Dear Participants, Parents and Guardians,  
Thank you for choosing William H. Adams Community Center at Krumm Park for your recreations activities. Our goal is to offer quality programming, safely. We have looked at every program and facility to see how we can safely make it available. Listed in this packets are the classes we will be offering for Adams' Fall 1 Restart 2020. We will be practicing social distancing at our center, as well as modifying the group size, location or activity to allow us to serve residents safely. All group sports—soccer, baseball, hockey will be outside. In the event of rain, the outside class will be canceled.

All participants will be required to register for all classes they are interested in taking. Participant Information Form and the list of classes can be dropped off at the center for class registration. Also, registration may be done on line, but there is a \$2 fee for each free class.

Participants and staff will be required to wear, if children do not have a mask one will be provided. Participants' temperature will be taken upon entering the building (forehead reading), if above 100.4 degrees they will not be able to enter the building and will need to return home.

If a participant is not feeling well, please have him/her stay home. If a participant becomes sick while at the center, they will be removed to an isolated area until they are picked up. Parents will be called to pick up young participants as soon as possible.

Contact the center for your registration packet at 614-645-3051. Again, thank you for choosing Adams
