will have the following meanings:

- "Adverse benefit determination" means a decision by UnitedHealthcare or UnitedHealthcare’s designee:
  - To deny, reduce or terminate a requested health care service or payment, in whole or in part, including all of the following:
    - A determination that the health care service does not meet UnitedHealthcare’s requirements for medical necessity, appropriateness, health care setting, level of care or effectiveness, including Experimental or Investigational Services.
    - A determination of an individual’s eligibility for individual health coverage, including coverage offered to individuals through a non-employer group, to participate in a plan or health plan coverage.
    - A determination that a health care service does not meet the definition of a Covered Health Service.
    - The imposition of an exclusion, source of Injury, Network or any other limitation on Benefits that would otherwise be covered.
  - To not issue individual health coverage to an applicant, including coverage offered to an individual through a non-employer group.
  - To rescind coverage on a health benefit plan.

- "Authorized representative" means an individual who represents a Covered Person in the internal appeals or external review process of an adverse benefit determination who is any of the following:
  - A person to whom the Covered Person has given express, written consent to represent her or him in the internal appeals or external review process of an adverse benefit determination.
  - A person authorized by law to provide substituted consent for the Covered Person.
  - A family member or a treating health care professional if the Covered Person is unable to provide consent.

- "Covered Person" means either the Participant or an Enrolled Dependent, but this term applies only while the person is enrolled under the Plan. References to "you" and "your" throughout this summary plan description are references to a Covered Person. For purposes of an internal appeal or external review, Covered Person also includes the Covered Person’s authorized representative.

- "Final adverse benefit determination" means an adverse benefit determination that is upheld at the completion of UnitedHealthcare’s internal appeals process.

- "Health benefit plan" means a Plan, contract or agreement offered by UnitedHealthcare to provide, deliver, arrange for, pay for or reimburse any of the costs of health care services.

- "Health care services" means services for the diagnosis, prevention, treatment, cure or relief of a health condition, Sickness, Injury or disease.

- "Health plan issuer" means any entity subject to the insurance laws and rules of this state, or subject to the jurisdiction of the Superintendent of Insurance, that contracts, or offers to contract to provide, deliver, arrange for, pay for, or reimburse any of the costs
of health care services under a health benefit plan, including a sickness and accident
insurance company, a health insuring corporation, a fraternal benefit society, a self-
funded multiple employer welfare arrangement, or a nonfederal, government health plan.
Health plan issuer includes a third party administrator to the extent that the benefits that
such an entity is contracted to administer under a health benefit plan are subject to the
insurance laws and rules of this state or subject to the jurisdiction of the Superintendent.

- "Independent review organization (IRO)" means an organization certified by the State of
Ohio to hear appeals of adverse determinations.

- "Rescind" or "rescission" means to retroactively cancel or discontinue coverage. It does
not include cancelling or discontinuing coverage that only has a prospective effect or
cancelling or discontinuing coverage that is effective retroactively to the extent it is
attributable to a failure to timely pay required premiums or contributions towards the
cost of coverage.

- "Stabilize" means the provision of such medical treatments as may be necessary to
assure, within reasonable medical probability that no material deterioration of a Covered
Person's medical condition is likely to result from or occur during a transfer, if the
medical condition could result in any of the following:
  - Placing the health of the Covered Person, or, with respect to a pregnant woman, the
    health of the woman or her unborn child, in serious jeopardy;
  - Serious impairment to bodily functions;
  - Serious dysfunction to any bodily organ or part.
  - In the case of a woman having contractions, "stabilize" means such medical
treatment as may be necessary to deliver, including the placenta.

- "Superintendent" means the Superintendent of Insurance.

Covered Health Services, Emergency Health Services and Emergency Medical Condition
have the same meanings as defined in Section 15, Glossary.

To resolve a question, complaint, or appeal, just follow these steps:

**What to Do if You Have a Question**

Call the toll-free number shown on your ID card. UnitedHealthcare representatives are
available to take your call during regular business hours, Monday through Friday.

**What to Do if You Have a Complaint**

Call the toll-free number shown on your ID card. UnitedHealthcare representatives are
available to take your call during regular business hours, Monday through Friday.

If you would rather send your complaint to UnitedHealthcare in writing, the UnitedHealthcare
representative can provide you with the appropriate address.

If the UnitedHealthcare representative cannot resolve the issue to your satisfaction over the
phone, he/she can help you prepare and submit a written complaint. UnitedHealthcare will notify
you of its decision regarding your complaint within 60 days of receiving it.
A complaint is a dissatisfaction, not an appeal, expressed by you or your authorized representative including, but not limited to, a provider's hours, the availability of Network providers, or a provider who is not accepting new patients.

**How to Appeal a Claim Decision**

**Post-service Claims**

Post-service claims are those claims that are filed for payment of Benefits after medical care has been received.

**Pre-service Requests for Benefits**

Pre-service requests for Benefits are those requests that require prior notification or benefit confirmation prior to receiving medical care. UnitedHealthcare will notify you of its decision as expeditiously as your medical condition or circumstances require, but not later than 5 days for non-urgent pre-service requests or 24 hours for urgent care pre-service requests. This notice will be oral unless a written notification is requested.

**How to Request an Appeal**

If you disagree with either a pre-service request for Benefits determination, post-service claim determination or a rescission of coverage determination, you can contact UnitedHealthcare in writing to formally request an appeal.

Your request for an appeal should include:

- The patient's name and the identification number from the ID card.
- The date(s) of medical service(s).
- The provider's name.
- The reason you believe the claim should be paid.
- Any documentation or other written information to support your request for claim payment.

Your first appeal request must be submitted to UnitedHealthcare within 180 days after you receive the denial of a pre-service request for Benefits or the claim denial.

**Appeal Process**

The appeals process consists of two steps:

- Internal appeals.
- External reviews.

You or your authorized representative may appeal an adverse benefit determination regardless of the actual or estimated cost of the health care service. An adverse benefit determination is UnitedHealthcare's decision to do any of the following:

- Deny, reduce or terminate a requested health care service or payment in whole or part.
■ Not issue health care coverage to an applicant, including coverage offered to an individual through a non-employer group.
■ Rescind coverage (coverage that was cancelled or discontinued retroactively).

A qualified individual who was not involved in the decision being appealed will be appointed to decide the appeal. If your appeal is related to clinical matters, the review will be done in consultation with a health care professional with appropriate expertise in the field, who was not involved in the prior determination. UnitedHealthcare may consult with, or seek the participation of, medical experts as part of the appeal resolution process. You consent to this referral and the sharing of pertinent medical claim information. Upon request and free of charge, you have the right to reasonable access to and copies of all documents, records and other information relevant to your claim for Benefits. In addition, if any new or additional evidence and/or rationale is relied upon or generated by UnitedHealthcare during the determination of the appeal, UnitedHealthcare will provide it to you free of charge and sufficiently in advance of the due date of the response to the adverse benefit determination. During the appeals process, you or your authorized representative may provide testimony, written comments, documents, records and other information relating to your appeal.

During the internal appeals process, continued coverage of your ongoing course of treatment will be provided pending the outcome of your appeal. Your ongoing course of treatment cannot be reduced or terminated unless UnitedHealthcare provides advance notice and an opportunity for advance review. For those appeals relating to an ongoing course of treatment involving urgent care, you may proceed with an external review at the same time as an internal appeal. If UnitedHealthcare’s decision is upheld, you may be responsible for payment of any health care services or devices that are not Covered Health Services.

**Internal Appeals**

**Pre-service Requests for Benefits and Post-service Claim Appeals**

For procedures associated with urgent requests for Benefits, see *Urgent Appeal that Require Immediate Action* below.

You will be provided written or electronic notification of the decision on your appeal as follows:

■ The appeal will be conducted and you will be notified of the decision as expeditiously as your medical condition or circumstances require, but not later than 15 days for pre-service requests for Benefits or 30 days for post-service claims from receipt of the request for an appeal.

Please note that UnitedHealthcare’s decision is based only on whether or not Benefits are available under the Plan for the proposed treatment or procedure.

UnitedHealthcare's internal appeals process for addressing all issues related to quality of care and treatment provides for review by a clinical peer. Issues related to quality of care and treatment will be reviewed by the appropriate physician specialty panel. The Panel's recommendation will be forwarded to the physician's quality review committee. You will be notified in writing, within five days, of the final review of the complaint.
You may have the right to external review through an IRO upon the completion of the internal appeals process. Instructions regarding any such rights, and how to access those rights, will be provided in our decision letter to you.

**Urgent Appeals that Require Immediate Action**

Your appeal may require immediate action if a delay in treatment could significantly increase the risk to your health, or the ability to regain maximum function, or cause severe pain. In these urgent situations:

- The appeal does not need to be submitted in writing. You or your Physician should call UnitedHealthcare as soon as possible.
- UnitedHealthcare will provide you with a written or electronic determination within 24 hours following receipt of your request for review of the determination, taking into account the seriousness of your condition.
- If UnitedHealthcare needs more information from your Physician to make a decision, UnitedHealthcare will notify you of the decision by the end of the next business day following receipt of the required information.

The appeal process for urgent situations does not apply to prescheduled treatments, therapies or surgeries.

If your request involves both urgent care and an extension of a course of treatment beyond the period of time or number of treatments previously approved, UnitedHealthcare will provide a decision as follows:

- When the request is made at least 24 hours prior to the expiration of the previously approved treatment, as expeditiously as your medical condition or circumstances require, but not later than 24 hours following receipt of the request.
- When the request is not made at least 24 hours prior to the expiration of the previously approved treatment, as expeditiously as your medical condition or circumstances require, but not later than 72 hours following receipt of the request.

You or your authorized representative may request an expedited external review of an urgent care claim:

- After an adverse benefit determination, if both of the following apply:
  - The Covered Person's treating Physician certifies the adverse benefit determination involves a medical condition that could seriously jeopardize the life or health of the Covered Person if treated after the timeframe of an expedited internal appeal.
  - The Covered Person has requested an expedited internal appeal.
- After a final adverse benefit determination, if either of the following apply:
  - The Covered Person's treating Physician certifies the adverse benefit determination involves a medical condition that could seriously jeopardize the life or health of the Covered Person or would jeopardize the Covered Person's ability to regain maximum function if treated after the timeframe of a standard external review.
- The final adverse benefit determination concerns an admission, availability of care, continued stay or health care service for which the Covered Person received Emergency Health Services and has not been discharged from the facility.

UnitedHealthcare's decision will be provided by the most expeditious method available (electronically, by telephone or facsimile).

For additional information concerning expedited external reviews, these reviews are described under *Expedited External Reviews* below.

**Concurrent Expedited Internal Appeals and Expedited External Reviews**

A Covered Person in the process of an expedited internal appeal may request that an expedited external review be conducted at the same time if either of the following applies:

- The Covered Person's treating Physician has certified in writing that the adverse benefit determination involves a medical condition that could seriously jeopardize the life or health of the Covered Person or would jeopardize the Covered Person's ability to regain maximum function if treatment was not provided until after the timeframe of an expedited internal appeal. The procedure for an expedited external review is described below under *Expedited External Reviews*.

- The Covered Person's treating Physician, in the case of an Experimental or Investigational Service, has certified in writing that the recommended health care service or treatment would be significantly less effective if not initiated promptly. The procedure for these expedited external reviews are described under *External Reviews for Experimental or Investigational Services*.

**External Reviews**

**Understanding the External Review Process**

Under Chapter 3922. of the Ohio Revised Code, UnitedHealthcare is required to provide a process that allows a Covered Person under a health benefit plan or a person applying for health benefit plan coverage to request an independent external review of an adverse benefit determination. This section is a summary of the external review process.

An adverse benefit determination is a decision by UnitedHealthcare or UnitedHealthcare’s designee to deny Benefits because services are not covered, are excluded or limited under the health benefit plan or the Covered Person is not eligible to receive the Benefit. Adverse determinations can involve issues of medical necessity, appropriateness, health care setting or level of care or effectiveness. Decisions to deny health benefit plan coverage or to rescind coverage can also be adverse benefit determinations.

**Opportunity for External Review**

An external review may be conducted by an *Independent Review Organization (IRO)* or by the Superintendent. You are not responsible for paying for the external review and there is no minimum cost of health care services denied in order to qualify for an external review. However, before initiating an external review, you must exhaust the internal appeals
process, except in the following instances:

- UnitedHealthcare agrees to waive the exhaustion requirement.
- You did not receive a written decision of your internal appeal within the required timeframe.
- UnitedHealthcare did not meet all of the requirements of the internal appeals process unless the failure was due to a de minimis violation which:
  - Did not cause or is not likely to cause prejudice or harm to you;
  - Was for a good cause or due to matters beyond our control;
  - Occurred during the ongoing, good faith exchange between you and UnitedHealthcare; and
  - Is not reflective of a pattern or practice of non-compliance.
- An expedited internal review and an expedited external review are being completed at the same time.

