Birthday Programs

Year Round

- **Fossil Fun** - Determine what fossils can tell us by making your own, then explore our caves to find real fossils.
- **Reptiles** - Come meet our snakes and turtles. We will find out what makes them so unique.
- **Archery** - This birthday will really hit the spot! Participants are taught the basics of archery, including technique and safety, then have a chance to shoot at targets. Limited to 12 participants, ages 8 and up.
- **Geocache Scavenger Hunt**– Solve a series of clues to hunt for treasure with your friends and find a hidden Geocache!
- **Track It**- Students will learn about the signs animals leave behind and how to use their observational skills during a hike to discover what animals live in our forest.

Weather Permitting

- **Stream Study** - Get your feet wet while observing the variety of life that lives under the rocks in a stream.
- **Climbing Wall** - Put on a harness and get vertical on our 26 foot outdoor climbing wall.

Adventure (Additional time and cost)

- **Canoeing**– Spend your birthday on the Scioto River. Learn the basics of canoeing, then practice your new skills. Limited to 12 participants, weather permitting, and ages 8+ only.
