Adopted Budget	The budget adopted by City Council including council-approved modifications.
Allocation	A part of a lump-sum appropriation designated for expenditure by specific organizational units and/or for special purposes, activities, or objects.
Appropriation	An authorization from city council to incur obligations for a specific purpose. An appropriation is usually limited in amount and as to the time when it may be spent, normally the fiscal year.
APPS	Applications for Purpose, Pride, & Success. Created in 2011, the mission of the APPS program is to enrich the lives of Columbus youth and young adults (ages 14-21) by connecting individuals and their families to programs and services focused on building life skills, character development, employment, postsecondary education, and other components that foster success in life.

Balanced Budget

As described in the Financial Policies section of this document, a budget is considered balanced in a fund if the appropriations in that fund for a given fiscal year do not exceed the resources available to it. Those resources can include a combination of current (budget) year anticipated revenue and the beginning year fund balance.

Beginning Balance

The beginning balance is comprised of residual funds brought forward from the previous year's ending balance.

Bond

A written promise to pay a specific sum of money (principal) at a specified future date along with periodic interest rate. Bonds are typically used for long-term debt to pay for a particular capital expenditure.

Budget

A plan of financial operation embodying an estimate of proposed expenditures for a given period or purpose and the proposed means of financing them. The term can refer to the financial plan presented to City Council for consideration and the final document approved by City Council.

Capital Assets

Permanent, tangible assets with a value in excess of \$5,000 and whose expected useful life exceeds five years. This includes items such as equipment, furniture, and vehicles.

Capital Budget

The city's budget for projects, major renovation, and improvements or additions to the city's fixed assets (e.g., streets, sidewalks, roads, sewers, plant improvements, water lines, parks, and buildings).

Capital Improvements	Projects that help maintain or improve a city asset. Normally, a capital improvement is a new construction, expansion, renovation, or replacement project for an existing facility or facilities or the purchase of major equipment.
Capital Improvement Plan (CIP)	The city's allocation plan for capital expenditures over several future years. It sets forth each capital project, identifying the expected beginning and ending date for each project, the amount the city will expend in each year, and the method of financing those expenditures. The CIP is not an authorization of appropriation. City Council approves the plan as a resolution.
Capital Outlay	A category of expenditures which results in the acquisition of or an addition to, the city's fixed assets.
Cash Basis Accounting	Cash basis accounting only recognizes revenue and expenses when cash is actually collected or disbursed.
CDBG	Community Development Block Grant. A type of federal grant established under Title I of the Housing and Community Development Act of 1974 for the purpose of community development and affordable housing.
CEPT	Chemically Enhanced Primary Treatment
City Charter	The City of Columbus Charter is the city's constitution, and only the citizens of Columbus can amend it by voting for changes.
City Codes	The City Code is the collection of all ordinances that govern all citizens and businesses within the city.
Councilmanic	See definition for Unvoted Debt (Councilmanic).
Consolidated Plan	A collaborative process through which the community identifies its housing, homeless, and community development needs and establishes a vision, goals, and strategies for addressing those needs. The plan uses these priorities to determine program funding for the coming year.
Cost of Service	The cost a utility pays to provide a service. A utility takes these costs into account when determining what rate to charge consumers.

Debt Service

The city's obligation to pay the principal and interest of all bonds and other debt instruments according to a pre-determined payment schedule.

Department

A major organizational unit of the city which indicates overall management responsibility for an operation or group of related operations within a functional area.

Depreciation

A decrease in the value of an asset with the passage of time, due to use, wear and tear, or obsolescence.

Division

A categorization of organizational unit, indicating management responsibility for an operation or a group of related operations within a functional area, subordinate to the department level.

ESG

The Emergency Solutions Grant enacted under Subtitle B of Title IV of the McKinney-Vento Homeless Assistance Act which provides funding for homelessness prevention and rapid-rehousing.

Encumbrance

Obligations in the form of purchase orders or contracts, which are chargeable to an appropriation and for which part of the appropriation is reserved. To encumber funds means to set aside or commit funds for future expenditures.

Encumbrance Cancellation

Funds cease to be encumbered when the obligations are paid or otherwise liquidated (cancelled).

Enterprise Fund

A fund established to account for operations that the city financed and operated in a manner similar to private business enterprises. In the funds, the intent of the city is to recover the costs of providing services to the general public on a continuing basis primarily through user charges.

Expenditure

This term refers to a payment for an asset or goods and services with appropriated funds. This is different from when an entity encumbers funds, thereby reserving funds they plan to expend.

Fiscal Year

The twelve-month period over which the financial year takes place. At the end of this period, the city evaluates its financial position and results of operations carried out in this time period. For the City of Columbus, the fiscal year begins on January 1 and ends December 31. Therefore, the city's fiscal year is the same as the calendar year.

FTE

Full-Time Equivalent. A position, permanent or temporary, based on 2,080 hours per year.

Fund

A budgetary and accounting entity separated from other funds for the purpose of carrying on specific activities or attaining certain objectives in accordance with special regulations, restrictions, or limitations.

Fund Balance

Unless otherwise defined, the cash available for appropriation in any fund that is unencumbered for any specified purpose.

Loan

Written or oral agreement for a temporary transfer of funds from the owner (lender) to a borrower who promises to return it according to the terms of the agreement, usually with interest for its use.

MCH

The Maternal & Child Health (MCH) Section of Columbus Health is responsible for newborn home visits, safe sleep programming, fetal & infant mortality reviews, child fatality reviews, injury prevention, and school health.