Any exceptions to the exhaustion requirement will be included in the adverse benefit determination notice.

An external review is not available for a retrospective final adverse benefit determinations until you have exhausted the internal appeals process unless we agree to waive the exhaustion requirement.

Retrospective final adverse benefit determinations are those for health care services that have already been provided to a Covered Person.

**External Reviews by an IRO**

If you are not satisfied with an adverse benefit determination made by UnitedHealthcare, you may be entitled to request an external review of UnitedHealthcare’s determination by an IRO. You or your authorized representative may request an external review for any of the following:

- An adverse benefit determination involving medical judgment or based on any medical information including a decision that Emergency Health Services did not meet the definition of an Emergency Medical Condition (prudent layperson).
- An adverse benefit determination involving a health care service that we have determined is an Experimental or Investigational Service, is not specifically excluded and the treating Physician certifies one of the following:
  - Standard health care services have not been effective in improving the condition of the Covered Person.
  - Standard health care services are not medically appropriate for the Covered Person.
  - There is no available standard health care service covered under the Policy that is more beneficial than the requested health care service.

The IRO performs both standard and expedited external reviews which include external reviews for Experimental or Investigational Services. A standard review is normally completed within 30 days and an expedited review for urgent medical situations is normally completed within 72 hours. These external reviews are described further under Standard
External Reviews, Expedited External Reviews and External Reviews for Experimental or Investigational Services below.

**Standard External Reviews**

A standard external review is comprised of all of the following:

- A preliminary review by UnitedHealthcare of the request.
- A referral of the request by UnitedHealthcare to the IRO.
- A decision by the IRO.

You or your authorized representative may request a standard external review if you are not satisfied with an adverse benefit determination made by UnitedHealthcare. A standard external review may be requested for the adverse benefit determinations described above under *External Reviews by an IRO*.

**Expedited External Reviews**

An expedited external review is similar to a standard external review. The most significant difference between the two is that the time period for completing the review process is much shorter. In some instances, you may request that an expedited external review be conducted at the same time as an expedited internal appeal. These are concurrent expedited internal appeals and expedited external reviews and are also described under *Concurrent Expedited Internal Appeals and Expedited External Reviews* above.

You or your authorized representative may request an expedited external review if any of the following apply:

- The Covered Person's treating Physician certifies that the adverse benefit determination involves a medical condition that could seriously jeopardize the life or health of the Covered Person or would jeopardize the Covered Person's ability to regain maximum function if the treatment was delayed until after the timeframe of an expedited internal appeal.
- The final adverse benefit determination involves a medical condition that could seriously jeopardize the life or health of the Covered Person or would jeopardize the Covered Person's ability to regain maximum function if the treatment is delayed until after the timeframe of a standard external appeal.
- The final adverse benefit determination concerns an admission, availability of care, continued stay, or health care service for which the Covered Person received Emergency Health Services, but has not been discharged from a facility.
- An expedited internal appeal has been requested for an adverse benefit determination that involves an Experimental or Investigational Service and the Covered Person's treating Physician certifies in writing that the recommended health care service or treatment would be significantly less effective if not promptly initiated.

An expedited external review is not available for a retrospective final adverse benefit determination. Retrospective final adverse benefit determinations are those for health...
care services that have already been provided to a Covered Person.

**External Reviews for Experimental or Investigational Services**

An external review for an Experimental or Investigational Service is similar to a standard or expedited external review. The most significant difference is that these are external reviews of adverse benefit determinations when Benefits have been denied for a health care service that we have determined to be an Experimental or Investigational Service unless the requested health care service is specifically listed as an exclusion in the Policy.

You or your authorized representative may request an external review for Experimental or Investigational Services only if your treating Physician certifies that one of the following situations applies:

- Standard health care services have not been effective in improving the condition of the Covered Person.
- Standard health care services are not medically appropriate for the Covered Person.
- There is no available standard health care service covered under the Policy that is more beneficial than the requested health care service.

**External Reviews by the Superintendent of Insurance**

You or your authorized representative may request an external review by the Superintendent for either of the following:

- The adverse benefit determination is based on a contractual issue that does not involve a medical judgment or any medical information.
- The adverse benefit determination indicates that Emergency Health Services did not meet the definition of an Emergency Medical Condition (prudent layperson) and our decision has been upheld through an external review by an IRO.

If UnitedHealthcare denies your request for an external review, you or your authorized representative may appeal the denial to the Superintendent. Regardless of UnitedHealthcare’s decision, the Superintendent may determine that the request is eligible for external review and require that the request be referred for external review. The Superintendent’s decision will be made in accordance with the terms of your Plan and all applicable provisions of the law.

**Requests for an External Review**

Your or your authorized representative must contact UnitedHealthcare to request an external review by either an IRO or the Superintendent within 180 days of the date of the notice of the final adverse benefit determination issued by UnitedHealthcare.

All requests must be in writing, including electronic means, except for a request for an expedited external review. Expedited external reviews may be requested orally by calling the toll-free number on your ID card.

An external review request should include all of the following:
■ A specific request for an external review.
■ The Covered Person's name, address, and insurance ID number.
■ Your authorized representative's name and address, when applicable.
■ The service that was denied.
■ Any new, relevant information that was not provided during the internal appeal.
■ A medical records release authorization signed by the Covered Person which consents to the release of all applicable medical records.

If the request for the external review is complete, UnitedHealthcare will initiate the external review and will notify the Covered person in writing, or immediately in the case of an expedited review, that the request is complete and eligible for external review. This notice will include the name and contact information for the assigned IRO or the Ohio Department of Insurance (whichever is applicable) to allow for the submittal of additional information. When a standard review is requested, the notice will advise you that, within ten business days after receipt of the notice, you may submit additional information in writing to the IRO or Ohio Department of Insurance (whichever is applicable) for consideration in the review. UnitedHealthcare will also forward all documents and information used to make the adverse benefit determination to the assigned IRO or the Ohio Department of Insurance (whichever is applicable).

If the request for the external review is not complete, UnitedHealthcare will notify you in writing and specify what information is needed to make the request complete.

If UnitedHealthcare determines that the adverse benefit determination is not eligible for an external review, UnitedHealthcare will notify you in writing and will provide you with the reason for the denial and your option to appeal this decision to the Superintendent.

The Superintendent may determine the request is eligible for an external review regardless of UnitedHealthcare’s decision and will require that the request be referred for external review. The decision made by the Superintendent will be in accordance with the terms of your Plan and all applicable provisions of the law.

IRO Assignment

When UnitedHealthcare initiates an external review by an IRO, the Ohio Department of Insurance’s web-based system randomly assigns the review to an accredited IRO qualified to conduct the review based on the type of health care service being appealed. If an IRO has a conflict of interest with you, the health care provider, the health care facility or UnitedHealthcare, it will not be selected to conduct the review.

IRO Review and Decision

In making its decision, the IRO must consider the following:

■ All documents and information considered by UnitedHealthcare in making the adverse benefit determination;
Any information the Covered Person has submitted; and

Other information, such as the Covered Person's medical records, the attending health care professional's recommendation, consulting reports from appropriate health care professionals, the terms of coverage under this Plan, the most appropriate practice guidelines, clinical review criteria used by UnitedHealthcare or UnitedHealthcare's utilization review organization, and the opinions of the IRO's clinical reviewers.

The IRO will provide a written notice of its decision within 30 days of receipt by UnitedHealthcare of a request for a standard review or within 72 hours of receipt by UnitedHealthcare of a request for an expedited review. This notice will be sent to the Covered Person, the Ohio Department of Insurance and UnitedHealthcare and will include the following information:

- A general description of the reason for the request for an external review.
- The date the IRO was assigned by the Ohio Department of Insurance to conduct the external review.
- The dates over which the external review was conducted.
- The date the IRO made its decision.
- The rationale for the IRO's decision.
- References for the evidence or documentation, including any evidence-based standards, used by the IRO to reach its decision.

For an adverse benefit determination that involves a health care treatment or service that is stated to be an Experimental or Investigational Service, the written decision by the IRO will also include the following:

- The principal reason or reasons for the IRO's decision.
- The written opinion of each clinical reviewer including each clinical reviewer's recommendation as to whether the recommended or requested health care service or treatment should be covered and rationale for the recommendation.

**Binding Nature of the External Review Decision**

An external review decision is binding on UnitedHealthcare except to the extent UnitedHealthcare has other remedies available under applicable state law. The decision is also binding on the Covered Person except to the extent the Covered Person has other remedies available under applicable state or Federal law.

A Covered Person may not file a subsequent request for an external review involving the same adverse benefit determination that has been previously reviewed unless new medical and scientific evidence is submitted to us.

**If You Have Questions about Your Rights or Need Assistance**

You may contact UnitedHealthcare at the toll-free number on your ID card or the Ohio Department of Insurance at the address and telephone number below for more information regarding the internal appeals or external review processes:
SECTION 11 - COORDINATION OF BENEFITS (COB)

What this section includes:

■ How your Benefits under this Plan coordinate with other medical plans.
■ How coverage is affected if you become eligible for Medicare.
■ Procedures in the event the Plan overpays Benefits.

Coordination of Benefits (COB) applies to you if you are covered by more than one health benefits plan, including any one of the following:

■ Another employer sponsored health benefits plan.
■ A medical component of a group long-term care plan, such as skilled nursing care.
■ No-fault or traditional "fault" type medical payment benefits or personal injury protection benefits under an auto insurance policy.
■ Medical payment benefits under any premises liability or other types of liability coverage.
■ Medicare or other governmental health benefit.

If coverage is provided under two or more plans, COB determines which plan is primary and which plan is secondary. The plan considered primary pays its benefits first, without regard to the possibility that another plan may cover some expenses. Any remaining expenses may be paid under the other plan, which is considered secondary. The secondary plan may determine its benefits based on the benefits paid by the primary plan. How much this Plan will reimburse you, if anything, will also depend in part on the allowable expense. The term, “allowable expense,” is further explained below.

Don't forget to update your Dependents' Medical Coverage Information

Avoid delays on your Dependent claims by updating your Dependent's medical coverage information. Just log on to www.myuhc.com or call the toll-free number on your ID card to update your COB information. You will need the name of your Dependent's other medical coverage, along with the policy number.

Determining Which Plan is Primary

Order of Benefit Determination Rules

If you are covered by two or more plans, the benefit payment follows the rules below in this order:

■ This Plan will always be secondary to medical payment coverage or personal injury protection coverage under any auto liability or no-fault insurance policy.
■ When you have coverage under two or more medical plans and only one has COB provisions, the plan without COB provisions will pay benefits first.
■ A plan that covers a person as an employee pays benefits before a plan that covers the person as a dependent.
If you are receiving COBRA continuation coverage under another employer plan, this Plan will pay Benefits first.

Your dependent children will receive primary coverage from the parent whose birth date occurs first in a calendar year. If both parents have the same birth date, the plan that pays benefits first is the one that has been in effect the longest. This birthday rule applies only if:
- The parents are married or living together whether or not they have ever been married and not legally separated.
- A court decree awards joint custody without specifying that one party has the responsibility to provide health care coverage.

If two or more plans cover a dependent child of divorced or separated parents and if there is no court decree stating that one parent is responsible for health care, the child will be covered under the plan of:
- The parent with custody of the child; then
- The Spouse of the parent with custody of the child; then
- The parent not having custody of the child; then
- The Spouse of the parent not having custody of the child.

Plans for active employees pay before plans covering laid-off or retired employees.

The plan that has covered the individual claimant the longest will pay first.

Finally, if none of the above rules determines which plan is primary or secondary, the allowable expenses shall be shared equally between the plans meeting the definition of Plan. In addition, this Plan will not pay more than it would have paid had it been the primary Plan.

The following examples illustrate how the Plan determines which plan pays first and which plan pays second.

**Determining Primary and Secondary Plan - Examples**

1) Let's say you and your Spouse both have family medical coverage through your respective employers. You are unwell and go to see a Physician. Since you're covered as a Participant under this Plan, and as a Dependent under your Spouse's plan, this Plan will pay Benefits for the Physician's office visit first.

2) Again, let's say you and your Spouse both have family medical coverage through your respective employers. You take your Dependent child to see a Physician. This Plan will look at your birthday and your Spouse's birthday to determine which plan pays first. If you were born on June 11 and your Spouse was born on May 30, your Spouse's plan will pay first.

**When This Plan is Secondary**

If this Plan is secondary to any plan other than Medicare, it determines the amount it will pay for a Covered Health Service by following the steps below.

The Plan determines the amount it would have paid based on the allowable expense.
The Plan pays the entire difference between the allowable expense and the amount paid by the primary plan - as long as this amount is not more than the Plan would have paid had it been the only plan involved.

You will be responsible for any Copay, Coinsurance or Deductible payments as part of the COB payment. The maximum combined payment you may receive from all plans cannot exceed 100% of the total allowable expense. See the textbox below for the definition of allowable expense.

