THE CITY OF ANDREW J. GINTHER, MAYOR

A MESSAGE FROM MAYOR ANDREW J. GINTHER

Our city continues to experience unprecedented growth. Columbus is the fastest growing economy in the Midwest with a booming housing market. We are the 14th largest city in America, and home to a diverse mix of nearly 900,000 residents spread over 226 square miles.

However, while many of our residents are doing very well, about a third of our neighbors struggle to make ends meet. In this time of prosperity, we must use every tool we have to make the vision of thriving, distinctive neighborhoods a reality. Our city flourishes when every resident in every neighborhood has the opportunity to succeed.

The 2020 budget seeks to address the root causes of challenges, such as high infant mortality rates, unemployment, poverty and violent crime, which disproportionately impact some of our neighborhoods.

The safety of Columbus residents remains the highest priority and single largest financial investment in the 2020 budget. In 2020, more than \$647.6million of the general fund budget is dedicated to the Department of Public Safety, including investments in the Comprehensive Neighborhood Safety Strategy that takes a broadbased approach to safety by engaging law enforcement, public health, recreation and parks, businesses, community leaders and residents to reduce crime.

The Smart Columbus initiative continues to put the city on the cutting edge of the future of mobility. Through increased electric vehicle adoption and promotion of alternate transit modes, Smart Columbus helps put our residents on a pathway to a

Together, we can advance change and help shape the future of Columbus.
