Westerville City Schools

Free Breakfast and Lunch

Service Description: Beginning Thursday, March 19h, and every weekday through at least Friday, April 3rd, several of our buses and vans will make **75 stops around the district to deliver food to children who are 18 years of age and younger**. Each of these stops will be for a designated window of time, with all stops being completed between the hours of 11 a.m. and 1 p.m**. Huber Ridge Elementary School will also serve as a walk-up site for meals between 11 a.m. and 2 p.m. each weekday.**

This delivery plan was developed according to USDA regulations. Unfortunately, according to USDA rules, children will not be able to bring food back for their siblings, so every child who wants a meal must be present at the designated

delivery location. Children will receive a lunch for the day, and a breakfast meal for the next morning. We will have additional vehicles on standby to deliver more meals at a moment's notice in case a location runs out of food and there are children who have not yet received their meals. Any leftover food from these routes will be taken back to Huber Ridge Elementary School for distribution.

Parents are encouraged to watch their email tomorrow as the Transportation Department will be sending out additional details regarding the times and locations of designated delivery stops. Lastly, we have been in contact with other community organizations, such as the Westerville Area Resource Ministry (WARM), that also are working to make meals available to families. Please continue to watch for information from these valued partners in this effort.

Please check it's website for any updates http://www.westerville.k12.oh.us/

SAFE Stations Access to Detox

In partnership with Franklin County, the Whitehall Division of Fire operates the SAFE Stations program, providing 24/7 access to eligibility screening and transport to treatment for those in active addiction. In response to the COVID-19 health crisis, temporary changes are being made to the screening process to adhere to physical distancing guidance and ensure EMS crews are available to respond to the higher volume of community 9-1-1 calls.

Starting immediately, those interested in connecting to detox for opioids, benzodiazepines, and alcohol can call Whitehall Division of Fire at 614-237-5478 to receive screening over the phone. Screening is still available over the phone 24/7 and assistance will be provided in securing a bed at a detox facility. Individuals in active addiction using additional substances or those other than what's listed can call the same line during regular business hours Monday-Friday 8:00am-5:00pm and receive screening and assistance in finding treatment. Once screened, those with access to transportation will be able to

go directly to the treatment provider. Those without access to transportation can still walk into the Whitehall Division of Fire at 390 South Yearling Road, Whitehall, OH 43213 to be screened and transported to treatment. However, whenever possible, please use the phone screening process so we can all do our part to slow the spread of COVID-19.
