2018 GUIDE TO SUMMER FUN

THE CITY OF COLUMBUS RECREATION AND PARKS
Message from Mayor Andrew J. Ginther

The Columbus Recreation and Parks Department offers so much to do in the summer. From camps to art classes, sports to theater, there truly is something for everyone. Our beautiful parks and trails offer opportunities to get outside, get active and enjoy our city. All of this is here to help the residents of Columbus lead healthy, active lives.

We know our programs mean more to the community than just places to play and enjoy the outdoors. Our programs have a positive impact on our residents' quality of life. Our community centers connect neighbors and are often the starting point for young people to learn life skills and participate in team activities. They also serve as the heart of communities, bringing residents of all ages together.

I encourage every resident to see what the Columbus Recreation and Parks Department has to offer. Get active and get involved! Whether it’s our special events, our summer camps, our trails for hiking and biking, our parks for leisurely strolls, our programs for those 50 and older, or our community centers, I know Columbus Recreation and Parks will help make this a great summer for you and your family.

Message from City Councilmember Elizabeth C. Brown

Columbus' 29 recreation centers and 353 parks are an anchor of public life in our city. They serve residents seven days a week, 365 days a year, and each year they have something special to offer during the summer months. They’ll be teeming with activities and resources intended for every type of resident in every corner of our community. As the newly appointed Chair of the Recreation and Parks Committee, I’m especially excited for all of the fun programs and activities planned for Summer 2018.

The Columbus Recreation and Parks Department is full of dedicated staff who will introduce your children to a well-rounded blend of programs in sports, fitness, visual and performing arts, technology, adventure and so much more. Use this summer guide to assist you in planning a summer full of fun and educational experiences for you and your entire family.

As you look through this guide, you will find a wide range of programs for residents of all ages. There are opportunities to try something new or get involved with a sport, program or activity that you love. Our award-winning programs and facilities provide everyone an opportunity to learn, play and explore while staying healthy and strong.

On behalf of Council President Shannon Hardin and the entire Columbus City Council, I wish you and your family a happy and safe summer season!

Community Recreation Camps

Inclusion Support Services
Columbus Recreation and Parks welcomes individuals of all abilities to participate in all camp programs and activities. All camp programs offered by Columbus Recreation and Parks encourage participation by a diverse population, accommodate those with varying abilities and support diverse learning styles. When participants require additional support, our Inclusion Support staff will develop accommodation plans and provide other assistance as appropriate. We provide support to campers with but not limited to developmental and learning disabilities, physical disabilities, sensory challenges, autism, ADHD, Down Syndrome and emotional disturbance.

We offer reasonable accommodations to enable an individual’s successful participation in our camps. Reasonable accommodations are individualized techniques and resources used to enhance program participation without fundamentally altering the program. We do not provide one-on-one staffing. Each inclusion support staff may assist from 2-4 campers. Campers may bring their own support person, but must pass a criminal background check.

Steps to access this service:
1. Register for desired camp session.
2. Contact Mary Beth Moore by email at mbmoore@columbus.gov and request an Inclusion, Accommodation & Special Needs Request Form.
3. Complete the form and email back to mbmoore@columbus.gov at least 14 days prior to the start of camp. There is limited availability for this service. All requests will be reviewed and acted upon based on the need and availability of inclusion support staff.
4. Once accepted, an inclusion support staff will contact you to discuss accommodation options.

An accommodation is not required to participate in our camp programs, however, please realize that all participants are required to meet the minimum participation guidelines and desired behavior expectations of camp. An accommodation assists staff in creating an environment where your camper can have a successful, enjoyable and safe recreation experience. One-to-one staff is not provided. Based on the program or situation, we may add a staff above ratio to ensure that all campers’ needs are being met. Program and camper safety is our main concern.

Ages 6-12 (age as of first day of camp)
Saddle up and join the fun at Liberty Horse Farm. Gentle horses and expert instruction provide a safe, fun environment in which to learn the basics of riding. Riding twice a day gives riders lots of time on horseback to practice new skills, while time in the barn will be spent learning hands-on skills like grooming, leading and handling, and tacking up. Kids will learn the difference between a fetlock and a forelock, all about different types and breeds of horses, and most importantly, about the special relationship between horses and people and how horses help us learn confidence, responsibility, patience and calm behavior. They will also explore the farm garden, meet the chickens, song birds, rabbits, dogs and cats, play at the creek (weather permitting) and enjoy a healthy snack together every day. Please bring a packed lunch, a water bottle, a change of clothes for the creek and a well-fitting bike or sports helmet. We have helmets to loan if you don't have one of your own. Sturdy shoes and long pants are needed for riding every day. Don't forget a big smile; you are sure to have a lot of fun.