**Determining the Allowable Expense If This Plan is Secondary**

If this Plan is secondary, the allowable expense is the primary plan's Network rate. If the primary plan bases its reimbursement on reasonable and customary charges, the allowable expense is the primary plan's reasonable and customary charge. If both the primary plan and this Plan do not have a contracted rate, the allowable expense will be the greater of the two plans' reasonable and customary charges.

When the provider is a Network provider for both the primary plan and this Plan, the allowable expense is the primary plan's network rate. When the provider is a network provider for the primary plan and a non-Network provider for this Plan, the allowable expense is the primary plan's network rate. When the provider is a non-Network provider for the primary plan and a Network provider for this Plan, the allowable expense is the reasonable and customary charges allowed by the primary plan. When the provider is a non-Network provider for both the primary plan and this Plan, the allowable expense is the greater of the two Plans' reasonable and customary charges.

**What is an allowable expense?**

For purposes of COB, an allowable expense is a health care expense that is covered at least in part by one of the health benefit plans covering you.

**When a Covered Person Qualifies for Medicare**

**Determining Which Plan is Primary**

To the extent permitted by law, this Plan will pay Benefits second to Medicare when you become eligible for Medicare, even if you don't elect it. There are, however, Medicare-eligible individuals for whom the Plan pays Benefits first and Medicare pays benefits second:

- Employees with active current employment status age 65 or older and their Spouses age 65 or older (however, Domestic Partners are excluded as provided by Medicare).
- Individuals with end-stage renal disease, for a limited period of time.
- Disabled individuals under age 65 with current employment status and their Dependents under age 65.

**Determining the Allowable Expense When This Plan is Secondary to Medicare**

If this Plan is secondary to Medicare, the Medicare approved amount is the allowable expense, as long as the provider accepts Medicare. If the provider does not accept Medicare, the Medicare limiting charge (the most a provider can charge you if they don't accept
Medicare) will be the allowable expense. Medicare payments, combined with Plan Benefits, will not exceed 100% of the total allowable expense.

If you are eligible for, but not enrolled in, Medicare, and this Plan is secondary to Medicare, or if you have enrolled in Medicare but choose to obtain services from a provider that does not participate in the Medicare program, Benefits will be paid on a secondary basis under this Plan and will be determined as if you timely enrolled in Medicare and obtained services from a Medicare participating provider.

When calculating the Plan's Benefits in these situations, for administrative convenience UnitedHealthcare in its sole discretion may treat the provider's billed charges as the allowable expense for both the Plan and Medicare, rather than the Medicare approved amount or Medicare limiting charge.

**If This Plan is Secondary to Medicare**

If this Plan is secondary to Medicare, it determines the amount it will pay for a Covered Health Service by following the steps below.

- The Plan determines the amount it would have paid had it been the only plan involved.
- The Plan pays the entire difference between the allowable expense and the amount paid by the primary plan - as long as this amount is not more than the Plan would have paid had it been the only plan involved.

The maximum combined payment you may receive from all plans cannot exceed 100% of the total allowable expense. See the textbox below for the definition of allowable expense.

**Right to Receive and Release Needed Information**

Certain facts about health care coverage and services are needed to apply these COB rules and to determine benefits payable under this Plan and other plans. UnitedHealthcare may get the facts needed from, or give them to, other organizations or persons for the purpose of applying these rules and determining benefits payable under this Plan and other plans covering the person claiming benefits.

UnitedHealthcare does not need to tell, or get the consent of, any person to do this. Each person claiming benefits under this Plan must give UnitedHealthcare any facts needed to apply those rules and determine benefits payable. If you do not provide UnitedHealthcare the information needed to apply these rules and determine the Benefits payable, your claim for Benefits will be denied.

**Overpayment and Underpayment of Benefits**

If you are covered under more than one medical plan, there is a possibility that the other plan will pay a benefit that the Plan should have paid. If this occurs, the Plan may pay the other plan the amount owed.

If the Plan pays you more than it owes under this COB provision, you should pay the excess back promptly. Otherwise, the Company may recover the amount in the form of salary, wages, or benefits payable under any Company-sponsored benefit plans, including this Plan.
The Company also reserves the right to recover any overpayment by legal action or offset payments on future Eligible Expenses.

If the Plan overpays a health care provider, UnitedHealthcare reserves the right to recover the excess amount from the provider pursuant to Refund of Overpayments, below.

**Refund of Overpayments**

If the Plan pays for Benefits for expenses incurred on account of a Covered Person, that Covered Person, or any other person or organization that was paid, must make a refund to the Plan if:

- The Plan's obligation to pay Benefits was contingent on the expenses incurred being legally owed and paid by the Covered Person, but all or some of the expenses were not paid by the Covered Person or did not legally have to be paid by the Covered Person.
- All or some of the payment the Plan made exceeded the Benefits under the Plan.
- All or some of the payment was made in error.

The amount that must be refunded equals the amount the Plan paid in excess of the amount that should have been paid under the Plan. If the refund is due from another person or organization, the Covered Person agrees to help the Plan get the refund when requested.

If the refund is due from the Covered Person and the Covered Person does not promptly refund the full amount owed, the Plan may recover the overpayment by reallocating the overpaid amount to pay, in whole or in part, future Benefits for the Covered Person that are payable under the Plan. If the refund is due from a person or organization other than the Covered Person, the Plan may recover the overpayment by reallocating the overpaid amount to pay, in whole or in part, (i) future Benefits that are payable in connection with services provided to other Covered Persons under the Plan; or (ii) future benefits that are payable in connection with services provided to persons under other plans for which UnitedHealthcare makes payments, pursuant to a transaction in which the Plan’s overpayment recovery rights are assigned to such other plans in exchange for such plans’ remittance of the amount of the reallocated payment. The reallocated payment amount will equal the amount of the required refund or, if less than the full amount of the required refund, will be deducted from the amount of refund owed to the Plan. The Plan may have other rights in addition to the right to reallocate overpaid amounts and other enumerated rights, including the right to commence a legal action.
SECTION 12 - SUBROGATION AND REIMBURSEMENT

The Plan has a right to subrogation and reimbursement.

Subrogation applies when the plan has paid Benefits on your behalf for a Sickness or Injury for which a third party is alleged to be responsible. The right to subrogation means that the Plan is substituted to and shall succeed to any and all legal claims that you may be entitled to pursue against any third party for the Benefits that the Plan has paid that are related to the Sickness or Injury for which a third party is alleged to be responsible.

**Subrogation - Example**

Suppose you are injured in a car accident that is not your fault, and you receive Benefits under the Plan to treat your injuries. Under subrogation, the Plan has the right to take legal action in your name against the driver who caused the accident and that driver's insurance carrier to recover the cost of those Benefits.

The right to reimbursement means that if a third party causes or is alleged to have caused a Sickness or Injury for which you receive a settlement, judgment, or other recovery from any third party, you must use those proceeds to fully return to the Plan 100% of any Benefits you received for that Sickness or Injury.

**Reimbursement - Example**

Suppose you are injured in a boating accident that is not your fault, and you receive Benefits under the Plan as a result of your injuries. In addition, you receive a settlement in a court proceeding from the individual who caused the accident. You must use the settlement funds to return to the plan 100% of any Benefits you received to treat your injuries.

The following persons and entities are considered third parties:

- A person or entity alleged to have caused you to suffer a Sickness, Injury or damages, or who is legally responsible for the Sickness, Injury or damages.
- Any insurer or other indemnifier of any person or entity alleged to have caused or who caused the Sickness, Injury or damages.
- The Plan Sponsor (for example workers' compensation cases).
- Any person or entity who is or may be obligated to provide benefits or payments to you, including benefits or payments for underinsured or uninsured motorist protection, no-fault or traditional auto insurance, medical payment coverage (auto, homeowners or otherwise), workers' compensation coverage, other insurance carriers or third party administrators.
- Any person or entity that is liable for payment to you on any equitable or legal liability theory.
You agree as follows:

- You will cooperate with the Plan in protecting its legal and equitable rights to subrogation and reimbursement in a timely manner, including, but not limited to:
  - Notifying the Plan, in writing, of any potential legal claim(s) you may have against any third party for acts which caused Benefits to be paid or become payable;
  - Providing any relevant information requested by the Plan.
  - Signing and/or delivering such documents as the Plan or its agents reasonably request to secure the subrogation and reimbursement claim.
  - Responding to requests for information about any accident or injuries;
  - Making court appearances.
  - Obtaining the Plan's consent or its agents' consent before releasing any party from liability or payment of medical expenses.
  - Complying with the terms of this section.

Your failure to cooperate with the Plan is considered a breach of contract. As such, the Plan has the right to terminate your Benefits, deny future Benefits, take legal action against you, and/or set off from any future Benefits the value of Benefits the Plan has paid relating to any Sickness or Injury alleged to have been caused or caused by any third party to the extent not recovered by the Plan due to you or your representative not cooperating with the Plan. If the Plan incurs attorneys' fees and costs in order to collect third party settlement funds held by you or your representative, the Plan has the right to recover those fees and costs from you. You will also be required to pay interest on any amounts you hold which should have been returned to the Plan.

- The Plan has a first priority right to receive payment on any claim against a third party before you receive payment from that third party. Further, the Plan's first priority right to payment is superior to any and all claims, debts or liens asserted by any medical providers, including but not limited to Hospitals or emergency treatment facilities, that assert a right to payment from funds payable from or recovered from an allegedly responsible third party and/or insurance carrier.

- The Plan's subrogation and reimbursement rights apply to full and partial settlements, judgments, or other recoveries paid or payable to you or your representative, no matter how those proceeds are captioned or characterized. Payments include, but are not limited to, economic, non-economic, and punitive damages. The Plan is not required to help you to pursue your claim for damages or personal injuries and no amount of associated costs, including attorneys' fees, shall be deducted from the Plan's recovery without the Plan's express written consent. No so-called "Fund Doctrine" or "Common Fund Doctrine" or "Attorney's Fund Doctrine" shall defeat this right.

- Regardless of whether you have been fully compensated or made whole, the Plan may collect from you the proceeds of any full or partial recovery that you or your legal representative obtain, whether in the form of a settlement (either before or after any determination of liability) or judgment, no matter how those proceeds are captioned or characterized. Proceeds from which the Plan may collect include, but are not limited to, economic, non-economic, and punitive damages. No "collateral source" rule, any "Made-Whole Doctrine" or "Make-Whole Doctrine," claim of unjust enrichment, nor any other equitable limitation shall limit the Plan's subrogation and reimbursement rights.
 Benefits paid by the Plan may also be considered to be Benefits advanced.

 If you receive any payment from any party as a result of Sickness or Injury, and the Plan alleges some or all of those funds are due and owed to the Plan, you shall hold those funds in trust, either in a separate bank account in your name or in your attorney's trust account. You agree that you will serve as a trustee over those funds to the extent of the Benefits the Plan has paid.

 The Plan's rights to recovery will not be reduced due to your own negligence.

 Upon the Plan's request, you will assign to the Plan all rights of recovery against third parties, to the extent of the Benefits the Plan has paid for the Sickness or Injury.

 The Plan may, at its option, take necessary and appropriate action to preserve its rights under these subrogation provisions, including but not limited to, providing or exchanging medical payment information with an insurer, the insurer's legal representative or other third party and filing suit in your name, which does not obligate the Plan in any way to pay you part of any recovery the Plan might obtain.

 You may not accept any settlement that does not fully reimburse the Plan, without its written approval.

 The Plan has the authority and discretion to resolve all disputes regarding the interpretation of the language stated herein.

 In the case of your wrongful death or survival claim, the provisions of this section apply to your estate, the personal representative of your estate, and your heirs or beneficiaries.

 No allocation of damages, settlement funds or any other recovery, by you, your estate, the personal representative of your estate, your heirs, your beneficiaries or any other person or party, shall be valid if it does not reimburse the Plan for 100% of its interest unless the Plan provides written consent to the allocation.

 The provisions of this section apply to the parents, guardian, or other representative of a Dependent child who incurs a Sickness or Injury caused by a third party. If a parent or guardian may bring a claim for damages arising out of a minor's Sickness or Injury, the terms of this subrogation and reimbursement clause shall apply to that claim.

 If a third party causes or is alleged to have caused you to suffer a Sickness or Injury while you are covered under this Plan, the provisions of this section continue to apply, even after you are no longer covered.

 The Plan and all Administrators administering the terms and conditions of the Plan's subrogation and reimbursement rights have such powers and duties as are necessary to discharge its duties and functions, including the exercise of its discretionary authority to (1) construe and enforce the terms of the Plan's subrogation and reimbursement rights and (2) make determinations with respect to the subrogation amounts and reimbursements owed to the Plan.
Right of Recovery

The Plan also has the right to recover benefits it has paid on you or your Dependent's behalf that were:

- Made in error.
- Due to a mistake in fact.
- Advanced during the time period of meeting the calendar year Deductible.
- Advanced during the time period of meeting the Out-of-Pocket Maximum for the calendar year.

