

## PICKLEBALL RESOURCE GUIDE

Pickleball has gained popularity among fans of all ages and abilities who enjoy friendly competition and healthy lifestyles. In 2019, Columbus Recreation and Parks added 23 more court overlays throughout the city and increased instructional and open court times at our community recreation centers. We also look forward to offering additional dedicated courts in the future. The resource guide is published seasonally for Columbus Pickleball fans to find out where, when and how to play the game, 365 days / year.

### Where to Play

CRPD manages 118 pickleball courts at 35 locations. With 60 indoor courts, and 58 outdoor courts including our 3 dedicated pickleball courts at Marion Franklin Park, there's sure to be one in your community!

\*Dedicated Outdoor Courts

118 CRPD Pickleball Courts

★ New Court Overlays in 2019

**Indoor pickleball courts** are striped on existing basketball courts. Nets are available at the center.

**Outdoor courts** at Marion-Franklin Park are dedicated pickleball courts. The outdoor court at Lazelle Woods Park is striped on a roller hockey rink. All other outdoor courts are striped on existing tennis courts. Players may bring portable nets and equipment to play at any outdoor location that is not dedicated.

## When and How to Play

Players have three ways to enjoy the game—through unstructured pick-up play on any outdoor court, through instructional or open programming at our community centers, or by reserving an indoor or outdoor court(s) for individual or group play.

### A. Unstructured Pick-up Play:

Columbus Parks are open to all, during park hours. Bring your equipment and enjoy a game on any open outdoor court. Though some courts may be in use for CRPD Tennis programming or Columbus City Schools' Tennis Teams, each park maintains at least one open court for non-reserved use by the public, at all times.

### B. Instructional or Open Programming:

Columbus offers instructional and drop-in court time for a range of ages and skill levels. Within the age and skill levels noted below, court times are open to anyone with an active CRPD Leisure Card and a valid drop-in sports pass.

Leisure Cards and Drop-In Sports Passes can be purchased at any center. Leisure Cards provide a 3-year membership to CRPD facilities for only \$1.00. Drop-In Sports Passes give players access to ALL drop-in sports at ANY center for only \$15 / 8-week session.