For the safety of riders, staff and horses, participants must be able to:
1. Follow directions and stay with group.
2. Behave quietly, gently and respectfully toward fellow campers, staff and animals.
3. Have fine motor control in order to safely control their own bodies on a horse.

Summer Camp Registration is online...

For a small convenience fee, you can register for many of our programs from the comfort of your home or anywhere you have internet access. Going to a recreation center to register for a camp does not increase your chances of enrollment.

To create your account, click on "Create an Account" and follow the directions. It is very simple and should take approximately 10 minutes to complete. When creating an account, please include every family member that will be using our camps or classes.

APPs
(Applications for Purpose, Pride and Success)

Created in 2011, by former Mayor Michael B. Coleman, the mission of the APPs program is to reduce crime and violence by increasing protective factors in the lives of Columbus teens and young adults (ages 14-23) through proven prevention and intervention strategies. Also the APPs program provides a fun and safe place for teens and young adults to receive guidance and personal development. The initiative’s prevention strategies include offering constructive alternatives to violence while family development professionals provide mentorship through enrichment activities at four community recreation centers. Additionally, APPs links families to services that meet immediate needs along with others that lay the foundation for long term goal attainment which ultimately produces productive contributing members of society.

APPs intervention strategies consist of street-level violence interruption and conflict mediation teamed with case management and support services to address the risk factors that can lead youth into a life of crime and violence. This is put into practice by intervention specialists that build relationships with the young people that are partially responsible for driving the violence in our communities, directing them to healthy alternatives that have redeeming value. Our intervention specialists have unique and diverse backgrounds that have provided them with experiences that assist them in connecting with today’s young people.

Private Leisure Assistance for Youth

P.L.A.Y. grants are available to financially-challenged families with children who would like to participate in any fee-based program offered through Columbus Recreation and Parks. If eligibility requirements are met, P.L.A.Y. will assist with a portion of the program cost.

During the summer, P.L.A.Y. will cover the cost of one week of summer camp, per eligible participant, up to $90 or a portion of one class. **Participants are only allowed one P.L.A.Y. grant per session.**

P.L.A.Y. grants do not apply to CM Lee Fitness Camp.

An approved P.L.A.Y. application does not guarantee registration in a program. You must still go through the specific camp's registration process. Only programs fiscally operated by the City of Columbus are eligible for P.L.A.Y. grants.

Eligibility Requirements

**Proof of eligibility must be submitted with your application.**

**The three ways to prove eligibility are:**

- Copy of current Medicaid, CareSource or Molina Card;
- Copy of current ADC Benefits;
- A copy of your most recent federal or state income tax return. **W-2's by themselves do not meet the eligibility requirements.**

Applications

P.L.A.Y. applications for 2018 summer camps are available at all community centers or by downloading an application from the Columbus Recreation and Parks website, under P.L.A.Y. The P.L.A.Y. grant applications should then be completed and submitted along with camp registration and proof of eligibility.

To register for camps online, eligible P.L.A.Y. applicants will need a coupon code. To receive a coupon code, please either mail, e-mail or fax a P.L.A.Y. application and proof of eligibility prior to Friday, March 9, to one of the following: Camps, Columbus Recreation and Parks, 1111 E. Broad St., Columbus OH 43205; wmfrantz@columbus.gov or fax number 614-645-0686. **Coupon code will be emailed to parent.**

Registration process on/after Saturday, March 17: Go to a Columbus Recreation and Parks Community Center with your P.L.A.Y. application and proof of eligibility for on-site registration and P.L.A.Y. approval or send P.L.A.Y. application and copy of proof of eligibility by one of the ways in the above paragraph.

Trees growing along roads are called street trees and are generally located in the tree lawn, an area between the street and sidewalk. The tree lawn is within the street right-of-way and is public property as are the trees. If you have any questions, concerns or requests regarding street trees, please call the Forestry Office at 645-6640.

**Permits**
To ensure proper arboricultural standards are followed, a permit is required in order to plant, prune or remove a street tree. Please call the Forestry Office at 614-645-6640 and an Arborist will inspect the site to determine the maintenance needs.

**Parks**

**The Topiary Garden**
Deaf School Park, corner of E. Town St. and Washington Ave., in downtown Columbus, is the site of a unique continual arts project in process. George Seurat's famous post-impressionist painting, *A Sunday Afternoon On The Island Of La Grande Jatte*, is recreated in topiary, sculpted evergreen shrubbery. It is the only topiary interpretation of a painting in existence in the world.

The landscape of the painting consists of 50 topiary people, eight boats, three dogs, a monkey, a cat, and a real pond and trees. The largest figure is 12 feet tall.

The best time to view the topiaries is mid-July through November. Admission is free. Call 614-645-3350 for information.
