

CMAX Platform Art Application Parameters

Type A Platform

Example window art shown

CMAX Platform Art Application Parameters

Type A Platform

Window:

- Vinyl Application between tempered laminated glass windows
- 4 windows
- ± 81 sq. ft.

Colors:

- Any

Transparency Level:

- Light Transmission must not exceed .7

Theme:

- Should reflect community (i.e. tell a story about the community, be it past or present)
- Each station within an Area Commission may carry the same theme, but look can vary per station (i.e. flower theme for an Area Commission, but each station reflects a different type of flower)
- Every platform can be different
- Art must be designed within good taste (i.e. no profanity, etc.)

Approval Process:

- All art concepts must be approved by a review panel determined by COTA consisting of COTA staff, consultants, and Columbus Art Commission members
- The Columbus Art Commission will have final approval
