757 Carolyn Ave  
Columbus, Ohio 43224

Dear Chair Michael Fitzpatrick, AIA,

The East Franklinton Review Board supports the adoption of the East Franklinton District - Graphic Design Guidelines. The East Franklinton Creative Community District Plan recommends more definitive signage standards be prepared with the establishment of the East Franklinton District. The proposed Graphic Design Standards will provide the Board with necessary guidance to be used during the review of graphics applications.

The East Franklinton District - Graphic Design Guidelines were presented at the October 21, 2014 EFRB regular meeting and the Board voted unanimously (4-0) to approve the plan as presented. Please accept this letter as the Review Board's recommendation for the adoption of the Guidelines.

Sincerely,

William D. Fergus, Jr., Attorney at Law  
Chair, East Franklinton Review Board