Benefits paid because you or your Dependent misrepresented facts are also subject to recovery.

If the Plan provides a Benefit for you or your Dependent that exceeds the amount that should have been paid, the Plan will:

- Require that the overpayment be returned when requested.
- Reduce a future benefit payment for you or your Dependent by the amount of the overpayment.

If the Plan provides an advancement of benefits to you or your Dependent during the time period of meeting the Deductible and/or meeting the Out-of-Pocket Maximum for the calendar year, the Plan will send you or your Dependent a monthly statement identifying the amount you owe with payment instructions. The Plan has the right to recover Benefits it has advanced by:

- Submitting a reminder letter to you or a covered Dependent that details any outstanding balance owed to the Plan.
- Conducting courtesy calls to you or a covered Dependent to discuss any outstanding balance owed to the Plan.
SECTION 13 - WHEN COVERAGE ENDS

What this section includes:
■ Circumstances that cause coverage to end.
■ Extended coverage.
■ Conversion from a group policy to an individual policy.
■ How to continue coverage after it ends.

Your entitlement to Benefits automatically ends on the date that coverage ends, even if you are hospitalized or are otherwise receiving medical treatment on that date. Please note that this does not affect coverage that is extended under Extended Coverage for Total Disability below.

When your coverage ends, City of Columbus will still pay claims for Covered Health Services that you received before your coverage ended. However, once your coverage ends, Benefits are not provided for health services that you receive after coverage ended, even if the underlying medical condition occurred before your coverage ended. Please note that this does not affect coverage that is extended under Extended Coverage for Total Disability below.

Your coverage under the Plan will end on the earliest of:
■ The last day of the month your employment with the City ends.
■ The date the Plan ends.
■ The last day of the month you stop making the required contributions.
■ The last day of the month you are no longer eligible.
■ The last day of the month UnitedHealthcare receives written notice from City of Columbus to end your coverage, or the date requested in the notice, if later.
■ The last day of the month you retire or are pensioned under the Plan, unless specific coverage is available for retired or pensioned persons and you are eligible for that coverage.

Coverage for your eligible Dependents will end on the earliest of:
■ The date your coverage ends.
■ The last day of the month you stop making the required contributions.
■ The last day of the month UnitedHealthcare receives written notice from City of Columbus to end your coverage, or the date requested in the notice, if later.
■ The 26th date of birth of Dependent.
■ In the event of a divorce or legal separation, coverage terminates on the date of the divorce decree or the date documented in the court certified legal separation.
Other Events Ending Your Coverage

The Plan will provide at least thirty days’ prior written notice to you that your coverage will end on the date identified in the notice if you commit an act, practice, or omission that constituted fraud, or an intentional misrepresentation of a material fact including, but not limited to, knowingly providing incorrect information relating to another person's eligibility or status as a Dependent. You may appeal this decision during the 30-day notice period. The notice will contain information on how to pursue your appeal.

Note: If UnitedHealthcare and City of Columbus find that you have performed an act, practice, or omission that constitutes fraud, or have made an intentional misrepresentation of material fact City of Columbus has the right to demand that you pay back all Benefits City of Columbus paid to you, or paid in your name, during the time you were incorrectly covered under the Plan.

Coverage for a Disabled Dependent Child

Coverage for an unmarried enrolled Dependent child who is disabled will not end just because the child has reached a certain age. The Plan will extend the coverage for that child beyond the limiting age if both of the following are true regarding the enrolled Dependent child:

- Is not able to be self-supporting because of mental or physical handicap or disability.
- Depends mainly on you for support.

Coverage will continue as long as the enrolled Dependent is medically certified as disabled and dependent unless coverage is otherwise terminated in accordance with the terms of the Plan.

The Plan will ask you to furnish proof of the medical certification of disability within 30 days of the date coverage would otherwise have ended because the child reached a certain age. Before the Plan agrees to this extension of coverage for the child, the Plan may require that a Physician chosen by the Plan examine the child. The Plan will pay for that examination.

The Plan may continue to ask you for proof that the child continues to be disabled and dependent. Such proof might include medical examinations at the Plan’s expense. However, the Plan will not ask for this information more than once a year.

If you do not provide proof of the child's disability and dependency within 30 days of the Plan’s request as described above, coverage for that child will end.

Extended Coverage for Total Disability

If a Covered Person has a Total Disability on the date their coverage under the Plan ends, their Benefits will not end automatically. The Plan will temporarily extend coverage, only for treatment of the condition causing the Total Disability. Benefits will be paid until the earlier of:

- The Total Disability ends.
three months from the date coverage would have ended.

Continuing Coverage Through COBRA

If you lose your Plan coverage, you may have the right to extend it under the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA), as defined in Section 14, Glossary.

Continuation coverage under COBRA is available only to Plans that are subject to the terms of COBRA. You can contact your Plan Administrator to determine if City of Columbus is subject to the provisions of COBRA.

Continuation Coverage under Federal Law (COBRA)

Much of the language in this section comes from the federal law that governs continuation coverage. You should call your Plan Administrator if you have questions about your right to continue coverage.

In order to be eligible for continuation coverage under federal law, you must meet the definition of a "Qualified Beneficiary". A Qualified Beneficiary is any of the following persons who were covered under the Plan on the day before a qualifying event:

- A Participant.
- A Participant’s enrolled Dependent, including with respect to the Participant's children, a child born to or placed for adoption with the Participant during a period of continuation coverage under federal law.
- A Participant's former Spouse.

Qualifying Events for Continuation Coverage under COBRA

The following table outlines situations in which you may elect to continue coverage under COBRA for yourself and your Dependents, and the maximum length of time you can receive continued coverage. These situations are considered qualifying events.

¹Subject to the following conditions: (i) notice of the disability must be provided within the latest of 60 days after: a). the determination of the disability, b). the date of the qualifying event, c). the date the Qualified Beneficiary would lose coverage under the Plan, and in no event later than the end of the first 18 months; (ii) the Qualified Beneficiary must agree to pay any increase in the required premium for the additional 11 months over the original 18 months; and (iii) if the Qualified Beneficiary entitled to the 11 months of coverage has non-disabled family members who are also Qualified Beneficiaries, then those non-disabled Qualified Beneficiaries are also entitled to the additional 11 months of continuation coverage. Notice of any final determination that the Qualified Beneficiary is no longer disabled must be provided within 30 days of such determination. Thereafter, continuation coverage may be terminated on the first day of the month that begins more than 30 days after the date of that determination.

²This is a qualifying event for any retired Participant and his or her enrolled Dependents if there is a substantial elimination of coverage within one year before or after the date the bankruptcy was filed.

³From the date of the Participant's death if the Participant dies during the continuation coverage.

### How Your Medicare Eligibility Affects Dependent COBRA Coverage

The table below outlines how your Dependents' COBRA coverage is impacted if you become entitled to Medicare.

<table>

<td>36 months</td>
</tr>
</tbody>
</table>
If Dependent Coverage Ends When: You May Elect COBRA Dependent Coverage For Up To:

You experience a qualifying event*, after which you become entitled to Medicare before the initial 18-month period expires; and, if absent this initial qualifying event, your Medicare entitlement would have resulted in loss of Dependent coverage under the Plan 36 months

* Your work hours are reduced or your employment is terminated for reasons other than gross misconduct.

**Getting Started**

You will be notified by mail if you become eligible for COBRA coverage as a result of a reduction in work hours or termination of employment. The notification will give you instructions for electing COBRA coverage, and advise you of the monthly cost. Your monthly cost is the full cost, including both Participant and Employer costs, plus a 2% administrative fee or other cost as permitted by law.

You will have up to 60 days from the date you receive notification or 60 days from the date your coverage ends to elect COBRA coverage, whichever is later. You will then have an additional 45 days to pay the cost of your COBRA coverage, retroactive to the date your Plan coverage ended.

During the 60-day election period, the Plan will, only in response to a request from a provider, inform that provider of your right to elect COBRA coverage, retroactive to the date your COBRA eligibility began.

While you are a participant in the medical Plan under COBRA, you have the right to change your coverage election:

- During Open Enrollment.
- Following a change in family status, as described under Changing Your Coverage in Section 2, Introduction.

**Notification Requirements**

If your covered Dependents lose coverage due to divorce, legal separation, or loss of Dependent status, you or your Dependents must notify the Plan Administrator within 60 days of the latest of:

- The date of the divorce, legal separation or an enrolled Dependent's loss of eligibility as an enrolled Dependent.
- The date your enrolled Dependent would lose coverage under the Plan.
- The date on which you or your enrolled Dependent are informed of your obligation to provide notice and the procedures for providing such notice.
You or your Dependents must also notify the Plan Administrator when a qualifying event occurs that will extend continuation coverage.

If you or your Dependents fail to notify the Plan Administrator of these events within the 60 day period, the Plan Administrator is not obligated to provide continued coverage to the affected Qualified Beneficiary. If you are continuing coverage under federal law, you must notify the Plan Administrator within 60 days of the birth or adoption of a child.

Once you have notified the Plan Administrator, you will then be notified by mail of your election rights under COBRA.

Notification Requirements for Disability Determination
If you extend your COBRA coverage beyond 18 months because you are eligible for disability benefits from Social Security, you must provide your Department Human Resources office with notice of the Social Security Administration’s determination within 60 days after you receive that determination, and before the end of your initial 18-month continuation period.

The notice requirements will be satisfied by providing written notice to the Plan Administrator at the address stated in Section 16, Important Administrative Information. The contents of the notice must be such that the Plan Administrator is able to determine the covered Employee and qualified beneficiary(ies), the qualifying event or disability, and the date on which the qualifying event occurred.

Trade Act of 2002
The Trade Act of 2002 amended COBRA to provide for a special second 60-day COBRA election period for certain Participants who have experienced a termination or reduction of hours and who lose group health plan coverage as a result. The special second COBRA election period is available only to a very limited group of individuals: generally, those who are receiving trade adjustment assistance (TAA) or ‘alternative trade adjustment assistance’ under a federal law called the Trade Act of 1974. These Participants are entitled to a second opportunity to elect COBRA coverage for themselves and certain family members (if they did not already elect COBRA coverage), but only within a limited period of 60 days from the first day of the month when an individual begins receiving TAA (or would be eligible to receive TAA but for the requirement that unemployment benefits be exhausted) and only during the six months immediately after their group health plan coverage ended.

If a Participant qualifies or may qualify for assistance under the Trade Act of 1974, he or she should contact the Plan Administrator for additional information. The Participant must contact the Plan Administrator promptly after qualifying for assistance under the Trade Act of 1974 or the Participant will lose his or her special COBRA rights. COBRA coverage elected during the special second election period is not retroactive to the date that Plan coverage was lost, but begins on the first day of the special second election period.
When COBRA Ends

COBRA coverage will end before the maximum continuation period shown above if:

■ You or your covered Dependent becomes covered under another group medical plan, as long as the other plan doesn't limit your coverage due to a preexisting condition; or if the other plan does exclude coverage due to your preexisting condition, your COBRA benefits would end when the exclusion period ends.

■ You or your covered Dependent becomes entitled to, and enrolls in, Medicare after electing COBRA.

■ The first required premium is not paid within 45 days.

■ Any other monthly premium is not paid within 30 days of its due date;

■ The entire Plan ends.

■ Coverage would otherwise terminate under the Plan as described in the beginning of this section.

*Note:* If you selected continuation coverage under a prior plan which was then replaced by coverage under this Plan, continuation coverage will end as scheduled under the prior plan or in accordance with the terminating events listed in this section, whichever is earlier.

Conversion from a Group Plan to an Individual Plan

If your coverage terminates for one of the reasons described below, you may apply for conversion coverage, without furnishing evidence of insurability, if:

■ You are no longer eligible as a Participant or enrolled Dependent.

■ Continuation coverage ends.

This right to conversion coverage is contingent upon the exhaustion of COBRA continuation coverage.

In addition, you may not be eligible for conversion coverage if you are:

■ Age 65 or older.

■ Covered under or eligible for coverage under Medicare (title XVIII as amended).

■ Covered under or eligible for any group, individual, prepayment, government, or other plan or program which would result in over insurance if conversion coverage was issued.

You must submit your first application and payment to UnitedHealthcare or its designated insurance company within 31 days after coverage ends under this Plan. UnitedHealthcare or its designated insurance company will issue conversion coverage according to the terms and conditions in effect at the time you apply. Conversion coverage may be substantially different from coverage provided under this Plan. Even though you may be eligible for conversion coverage, UnitedHealthcare does not offer conversion products in certain states. When a conversion product is not available, the conversion coverage may be provided by a state sponsored risk pool.
Uniformed Services Employment and Reemployment Rights Act

A Participant who is absent from employment for more than 30 days by reason of service in the Uniformed Services may elect to continue Plan coverage for the Participant and the Participant's Dependents in accordance with the Uniformed Services Employment and Reemployment Rights Act of 1994, as amended (USERRA).

