Ms. Von Niessen,

Greg Large  
Vice Chair

Thank you for soliciting the support of the Greater Hilltop Area Commission in your quest for Grant Funding.

Bob Spears  
Treasurer

The Greater Hilltop Area Commission happily supports the installation of new, permanent public art in Westgate Park. We believe that public art is something that everyone is entitled to enjoy, regardless of demographics. The hilltop area of Columbus is in dire need of public art and believe that art enhances the neighborhoods and public areas.
