PLAY grants offer financial assistance to families with children who would like to participate in fee-based programs. If eligibility requirements are met, PLAY will assist with a portion of the program cost. **PLAY grants do not apply to CRPD Fitness Camp.**

**PROOF OF ELIGIBILITY**
The completed PLAY application and proof of eligibility should be submitted when registering for a class. Include a copy of one of the following:
- current Medicaid/CareSource Card/Molina Card
- current EPPICard
- most recent federal income tax return scale based on HUD Section 8 Guidelines

Eligible PLAY applicants will need a coupon code to register for camps online. To receive the code, please mail, email or fax a PLAY application and proof of eligibility prior to **Friday, February 22.**

**Mail:** Camps, Columbus Recreation and Parks Department, 1111 E. Broad St., Columbus, OH 43205  **Email:** wmfrantz@columbus.gov  **Fax:** 614-645-0686

Additional details on eligibility requirements and PLAY applications are available at all community centers or online at [Columbus.gov/PLAYgrants](http://Columbus.gov/PLAYgrants).

**CHampions for Play**
The primary fundraiser for PLAY grants is an annual golf outing called Champions for Play. This high-profile event attracts business leaders and sponsors from a variety of industries to enjoy a full day of golfing activities complete with an evening auction. The continued success of this special event relies on corporate sponsorship which enables 100% of the golfers’ fees to go directly to PLAY. Sports celebrities add a special aspect to the day. INCLUSION SUPPORT SERVICES

Columbus Recreation and Parks Department encourages participation of a diverse population and accommodates people with varying abilities and learning styles. Inclusion support staff develop accommodation plans to support campers with, but not limited to, developmental and learning disabilities, physical disabilities, sensory challenges, autism, ADHD, Down syndrome and emotional disturbance.

Reasonable accommodations are offered to enable an individual’s successful participation in camps. Reasonable accommodations are individualized techniques and resources used to enhance program participation without fundamentally altering the program. One-on-one staffing is not provided, however, campers may bring their own support person, who must pass a criminal background check.

An accommodation is not required to participate in camp programs, however, all campers are required to meet the minimum participation guidelines and desired behavior expectations of camp. An accommodation helps staff create an environment where all campers can have a successful, enjoyable and safe recreation experience.

Availability is limited. Please complete a request as soon as possible.

How to access inclusive support services:

1. Register for desired camp.
2. Contact Mary Beth Moore at mbmoore@columbus.gov and request an Inclusion, Accommodation & Special Needs Request Form.
3. Complete the form and email mbmoore@columbus.gov at least 14 days prior to the start of camp.
4. Once accepted, an inclusion support staff member will contact you to discuss accommodation options.

Dancing burns calories, boosts mood, increases energy and improves balance and coordination. It builds self-esteem and decreases social anxiety. And, honestly, it's just fun. The Columbus Recreation and Parks Department offers dance workshops, classes and camps for every age and interest – from pre-K to 50+, hip hop to ballet.

In addition to the classes that are offered throughout the year, each summer the Traditional Digital Dance Camp features dance educators who teach basic to advanced movement within Breaking and Hip Hop (digital age) including popping, locking and krumping as well as an infusion of stepping and traditional West African dance. The camp culminates in a showcase of performances by campers highlighting what they've learned during their time at the TD² Dance Camp.

Columbus Municipal Golf operates six public golf courses that offer a variety of locations, prices and challenges. Prepare yourself for an unparalleled golfing experience. Our courses are a pleasure for golfers of any skill level to play. Test your accuracy with our fairways, water hazards and sand traps; we have everything you need to challenge and improve your game.

There are only three courses in the state of Ohio that were designed by the most famous golf course architect known throughout the world—Robert Trent Jones—and Columbus Recreation and Parks Department has two of them-Champions Golf Course and Raymond Memorial Golf Course.

Champions is the only upscale public course in the state that is managed by a golf professional who is a woman and a member of both the LPGA and the PGA, as well as a superintendent that has the highest certification from the Golf Course Superintendent’s Association. Raymond Memorial is the only course in the entire state that has twin par three holes.