The terms "Uniformed Services" or "Military Service" mean the Armed Forces, the Army National Guard and the Air National Guard when engaged in active duty for training, inactive duty training, or full-time National Guard duty, the commissioned corps of the Public Health Service, and any other category of persons designated by the President in time of war or national emergency.

If qualified to continue coverage pursuant to the USERRA, Participants may elect to continue coverage under the Plan by notifying the Plan Administrator in advance, and providing payment of any required contribution for the health coverage. This may include the amount the Plan Administrator normally pays on a Participant's behalf. If a Participant's Military Service is for a period of time less than 31 days, the Participant may not be required to pay more than the regular contribution amount, if any, for continuation of health coverage.

A Participant may continue Plan coverage under USERRA for up to the lesser of:

- The 24 month period beginning on the date of the Participant's absence from work.
- The day after the date on which the Participant fails to apply for, or return to, a position of employment.

Regardless of whether a Participant continues health coverage, if the Participant returns to a position of employment, the Participant's health coverage and that of the Participant's eligible Dependents will be reinstated under the Plan. No exclusions or waiting period may be imposed on a Participant or the Participant's eligible Dependents in connection with this reinstatement, unless a Sickness or Injury is determined by the Secretary of Veterans Affairs to have been incurred in, or aggravated during, the performance of military service.

You should call the Plan Administrator if you have questions about your rights to continue health coverage under USERRA.
SECTION 14 - OTHER IMPORTANT INFORMATION

What this section includes:

■ Court-ordered Benefits for Dependent children.
■ Your relationship with UnitedHealthcare and City of Columbus.
■ Relationships with providers.
■ Interpretation of Benefits.
■ Information and records.
■ Incentives to providers and you.
■ The future of the Plan.
■ How to access the official Plan documents.

Qualified Medical Child Support Orders (QMCSOs)

A qualified medical child support order (QMCSO) is a judgment, decree or order issued by a court or appropriate state agency that requires a child to be covered for medical benefits. Generally, a QMCSO is issued as part of a paternity, divorce, or other child support settlement.

If the Plan receives a medical child support order for your child that instructs the Plan to cover the child, the Plan Administrator will review it to determine if it meets the requirements for a QMCSO. If it determines that it does, your child will be enrolled in the Plan as your Dependent, and the Plan will be required to pay Benefits as directed by the order.

You may obtain, without charge, a copy of the procedures governing QMCSOs from the Plan Administrator.

*Note:* A National Medical Support Notice will be recognized as a QMCSO if it meets the requirements of a QMCSO.

Your Relationship with UnitedHealthcare and City of Columbus

In order to make choices about your health care coverage and treatment, City of Columbus believes that it is important for you to understand how UnitedHealthcare interacts with the Plan Sponsor’s benefit Plan and how it may affect you. UnitedHealthcare helps administer the Plan Sponsor’s benefit plan in which you are enrolled. UnitedHealthcare does not provide medical services or make treatment decisions. This means:

■ City of Columbus and UnitedHealthcare do not decide what care you need or will receive. You and your Physician make those decisions.
■ UnitedHealthcare communicates to you decisions about whether the Plan will cover or pay for the health care that you may receive (the Plan pays for Covered Health Services, which are more fully described in this SPD).
The Plan may not pay for all treatments you or your Physician may believe are necessary. If the Plan does not pay, you will be responsible for the cost.

City of Columbus and UnitedHealthcare may use individually identifiable information about you to identify for you (and you alone) procedures, products or services that you may find valuable. City of Columbus and UnitedHealthcare will use individually identifiable information about you as permitted or required by law, including in operations and in research. City of Columbus and UnitedHealthcare will use de-identified data for commercial purposes including research.

Relationship with Providers

The Claims Administrator has agreements in place that govern the relationships between it and City of Columbus and Network providers, some of which are affiliated providers. Network providers enter into agreements with the Claims Administrator to provide Covered Health Services to Covered Persons.

City of Columbus and UnitedHealthcare do not provide health care services or supplies, nor do they practice medicine. Instead, City of Columbus and UnitedHealthcare arrange for health care providers to participate in a Network and administer payment of Benefits. Network providers are independent practitioners who run their own offices and facilities. UnitedHealthcare's credentialing process confirms public information about the providers' licenses and other credentials, but does not assure the quality of the services provided. They are not City of Columbus’s employees nor are they employees of UnitedHealthcare. City of Columbus and UnitedHealthcare are not responsible for any act or omission of any provider.

UnitedHealthcare is not considered to be an employer of the Plan Administrator for any purpose with respect to the administration or provision of benefits under this Plan.

City of Columbus is solely responsible for:

- Enrollment and classification changes (including classification changes resulting in your enrollment or the termination of your coverage).
- The timely payment of the service fee to UnitedHealthcare.
- The funding of Benefits on a timely basis.
- Notifying you of the termination or modifications to the Plan.

Your Relationship with Providers

The relationship between you and any provider is that of provider and patient. Your provider is solely responsible for the quality of the services provided to you. You:

- Are responsible for choosing your own provider.
- Are responsible for paying, directly to your provider, any amount identified as a member responsibility, including Copayments, Coinsurance, any Annual Deductible and any amount that exceeds Eligible Expenses.
- Are responsible for paying, directly to your provider, the cost of any non-Covered Health Service.
- Must decide if any provider treating you is right for you (this includes Network providers you choose and providers to whom you have been referred).
- Must decide with your provider what care you should receive.

**Interpretation of Benefits**

City of Columbus and UnitedHealthcare have the sole and exclusive discretion to:

- Interpret Benefits under the Plan.
- Interpret the other terms, conditions, limitations and exclusions of the Plan, including this SPD and any Riders and/or Amendments.
- Make factual determinations related to the Plan and its Benefits.

City of Columbus and UnitedHealthcare may delegate this discretionary authority to other persons or entities that provide services in regard to the administration of the Plan.

In certain circumstances, for purposes of overall cost savings or efficiency, City of Columbus may, in its discretion, offer Benefits for services that would otherwise not be Covered Health Services. The fact that City of Columbus does so in any particular case shall not in any way be deemed to require City of Columbus to do so in other similar cases.

**Information and Records**

City of Columbus and UnitedHealthcare may use your individually identifiable health information to administer the Plan and pay claims, to identify procedures, products, or services that you may find valuable, and as otherwise permitted or required by law. City of Columbus and UnitedHealthcare may request additional information from you to decide your claim for Benefits. City of Columbus and UnitedHealthcare will keep this information confidential. City of Columbus and UnitedHealthcare may also use your de-identified data for commercial purposes, including research, as permitted by law.

By accepting Benefits under the Plan, you authorize and direct any person or institution that has provided services to you to furnish City of Columbus and UnitedHealthcare with all information or copies of records relating to the services provided to you. City of Columbus and UnitedHealthcare have the right to request this information at any reasonable time. This applies to all Covered Persons, including enrolled Dependents whether or not they have signed the Participant's enrollment form. City of Columbus and UnitedHealthcare agree that such information and records will be considered confidential.

City of Columbus and UnitedHealthcare have the right to release any and all records concerning health care services which are necessary to implement and administer the terms of the Plan, for appropriate medical review or quality assessment, or as City of Columbus is required to do by law or regulation. During and after the term of the Plan, City of Columbus and UnitedHealthcare and its related entities may use and transfer the information gathered...
under the Plan in a de-identified format for commercial purposes, including research and analytic purposes.

For complete listings of your medical records or billing statements City of Columbus recommends that you contact your health care provider. Providers may charge you reasonable fees to cover their costs for providing records or completing requested forms.

If you request medical forms or records from UnitedHealthcare, they also may charge you reasonable fees to cover costs for completing the forms or providing the records.

In some cases, City of Columbus and UnitedHealthcare will designate other persons or entities to request records or information from or related to you, and to release those records as necessary. UnitedHealthcare's designees have the same rights to this information as does the Plan Administrator.

**Incentives to Providers**

Network providers may be provided financial incentives by UnitedHealthcare to promote the delivery of health care in a cost efficient and effective manner. These financial incentives are not intended to affect your access to health care.

Examples of financial incentives for Network providers are:

- Bonuses for performance based on factors that may include quality, member satisfaction, and/or cost-effectiveness.

- A practice called capitation which is when a group of Network providers receives a monthly payment from UnitedHealthcare for each Covered Person who selects a Network provider within the group to perform or coordinate certain health services. The Network providers receive this monthly payment regardless of whether the cost of providing or arranging to provide the Covered Person's health care is less than or more than the payment.

If you have any questions regarding financial incentives you may contact the telephone number on your ID card. You can ask whether your Network provider is paid by any financial incentive, including those listed above; however, the specific terms of the contract, including rates of payment, are confidential and cannot be disclosed. In addition, you may choose to discuss these financial incentives with your Network provider.

**Incentives to You**

Sometimes you may be offered coupons or other incentives to encourage you to participate in various wellness programs or certain disease management programs, surveys, discount programs and/or programs to seek care in a more cost effective setting and/or from Designated Providers. In some instances, these programs may be offered in combination with a non-UnitedHealthcare entity. The decision about whether or not to participate is yours alone but City of Columbus recommends that you discuss participating in such programs with your Physician. These incentives are not Benefits and do not alter or affect your Benefits. You may call the number on the back of your ID card if you have any questions. Additional information may be found in Section 7, *Clinical Programs and Resources.*
Rebates and Other Payments

City of Columbus and UnitedHealthcare may receive rebates for certain drugs that are administered to you in a Physician's office, or at a Hospital or Alternate Facility. This includes rebates for those drugs that are administered to you before you meet your Annual Deductible. City of Columbus and UnitedHealthcare may pass a portion of these rebates on to you. When rebates are passed on to you, they may be taken into account in determining your Copays or Coinsurance.

Workers' Compensation Not Affected

Benefits provided under the Plan do not substitute for and do not affect any requirements for coverage by workers' compensation insurance.

Future of the Plan

Although the City expects to continue the Plan indefinitely, it reserves the right to discontinue, alter or modify the Plan in whole or in part, at any time and for any reason, at its sole determination.

The City’s decision to terminate or amend a Plan may be due to changes in federal or state laws governing employee benefits, the requirements of the Internal Revenue Code or any other reason. A plan change may transfer plan assets and debts to another plan or split a plan into two or more parts. If the Company does change or terminate a plan, it may decide to set up a different plan providing similar or different benefits.

If this Plan is terminated, Covered Persons will not have the right to any other Benefits from the Plan, other than for those claims incurred prior to the date of termination, or as otherwise provided under the Plan. In addition, if the Plan is amended, Covered Persons may be subject to altered coverage and Benefits.

The amount and form of any final benefit you receive will depend on any Plan document or contract provisions affecting the Plan and City decisions. After all Benefits have been paid and other requirements of the law have been met, certain remaining Plan assets will be turned over to the City and others as may be required by any applicable law.

Plan Document

This Summary Plan Description (SPD) represents an overview of your Benefits. In the event there is a discrepancy between the SPD and the official plan document, the plan document will govern. A copy of the plan document is available for your inspection during regular business hours in the office of the Plan Administrator. You (or your personal representative) may obtain a copy of this document by written request to the Plan Administrator, for a nominal charge.

Review and Determine Benefits in Accordance with UnitedHealthcare Reimbursement Policies

UnitedHealthcare develops its reimbursement policy guidelines, in its sole discretion, in accordance with one or more of the following methodologies:
As indicated in the most recent edition of the Current Procedural Terminology (CPT), a publication of the American Medical Association, and/or the Centers for Medicare and Medicaid Services (CMS).

As reported by generally recognized professionals or publications.

As used for Medicare.

As determined by medical staff and outside medical consultants pursuant to other appropriate sources or determinations that UnitedHealthcare accepts.

Following evaluation and validation of certain provider billings (e.g., error, abuse and fraud reviews), UnitedHealthcare's reimbursement policies are applied to provider billings. UnitedHealthcare shares its reimbursement policies with Physicians and other providers in UnitedHealthcare's Network through UnitedHealthcare's provider website. Network Physicians and providers may not bill you for the difference between their contract rate (as may be modified by UnitedHealthcare's reimbursement policies) and the billed charge. However, non-Network providers are not subject to this prohibition, and may bill you for any amounts the Plan does not pay, including amounts that are denied because one of UnitedHealthcare's reimbursement policies does not reimburse (in whole or in part) for the service billed. You may obtain copies of UnitedHealthcare's reimbursement policies for yourself or to share with your non-Network Physician or provider by going to www.myuhc.com or by calling the telephone number on your ID card.

UnitedHealthcare may apply a reimbursement methodology established by OptumInsight and/or a third party vendor, which is based on CMS coding principles, to determine appropriate reimbursement levels for Emergency Health Services. The methodology is usually based on elements reflecting the patient complexity, direct costs, and indirect costs of an Emergency Health Service. If the methodology(ies) currently in use become no longer available, UnitedHealthcare will use a comparable methodology(ies). UnitedHealthcare and OptumInsight are related companies through common ownership by UnitedHealth Group. Refer to UnitedHealthcare’s website at www.myuhc.com for information regarding the vendor that provides the applicable methodology.
SECTION 15 - GLOSSARY

What this section includes:

- Definitions of terms used throughout this SPD.

Many of the terms used throughout this SPD may be unfamiliar to you or have a specific meaning with regard to the way the Plan is administered and how Benefits are paid. This section defines terms used throughout this SPD, but it does not describe the Benefits provided by the Plan.

Addendum - any attached written description of additional or revised provisions to the Plan. The benefits and exclusions of this SPD and any Amendments thereto shall apply to the Addendum except that in the case of any conflict between the Addendum and SPD and/or Amendments to the SPD, the Addendum shall be controlling.

Alternate Facility - a health care facility that is not a Hospital and that provides one or more of the following services on an outpatient basis, as permitted by law:

- Surgical services.
- Emergency Health Services.
- Rehabilitative, laboratory, diagnostic or therapeutic services.

An Alternate Facility may also provide Mental Health Services or Substance-Related and Addictive Disorders Services on an outpatient basis or inpatient basis (for example a Residential Treatment Facility).

Amendment - any attached written description of additional or alternative provisions to the Plan. Amendments are effective only when distributed by the Plan Sponsor or the Plan Administrator. Amendments are subject to all conditions, limitations and exclusions of the Plan, except for those that the amendment is specifically changing.

Annual Deductible (or Deductible) - the amount you must pay for Covered Health Services in a plan year before the Plan will begin paying Benefits in that plan year. The Deductible is shown in the first table in Section 5, Plan Highlights.

Any amount you pay for medical expenses in the last three months of the previous plan year, that is applied to the previous Deductible, will be carried over and applied to the current Deductible. This carry-over feature applies only to the individual Deductible.

Autism Spectrum Disorders - a condition marked by enduring problems communicating and interacting with others, along with restricted and repetitive behavior, interests or activities.

Benefits - Plan payments for Covered Health Services, subject to the terms and conditions of the Plan and any Addendums and/or Amendments.

Body Mass Index (BMI) - a calculation used in obesity risk assessment which uses a person's weight and height to approximate body fat.
**BMI** - see Body Mass Index (BMI).

**Cancer Resource Services (CRS)** - a program administered by UnitedHealthcare or its affiliates made available to you by City of Columbus. The CRS program provides:

- Specialized consulting services, on a limited basis, to Participants and enrolled Dependents with cancer.
- Access to cancer centers with expertise in treating the most rare or complex cancers.
- Education to help patients understand their cancer and make informed decisions about their care and course of treatment.

**Cellular Therapy** - administration of living whole cells into a patient for the treatment of disease.

**CHD** - see Congenital Heart Disease (CHD).

**Claims Administrator** - UnitedHealthcare (also known as United Healthcare Services, Inc.) and its affiliates, who provide certain claim administration services for the Plan.

**Clinical Trial** - a scientific study designed to identify new health services that improve health outcomes. In a Clinical Trial, two or more treatments are compared to each other and the patient is not allowed to choose which treatment will be received.

**COBRA** - see Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA).

**Coinsurance** - the charge, stated as a percentage of Eligible Expenses, that you are required to pay for certain Covered Health Services as described in Section 3, *How the Plan Works*.

**City** - City of Columbus.

**Congenital Anomaly** - a physical developmental defect that is present at birth and is identified within the first twelve months of birth.

**Congenital Heart Disease (CHD)** - any structural heart problem or abnormality that has been present since birth. Congenital heart defects may:

- Be passed from a parent to a child (inherited).
- Develop in the fetus of a woman who has an infection or is exposed to radiation or other toxic substances during her Pregnancy.
- Have no known cause.

**Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA)** - a federal law that requires employers to offer continued health insurance coverage to certain employees and their dependents whose group health insurance has been terminated.

**Cosmetic Procedures** - procedures or services that change or improve appearance without significantly improving physiological function, as determined by the Claims Administrator.
Cost-Effective - the least expensive equipment that performs the necessary function. This term applies to Durable Medical Equipment and prosthetic devices.

Covered Health Services - those health services, including services, supplies or Pharmaceutical Products, which the Claims Administrator determines to be:

- Provided for the purpose of preventing, diagnosing or treating Sickness, Injury, Mental Illness, substance-related and addictive disorders or their symptoms.
- Consistent with nationally recognized scientific evidence as available, and prevailing medical standards and clinical guidelines as described below.
- Not provided for the convenience of the Covered Person, Physician, facility or any other person.
- Included in Section 5, Plan Highlights and Section 6, Additional Coverage Details.
- Provided to a Covered Person who meets the Plan's eligibility requirements, as described under Eligibility in Section 2, Introduction.
- Not identified in Section 8, Exclusions.

In applying the above definition, "scientific evidence" and "prevailing medical standards" have the following meanings:

- "Scientific evidence" means the results of controlled Clinical Trials or other studies published in peer-reviewed, medical literature generally recognized by the relevant medical specialty community.
- "Prevailing medical standards and clinical guidelines" means nationally recognized professional standards of care including, but not limited to, national consensus statements, nationally recognized clinical guidelines, and national specialty society guidelines.

The Claims Administrator maintains clinical protocols that describe the scientific evidence, prevailing medical standards and clinical guidelines supporting its determinations regarding specific services. You can access these clinical protocols (as revised from time to time) on www.myuhc.com or by calling the number on the back of your ID card. This information is available to Physicians and other health care professionals on www.UnitedHealthcareOnline.com.

Covered Person - either the Participant or an enrolled Dependent, but this term applies only while the person is enrolled and eligible for Benefits under the Plan. References to "you" and "your" throughout this SPD are references to a Covered Person.

CRS - see Cancer Resource Services (CRS).

Custodial Care - services that are any of the following:

- Non-health-related services, such as assistance in activities of daily living (examples include feeding, dressing, bathing, transferring and ambulating).
■ Health-related services that are provided for the primary purpose of meeting the personal needs of the patient or maintaining a level of function (even if the specific services are considered to be skilled services), as opposed to improving that function to an extent that might allow for a more independent existence.

■ Services that do not require continued administration by trained medical personnel in order to be delivered safely and effectively.

Deductible - see Annual Deductible.

Definitive Drug Test - test to identify specific medications, illicit substances and metabolites and is qualitative or quantitative to identify possible use or non-use of a drug.

Dependent - an individual who meets the eligibility requirements specified in the Plan, as described under Eligibility in Section 2, Introduction.

Designated Provider - a provider and/or facility that:

■ Has entered into an agreement with UnitedHealthcare, or with an organization contracting on UnitedHealthcare's behalf, to provide Covered Health Services for the treatment of specific diseases or conditions; or

■ UnitedHealthcare has identified through UnitedHealthcare's designation programs as a Designated Provider. Such designation may apply to specific treatments, conditions and/or procedures.

A Designated Provider may or may not be located within your geographic area. Not all Network Hospitals or Network Physicians are Designated Providers.

You can find out if your provider is a Designated Provider by contacting UnitedHealthcare at www.myuhc.com or the telephone number on your ID card.

DME - see Durable Medical Equipment (DME).

Domestic Partner - a person of the same or opposite sex with whom the Participant has established a Domestic Partnership.

Domestic Partnership - a relationship between a Participant and one other person of the same or opposite sex. All of the following requirements apply to both persons:

■ They must not be related by blood or a degree of closeness that would prohibit marriage in the law of the state in which they reside.

■ They must not be currently married to, or a Domestic Partner of, another person under either statutory or common law.

■ They must be at least 18 years old.

■ They must share the same permanent residence and the common necessities of life.

■ They must be mentally competent to enter into a contract.
They must be financially interdependent and have furnished documents to support at least two of the following conditions of such financial interdependence:

- They have a single dedicated relationship of at least 6 months duration.
- They have joint ownership of a residence.
- They have at least two of the following:
  † A joint ownership of an automobile.
  † A joint checking, bank or investment account.
  † A joint credit account.
  † A lease for a residence identifying both partners as tenants.
  † A will and/or life insurance policies which designate the other as primary beneficiary.

The Participant and Domestic Partner must jointly sign an affidavit of domestic partnership provided by your Department Human Resources office upon your request.

**Domiciliary Care** - living arrangements designed to meet the needs of people who cannot live independently but do not require Skilled Nursing Facility services.

**Durable Medical Equipment (DME)** - medical equipment that is all of the following:

- Is used to serve a medical purpose with respect to treatment of a Sickness, Injury or their symptoms.
- Is not disposable.
- Is generally not useful to a person in the absence of a Sickness, Injury or their symptoms.
- Can withstand repeated use.
- Is not implantable within the body.
- Is appropriate for use, and is primarily used, within the home.

**Eligible Expenses** - for Covered Health Services, incurred while the Plan is in effect, Eligible Expenses are determined by UnitedHealthcare as stated below and as detailed in Section 3, *How the Plan Works*.

Eligible Expenses are determined solely in accordance with UnitedHealthcare's reimbursement policy guidelines. UnitedHealthcare develops the reimbursement policy guidelines, in UnitedHealthcare's discretion, following evaluation and validation of all provider billings in accordance with one or more of the following methodologies:

- As indicated in the most recent edition of the Current Procedural Terminology (CPT), a publication of the American Medical Association, and/or the Centers for Medicare and Medicaid Services (CMS).
- As reported by generally recognized professionals or publications.
- As used for Medicare.
- As determined by medical staff and outside medical consultants pursuant to other appropriate source or determination that UnitedHealthcare accept.
**Emergency** – a medical condition manifesting itself by acute symptoms of sufficient severity (including severe pain) so that a prudent layperson, who possesses an average knowledge of health and medicine, could reasonably expect the absence of immediate medical attention to result in any of the following:

- Placing the health of the Covered Person (or, with respect to a pregnant woman, the health of the woman or her unborn child) in serious jeopardy.
- Serious impairment to bodily functions.
- Serious dysfunction of any bodily organ or part.

**Emergency Health Services** – with respect to an Emergency, both of the following:

- A medical screening examination (as required under section 1867 of the Social Security Act, 42 U.S.C. 1395dd) that is within the capability of the emergency department of a Hospital, including ancillary services routinely available to the emergency department to evaluate such Emergency.
- Such further medical examination and treatment, to the extent they are within the capabilities of the staff and facilities available at the Hospital, as are required under section 1867 of the Social Security Act (42 U.S.C. 1395dd(e)(3)).

**Employer** - City of Columbus.

**EOB** - see Explanation of Benefits (EOB).

**Experimental or Investigational Services** - medical, surgical, diagnostic, psychiatric, mental health, substance-related and addictive disorders or other health care services, technologies, supplies, treatments, procedures, drug therapies, medications or devices that, at the time the Claims Administrator makes a determination regarding coverage in a particular case, are determined to be any of the following:

- Not approved by the U.S. Food and Drug Administration (FDA) to be lawfully marketed for the proposed use and not identified in the American Hospital Formulary Service or the United States Pharmacopoeia Dispensing Information as appropriate for the proposed use.
- Subject to review and approval by any institutional review board for the proposed use. (Devices which are FDA approved under the Humanitarian Use Device exemption are not considered to be Experimental or Investigational.)
- The subject of an ongoing Clinical Trial that meets the definition of a Phase I, II or III Clinical Trial set forth in the FDA regulations, regardless of whether the trial is actually subject to FDA oversight.

**Exceptions:**

- If you are not a participant in a qualifying Clinical Trial and have a Sickness or condition that is likely to cause death within one year of the request for treatment, the Claims Administrator may, at its discretion, consider an otherwise Experimental or Investigational Service to be a Covered Health Service for that Sickness or condition. Prior to such consideration, the Claims Administrator must determine that, although
unproven, the service has significant potential as an effective treatment for that sickness or condition.

**Explanation of Benefits (EOB)** - a statement provided by UnitedHealthcare to you, your physician, or another health care professional that explains:

- The Benefits provided (if any).
- The allowable reimbursement amounts.
- Deductibles.
- Coinsurance.
- Any other reductions taken.
- The net amount paid by the Plan.
- The reason(s) why the service or supply was not covered by the Plan.

**Gender Dysphoria** - A disorder characterized by the following diagnostic criteria classified in the current edition of the *Diagnostic and Statistical Manual of the American Psychiatric Association*:

- **Diagnostic criteria for adults and adolescents:**
  - A marked incongruence between one's experienced/expressed gender and assigned gender, of at least six months' duration, as manifested by at least two of the following:
    - A marked incongruence between one's experienced/expressed gender and primary and/or secondary sex characteristics (or in young adolescents, the anticipated secondary sex characteristics).
    - A strong desire to be rid of one's primary and/or secondary sex characteristics because of a marked incongruence with one's experienced/expressed gender or in young adolescents, a desire to prevent the development of the anticipated secondary sex characteristics).
    - A strong desire for the primary and/or secondary sex characteristics of the other gender.
    - A strong desire to be of the other gender (or some alternative gender different from one's assigned gender).
    - A strong desire to be treated as the other gender (or some alternative gender different from one's assigned gender).
    - A strong conviction that one has the typical feelings and reactions of the other gender (or some alternative gender different from one's assigned gender).
  - The condition is associated with clinically significant distress or impairment in social, occupational or other important areas of functioning.

- **Diagnostic criteria for children:**
  - A marked incongruence between one's experienced/expressed gender and assigned gender, of at least six months' duration, as manifested by at least six of the following (one of which must be criterion as shown in the first bullet below):
♦ A strong desire to be of the other gender or an insistence that one is the other
gender (or some alternative gender different from one's assigned gender).
♦ In boys (assigned gender), a strong preference for cross-dressing or simulating
female attire; or in girls (assigned gender), a strong preference for wearing only
typical masculine clothing and a strong resistance to the wearing of typical
feminine clothing.
♦ A strong preference for cross-gender roles in make-believe play or fantasy play.
♦ A strong preference for the toys, games or activities stereotypically used or
engaged in by the other gender.
♦ A strong preference for playmates of the other gender.
♦ In boys (assigned gender), a strong rejection of typically masculine toys, games
and activities and a strong avoidance of rough-and-tumble play; or in girls
(assigned gender), a strong rejection of typically feminine toys, games and
activities.
♦ A strong dislike of one's sexual anatomy.
♦ A strong desire for the primary and/or secondary sex characteristics that match
one's experienced gender.
- The condition is associated with clinically significant distress or impairment in social,
school or other important areas of functioning.

**Gene Therapy** - therapeutic delivery of nucleic acid (DNA or RNA) into a patient's cells as
a drug to treat a disease.

**Genetic Counseling** - counseling by a qualified clinician that includes:

- Identifying your potential risks for suspected genetic disorders;
- An individualized discussion about the benefits, risks and limitations of Genetic Testing
to help you make informed decisions about Genetic Testing; and
- Interpretation of the Genetic Testing results in order to guide health decisions.

Certified genetic counselors, medical geneticists and physicians with a professional society's
certification that they have completed advanced training in genetics are considered qualified
clinicians when Covered Health Services for Genetic Testing require Genetic Counseling.

**Genetic Testing** - exam of blood or other tissue for changes in genes (DNA or RNA) that
may indicate an increased risk for developing a specific disease or disorder, or provide
information to guide the selection of treatment of certain diseases, including cancer.

**Gestational Carrier** - a Gestational Carrier is a female who becomes pregnant by having a
fertilized egg (embryo) implanted in her uterus for the purpose of carrying the fetus to term
for another person. The carrier does not provide the egg and is therefore not biologically
(genetically) related to the child.

**Health Statement(s)** - a single, integrated statement that summarizes EOB information by
providing detailed content on account balances and claim activity.
Home Health Agency - a program or organization authorized by law to provide health care services in the home.

Hospital - an institution, operated as required by law and that meets both of the following:

- It is primarily engaged in providing health services, on an inpatient basis, for the acute care and treatment of sick or injured individuals. Care is provided through medical, mental health, substance-related and addictive disorders, diagnostic and surgical facilities, by or under the supervision of a staff of Physicians.

- It has 24-hour nursing services.

A Hospital is not primarily a place for rest, Custodial Care or care of the aged and is not a nursing home, convalescent home or similar institution.

Injury - bodily damage other than Sickness, including all related conditions and recurrent symptoms.

Inpatient Rehabilitation Facility - a long term acute rehabilitation center, a Hospital (or a special unit of a Hospital designated as an Inpatient Rehabilitation Facility) that provides rehabilitation services (including physical therapy, occupational therapy and/or speech therapy) on an inpatient basis, as authorized by law.

Inpatient Stay - an uninterrupted confinement, following formal admission to a Hospital, Skilled Nursing Facility or Inpatient Rehabilitation Facility.

Intensive Behavioral Therapy (IBT) – outpatient behavioral/educational services that aim to reinforce adaptive behaviors, reduce maladaptive behaviors and improve the mastery of functional age appropriate skills in people with Autism Spectrum Disorders. Examples include Applied Behavior Analysis (ABA), The Denver Model, and Relationship Development Intervention (RDI).

Intensive Outpatient Treatment - a structured outpatient mental health or substance-related and addictive disorders treatment program that may be free-standing or Hospital-based and provides services for at least three hours per day, two or more days per week.

Intensive Care - skilled nursing care that is provided or needed either:

- Fewer than seven days each week.

- Fewer than eight hours each day for periods of 21 days or less.

Exceptions may be made in special circumstances when the need for additional care is finite and predictable.

Kidney Resource Services (KRS) - a program administered by UnitedHealthcare or its affiliates made available to you by City of Columbus. The KRS program provides:

- Specialized consulting services to Participants and enrolled Dependents with ESRD or chronic kidney disease.
Access to dialysis centers with expertise in treating kidney disease.

Guidance for the patient on the prescribed plan of care.

**Manipulative Treatment** - the therapeutic application of chiropractic and/or osteopathic manipulative treatment with or without ancillary physiologic treatment and/or rehabilitative methods rendered to restore/improve motion, reduce pain and improve function in the management of an identifiable neuromusculoskeletal condition.

**Medicaid** - a federal program administered and operated individually by participating state and territorial governments that provides medical benefits to eligible low-income people needing health care. The federal and state governments share the program’s costs.

**Medicare** - Parts A, B, C and D of the insurance program established by Title XVIII, United States Social Security Act, as amended by 42 U.S.C. Sections 1394, et seq. and as later amended.

**Mental Health Services** - Covered Health Services for the diagnosis and treatment of those mental health or psychiatric categories that are listed in the current edition of the International Classification of Diseases section on Mental and Behavioral Disorders or the Diagnostic and Statistical Manual of the American Psychiatric Association. The fact that a condition is listed in the current edition of the International Classification of Diseases section on Mental and Behavioral Disorders or Diagnostic and Statistical Manual of the American Psychiatric Association does not mean that treatment for the condition is a Covered Health Service.

**Mental Health/Substance-Related and Addictive Disorders Administrator** - the organization or individual designated by City of Columbus who provides or arranges Mental Health and Substance-Related and Addictive Disorders Services under the Plan.

**Mental Illness** – those mental health or psychiatric diagnostic categories listed in the current edition of the International Classification of Diseases section on Mental and Behavioral Disorders or Diagnostic and Statistical Manual of the American Psychiatric Association. The fact that a condition is listed in the current edition of the International Classification of Diseases section on Mental and Behavioral Disorders or Diagnostic and Statistical Manual of the American Psychiatric Association does not mean that treatment for the condition is a Covered Health Service.

**Neonatal Resource Services (NRS)** - a program administered by UnitedHealthcare or its affiliates made available to you by City of Columbus. The NRS program provides guided access to a network of credentialed NICU providers and specialized nurse consulting services to help manage NICU admissions.

**Network** - when used to describe a provider of health care services, this means a provider that has a participation agreement in effect (either directly or indirectly) with the Claims Administrator or with its affiliate to participate in the Network; however, this does not include those providers who have agreed to discount their charges for Covered Health Services by way of their participation in the Shared Savings Program. The Claims Administrator’s affiliates are those entities affiliated with the Claims Administrator through common ownership or control with the Claims Administrator or with the Claims Administrator's ultimate corporate parent, including direct and indirect subsidiaries.
A provider may enter into an agreement to provide only certain Covered Health Services, but not all Covered Health Services, or to be a Network provider for only some products. In this case, the provider will be a Network provider for the Covered Health Services and products included in the participation agreement, and a non-Network provider for other Covered Health Services and products. The participation status of providers will change from time to time.

**Network Benefits** - for Benefit Plans that have a Network Benefit level, this is the description of how Benefits are paid for Covered Health Services provided by Network providers. Refer to Section 5, *Plan Highlights* to determine whether or not your Benefit plan offers Network Benefits and Section 3, *How the Plan Works*, for details about how Network Benefits apply.

**New Pharmaceutical Product** - a Pharmaceutical Product or new dosage form of a previously approved Pharmaceutical Product. It applies to the period of time starting on the date the Pharmaceutical Product or new dosage form is approved by the U.S. Food and Drug Administration (FDA) and ends on the earlier of the following dates.

- The date it is reviewed.
- December 31st of the following calendar year.

**Non-Network Benefits** - for Benefit Plans that have a Non-Network Benefit level, this is the description of how Benefits are paid for Covered Health Services provided by non-Network providers. Refer to Section 5, *Plan Highlights* to determine whether or not your Benefit plan offers Non-Network Benefits and Section 3, *How the Plan Works*, for details about how Non-Network Benefits apply.

**Open Enrollment** - the period of time, determined by City of Columbus, during which eligible Participants may enroll themselves and their Dependents under the Plan. City of Columbus determines the period of time that is the Open Enrollment period.

**Out-of-Pocket Maximum** - for Benefit plans that have an Out-of-Pocket Maximum, this is the maximum amount you pay every plan year. Refer to Section 5, *Plan Highlights* for the Out-of-Pocket Maximum amount. See Section 3, *How the Plan Works* for a description of how the Out-of-Pocket Maximum works.

**Partial Hospitalization/Day Treatment** - a structured ambulatory program that may be a free-standing or Hospital-based program and that provides services for at least 20 hours per week.

**Participant** - a full-time Participant of the Employer who meets the eligibility requirements specified in the Plan, as described under *Eligibility* in Section 2, *Introduction*. A Participant must live and/or work in the United States.

**Personal Health Support** - programs provided by the Claims Administrator that focus on prevention, education, and closing the gaps in care designed to encourage an efficient system of care for you and your covered Dependents.
**Personal Health Support Nurse** - the primary nurse that UnitedHealthcare may assign to you if you have a chronic or complex health condition. If a Personal Health Support Nurse is assigned to you, this nurse will call you to assess your progress and provide you with information and education.

**Pharmaceutical Product(s)** - U.S. Food and Drug Administration (FDA)-approved prescription medications or products administered in connection with a Covered Health Service by a Physician.

**Physician** - any Doctor of Medicine or Doctor of Osteopathy who is properly licensed and qualified by law.

Please note: Any podiatrist, dentist, psychologist, chiropractor, optometrist or other provider who acts within the scope of his or her license will be considered on the same basis as a Physician. The fact that a provider is described as a Physician does not mean that Benefits for services from that provider are available to you under the Plan.

**Plan** - The City of Columbus Medical Plan.

**Plan Administrator** - City of Columbus or its designee.

**Plan Sponsor** - City of Columbus.

**Pregnancy** - includes all of the following:

- Prenatal care.
- Postnatal care.
- Childbirth.
- Any complications associated with the above.

**Presumptive Drug Test** - test to determine the presence or absence of drugs or a drug class in which the results are indicated as negative or positive result.

**Primary Physician** - a Physician who has a majority of his or her practice in general pediatrics, internal medicine, obstetrics/gynecology, family practice or general medicine.

**Private Duty Nursing** - nursing care that is provided to a patient on a one-to-one basis by licensed nurses in an inpatient or a home setting when any of the following are true:

- No skilled services are identified.
- Skilled nursing resources are available in the facility.
- The skilled care can be provided by a Home Health Agency on a per visit basis for a specific purpose.
- The service is provided to a Covered Person by an independent nurse who is hired directly by the Covered Person or his/her family. This includes nursing services provided
Reconstructive Procedure - a procedure performed to address a physical impairment where the expected outcome is restored or improved function. The primary purpose of a Reconstructive Procedure is either to treat a medical condition or to improve or restore physiologic function. Reconstructive Procedures include surgery or other procedures which are associated with an Injury, Sickness or Congenital Anomaly. The primary result of the procedure is not changed or improved physical appearance. The fact that a person may suffer psychologically as a result of the impairment does not classify surgery or any other procedure done to relieve the impairment as a Reconstructive Procedure.

Residential Treatment – treatment in a facility which provides Mental Health Services or Substance-Related and Addictive Disorders Services treatment. The facility meets all of the following requirements:

- It is established and operated in accordance with applicable state law for residential treatment programs.
- It provides a program of treatment under the active participation and direction of a Physician and approved by the Mental Health/Substance-Related and Addictive Disorders Administrator.
- It has or maintains a written, specific and detailed treatment program requiring full-time residence and full-time participation by the patient.
- It provides at least the following basic services in a 24-hour per day, structured milieu:
  - Room and board.
  - Evaluation and diagnosis.
  - Counseling.
  - Referral and orientation to specialized community resources.

A Residential Treatment facility that qualifies as a Hospital is considered a Hospital.

Semi-private Room - a room with two or more beds. When an Inpatient Stay in a Semi-private Room is a Covered Health Service, the difference in cost between a Semi-private Room and a private room is a benefit only when a private room is necessary in terms of generally accepted medical practice, or when a Semi-private Room is not available.

Shared Savings Program - the Shared Savings Program provides access to discounts from non-Network Physicians who participate in that program. UnitedHealthcare will use the Shared Savings Program to pay claims when doing so will lower Eligible Expenses. While UnitedHealthcare might negotiate lower Eligible Expenses for Non-Network Benefits, the Coinsurance will stay the same as described in Section 5, Plan Highlights.

UnitedHealthcare does not credential the Shared Savings Program providers and the Shared Savings Program providers are not Network providers. Accordingly, in benefit plans that have both Network and Non-Network levels of Benefits, Benefits for Covered Health Services provided by Shared Savings Program providers will be paid at the Non-Network Benefit level (except in situations when Benefits for Covered Health Services provided by
Non-Network providers are payable at Network Benefit levels, as in the case of Emergency Health Services). When UnitedHealthcare uses the Shared Savings Program to pay a claim, the patient responsibility is limited to Coinsurance calculated on the contracted rate paid to the provider, in addition to any required Annual Deductible.

**Sickness** - physical illness, disease or Pregnancy. The term Sickness as used in this SPD includes Mental Illness or substance-related and addictive disorders, regardless of the cause or origin of the Mental Illness or substance-related and addictive disorder.

**Skilled Care** - skilled nursing, teaching, and rehabilitation services when:

- They are delivered or supervised by licensed technical or professional medical personnel in order to obtain the specified medical outcome and provide for the safety of the patient.
- A Physician orders them.
- They are not delivered for the purpose of assisting with activities of daily living, including dressing, feeding, bathing or transferring from a bed to a chair.
- They require clinical training in order to be delivered safely and effectively.
- They are not Custodial Care, as defined in this section.

**Skilled Nursing Facility** - a Hospital or nursing facility that is licensed and operated as required by law. A Skilled Nursing Facility that is part of a Hospital is considered a Skilled Nursing Facility for purposes of the Plan.

**Specialist Physician** - a Physician who has a majority of his or her practice in areas other than general pediatrics, internal medicine, obstetrics/gynecology, family practice or general medicine.

**Spouse** - an individual to whom you are legally married or a Domestic Partner as defined in this section.

**Substance-Related and Addictive Disorders Services** - Covered Health Services for the diagnosis and treatment of alcoholism and substance-related and addictive disorders that are listed in the current edition of the *International Classification of Diseases section on Mental and Behavioral Disorders* or *Diagnostic and Statistical Manual of the American Psychiatric Association*. The fact that a disorder is listed in the edition of the *International Classification of Diseases section on Mental and Behavioral Disorders* or *Diagnostic and Statistical Manual of the American Psychiatric Association* does not mean that treatment of the disorder is a Covered Health Service.

**Surrogate** - a female who becomes pregnant usually by artificial insemination or transfer of a fertilized egg (embryo) for the purpose of carrying the fetus for another person. The surrogate provides the egg and is therefore biologically (genetically) related to the child.

**Total Disability or Totally Disabled** - a Participant's inability to perform all of the substantial and material duties of his or her regular employment or occupation; and a Dependent's inability to perform the normal activities of a person of like age and gender.
Transitional Living - Mental Health Services/Substance-Related and Addictive Disorders Services that are provided through facilities, group homes and supervised apartments that provide 24-hour supervision that are either:

- Sober living arrangements such as drug-free housing, alcohol/drug halfway houses. These are transitional, supervised living arrangements that provide stable and safe housing, an alcohol/drug-free environment and support for recovery. A sober living arrangement may be utilized as an adjunct to ambulatory treatment when treatment doesn't offer the intensity and structure needed to assist the Covered Person with recovery.

- Supervised living arrangement which are residences such as facilities, group homes and supervised apartments that provide members with stable and safe housing and the opportunity to learn how to manage their activities of daily living. Supervised living arrangements may be utilized as an adjunct to treatment when treatment doesn't offer the intensity and structure needed to assist the Covered Person with recovery.

Unproven Services - health services, including medications that are determined not to be effective for treatment of the medical condition and/or not to have a beneficial effect on health outcomes due to insufficient and inadequate clinical evidence from well-conducted randomized controlled trials or cohort studies in the prevailing published peer-reviewed medical literature.

- Well-conducted randomized controlled trials are two or more treatments compared to each other, with the patient not being allowed to choose which treatment is received.

- Well-conducted cohort studies from more than one institution are studies in which patients who receive study treatment are compared to a group of patients who receive standard therapy. The comparison group must be nearly identical to the study treatment group.

UnitedHealthcare has a process by which it compiles and reviews clinical evidence with respect to certain health services. From time to time, UnitedHealthcare issues medical and drug policies that describe the clinical evidence available with respect to specific health care services. These medical and drug policies are subject to change without prior notice. You can view these policies at www.myuhc.com.

Please note:

- If you have a life threatening Sickness or condition (one that is likely to cause death within one year of the request for treatment), UnitedHealthcare may, at its discretion, consider an otherwise Unproven Service to be a Covered Health Service for that Sickness or condition. Prior to such a consideration, UnitedHealthcare must first establish that there is sufficient evidence to conclude that, albeit unproven, the service has significant potential as an effective treatment for that Sickness or condition.

The decision about whether such a service can be deemed a Covered Health Service is solely at UnitedHealthcare's discretion. Other apparently similar promising but unproven services may not qualify.
**Urgent Care** – care that requires prompt attention to avoid adverse consequences, but does not pose an immediate threat to a person’s life. Urgent care is usually delivered in a walk-in setting and without an appointment. Urgent care facilities are a location, distinct from a hospital emergency department, an office or a clinic. The purpose is to diagnose and treat illness or injury for unscheduled, ambulatory patients seeking immediate medical attention.

**Urgent Care Center** – a facility that provides Covered Health Services that are required to prevent serious deterioration of your health, and that are required as a result of an unforeseen Sickness, Injury, or the onset of acute or severe symptoms.
SECTION 16 - IMPORTANT ADMINISTRATIVE INFORMATION

What this section includes:
- Plan administrative information.

This section includes information on the administration of the medical Plan. While you may not need this information for your day-to-day participation, it is information you may find important.

Additional Plan Description

Claims Administrator: The company which provides certain administrative services for the Plan Benefits described in this Summary Plan Description.

United Healthcare Services, Inc.
9900 Bren Road East
Minnetonka, MN 55343

The Claims Administrator shall not be deemed or construed as an employer for any purpose with respect to the administration or provision of Benefits under the Plan Sponsor's Plan. The Claims Administrator shall not be responsible for fulfilling any duties or obligations of an employer with respect to the Plan Sponsor's Plan.

Type of Administration of the Plan: The Plan Sponsor provides certain administrative services in connection with its Plan. The Plan Sponsor may, from time to time in its sole discretion, contract with outside parties to arrange for the provision of other administrative services including arrangement of access to a Network Provider; claims processing services, including coordination of Benefits and subrogation; utilization management and complaint resolution assistance. This external administrator is referred to as the Claims Administrator. For Benefits as described in this Summary Plan Description, the Plan Sponsor also has selected a provider network established by UnitedHealthcare Insurance Company. The named fiduciary of Plan is the City of Columbus, the Plan Sponsor.

The Plan Sponsor retains all fiduciary responsibilities with respect to the Plan except to the extent the Plan Sponsor has delegated or allocated to other persons or entities one or more fiduciary responsibility with respect to the Plan.
ATTACHMENT I - HEALTH CARE REFORM NOTICES

Patient Protection and Affordable Care Act ("PPACA")

**Grandfathered Health Plan Notice**

This group health plan believes this Plan is a "grandfathered health plan" under the Patient Protection and Affordable Care Act (the Affordable Care Act). As permitted by the Affordable Care Act, a grandfathered health plan can preserve certain basic health coverage that was already in effect when that law was enacted. Being a grandfathered health plan means that your Plan may not include certain consumer protections of the Affordable Care Act that apply to other plans, for example, the requirement for the provision of preventive health services without any cost sharing. However, grandfathered health plans must comply with certain other consumer protections in the Affordable Care Act, for example, the elimination of lifetime limits on Benefits.

Questions regarding which protections apply and which protections do not apply to a grandfathered health plan and what might cause a plan to change from grandfathered health plan status can be directed to the Plan Administrator (614) 645-8978. You may also contact the U.S. Department of Health and Human Services at [www.healthreform.gov](http://www.healthreform.gov).
ATTACHMENT II - LEGAL NOTICES

Women's Health and Cancer Rights Act of 1998

As required by the *Women's Health and Cancer Rights Act of 1998*, the Plan provides Benefits under the Plan for mastectomy, including reconstruction and surgery to achieve symmetry between the breasts, prosthesis, and complications resulting from a mastectomy (including lymphedema).

If you are receiving Benefits in connection with a mastectomy, Benefits are also provided for the following Covered Health Services, as you determine appropriate with your attending Physician:

- All stages of reconstruction of the breast on which the mastectomy was performed.
- Surgery and reconstruction of the other breast to produce a symmetrical appearance.
- Prostheses and treatment of physical complications of the mastectomy, including lymphedema.

The amount you must pay for such Covered Health Services (including Copayments and any Annual Deductible) are the same as are required for any other Covered Health Service. Limitations on Benefits are the same as for any other Covered Health Service.

Statement of Rights under the Newborns' and Mothers' Health Protection Act

Under Federal law, group health Plans and health insurance issuers offering group health insurance coverage generally may not restrict Benefits for any Hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a delivery by cesarean section. However, the Plan or issuer may pay for a shorter stay if the attending provider (e.g., your physician, nurse midwife, or physician assistant), after consultation with the mother, discharges the mother or newborn earlier.

Also, under Federal law, plans and issuers may not set the level of Benefits or out-of-pocket costs so that any later portion of the 48-hour (or 96-hour) stay is treated in a manner less favorable to the mother or newborn than any earlier portion of the stay.

In addition, a plan or issuer may not, under Federal law, require that a physician or other health care provider obtain authorization for prescribing a length of stay of up to 48 hours (or 96 hours). However, to use certain providers or facilities, or to reduce your out-of-pocket costs, you may be required to obtain prior authorization or notify the Claims Administrator. For information on notification or prior authorization, contact your issuer.
ATTACHMENT III – NONDISCRIMINATION AND ACCESSIBILITY REQUIREMENTS

When the Plan uses the words "Claims Administrator" in this Attachment, it is a reference to United HealthCare Services, Inc., on behalf of itself and its affiliated companies.

The Claims Administrator on behalf of itself and its affiliated companies complies with applicable Federal civil rights laws and does not discriminate on the basis of race, color, national origin, age, disability, or sex. UnitedHealthcare does not exclude people or treat them differently because of race, color, national origin, age, disability, or sex.

The Claims Administrator provides free aids and services to people with disabilities to communicate effectively with us, such as:

- Qualified sign language interpreters
- Written information in other formats (large print, audio, accessible electronic formats, other formats)
- Provides free language services to people whose primary language is not English, such as: Qualified interpreters
- Information written in other languages

If you need these services, please call the toll-free member number on your health plan ID card, TTY 711 or the Plan Sponsor.

If you believe that the Claims Administrator has failed to provide these services or discriminated in another way on the basis of race, color, national origin, age, disability, or sex, you can file a grievance in writing by mail or email with the Civil Rights Coordinator identified below. A grievance must be sent within 60 calendar days of the date that you become aware of the discriminatory action and contain the name and address of the person filing it along with the problem and the requested remedy.

A written decision will be sent to you within 30 calendar days. If you disagree with the decision, you may file an appeal within 15 calendar days of receiving the decision.

ADDENDUM – REAL APPEAL

This Addendum to the Plan provides Benefits for virtual obesity counseling services for eligible Covered Persons through Real Appeal. There are no deductibles, Copayments or Coinsurance you must meet or pay for when receiving these services.

Real Appeal

The Plan provides a virtual lifestyle intervention for weight-related conditions to eligible Covered Persons 18 years of age or older. Real Appeal is designed to help those at risk from obesity-related diseases.

This intensive, multi-component behavioral intervention provides 52 weeks of support. This support includes one-on-one coaching with a live virtual coach and online group participation with supporting video content. The experience will be personalized for each individual through an introductory online session.

These Covered Health Services will be individualized and may include, but is not limited to, the following:

- Virtual support and self-help tools: Personal one-on-one coaching, group support sessions, educational videos, tailored kits, integrated web platform and mobile applications.
- Education and training materials focused on goal setting, problem-solving skills, barriers and strategies to maintain changes.
- Behavioral change counseling by a specially trained coach for clinical weight loss.

If you would like information regarding these Covered Health Services, you may contact the Claims Administrator through www.realappeal.com, or at the number shown on your ID card.