Modified Accrual

An accounting method commonly used by government agencies that combines accrual basis accounting with cash basis accounting. Modified accrual accounting recognizes revenues when they become available and measurable and, with a few exceptions, recognizes expenditures when liabilities are incurred.

Neighborhood Pride

Neighborhood Pride is a team effort by city departments, neighborhood groups, individual residents, businesses, schools, and other partners to make our neighborhoods safer and cleaner. The program sends teams from City departments into neighborhoods to clean alleys and streets, tend to parks, and check and repair street lights. They also identify safety and health hazards, find code problems, and help families find answers and resources to fix those problems. Street by street, block by block, this means safer, cleaner neighborhoods across the city.

Note

A financial security that generally has a longer term than a bill, but a shorter term than a bond. However, the duration of a note can vary significantly, and may not always fall neatly into this categorization. Notes are similar to bonds in that they are sold at, above, or below face (par) value, make regular interest payments, and have a specified term until maturity.

NSP

The Neighborhood Stabilization Program (NSP) provides targeted emergency assistance to acquire and redevelop foreclosed properties that might otherwise become sources of abandonment and blight.

OEPA

Ohio Environmental Protection Agency

Official Statement

Document published by the issuer of bonds which generally discloses material information on a bond issue, including the purposes of the bond issue, how the bonds will be repaid, and the financial, economic, and demographic characteristics of the issuing government. Investors may use this information to evaluate the credit quality of the bonds.

Operating Budget

The city's annual appropriation of funds for ongoing program costs, including salaries and benefits, services, and supplies, among other cost categories.

Operating Funds

Funds that finance the majority of the city's operations. For the most part, revenues deposited into these funds are raised by the taxing and fee collecting authority of the city. Grants and contributions from governments and other entities compose the other major sources of revenue for these funds.

OPWC

Ohio Public Works Commission

Ordinance

A formal legislative enactment by the City Council which has the full force and effect of law within the boundaries of the city.

OWDA

Ohio Water Development Authority

PACE

Pro-Active Code Enforcement. PACE is a team of code officers charged with pro-actively investigating blighted areas of the city without waiting for complaints from citizens.

PAWP

Performance Indicators

Performance indicators are the means by which an objective can be judged to have been achieved or not achieved. Indicators are therefore tied to goals and objectives and serve simply as 'yardsticks' by which to measure the degree of success in goal achievement. Performance indicators are quantitative tools and are usually expressed as a rate, ratio, or percentage.

Personnel Services

Items of expenditures in the operating budget for salaries and wages paid for services performed by city employees, as well as the fringe benefit costs associated with city employment.

Principal	The original amount of a debt on which interest is calculated.
Pro Forma	A projected or estimated statement that presents the future financial position of a fund if present trends continue or certain assumptions hold true.
Program	A group of related activities to accomplish a major service or core business function for which the city is responsible. A program is typically part of a division within a department, but can cross department lines as well.
Property Tax	A tax levied on the assessed value of real property. This tax is also known as an ad valorem tax.
Proprietary Fund	In governmental accounting, is a business-like fund of a state or local government. Examples of proprietary funds include enterprise funds and internal service funds. Enterprise funds provide goods or services to the general public for a fee. Internal service funds account for goods and services provided by one department or agency to another department or agency of the governmental unit (or to other governmental units) on a cost-reimbursement basis.
Public-Private Partnerships	A government service or private business venture which is funded and operated through a partnership of government and one or more private sector companies.
Purchase Power	An expenditure in the electrical division in the Department of Utilities that refers to the purchasing of wholesale electricity. The division must purchase wholesale electricity since the city does not generate its own.

Rating Agencies	Companies that provide ratings that indicate their respective opinion of the relative credit quality of securities. Examples include Standard & Poor's (S&P), Moody's, and Fitch.
Receipts	A term relating to the total revenue received during a certain time period.

Refunding

A procedure whereby an issuer refinances outstanding bonds by issuing new bonds. There are generally two major reasons for refunding: to reduce the issuer's interest costs or to remove a burdensome or restrictive covenant imposed by the terms of the bonds being refinanced. The proceeds of the new bonds are either deposited in escrow to pay the debt service on the outstanding bonds when due in an "advance refunding" or used to promptly (typically within 90 days) retire the outstanding bonds in a "current refunding." The new bonds are referred to as the "refunding bonds," and the outstanding bonds being refinanced are referred to as the "refunded bonds" or the "prior issue."

Reserve

Funds held or appropriated for contingencies.

Revenue

The yield of taxes and other sources of income that the city collects and receives into its treasury for public use.

Revenue Bonds

The earnings of an enterprise fund are used exclusively for the payment of the bonds' principal and interest.

SCADA

Special Improvement District

A defined area within which property owners are required to pay an additional tax or assessment in order to collectively fund projects within the district's boundaries.

Special Income Tax (SIT)

Initiated in 1947 and implemented in 1948, pursuant to Ohio law (ORC Chapter 5747), Columbus City Code Section 361.19 authorizes the levying of a two and one half percent income tax on Columbus workers and businesses. Increases in the income tax above one percent are subject to voter approval, pursuant to state law and the Columbus City Charter. The city deposits three quarters of income tax revenue to the general fund and one quarter to the special income tax fund (SIT). The SIT is used to finance capital improvements, generally of a non-enterprise nature.

Special Revenue Funds

Those funds used to account for the proceeds of specific revenue sources (other than special assessments) or to finance specified activities as required by law or administrative regulations.

SSES

Sewer System Evaluation Survey (SSES) is the critical first step in any sewer system evaluation and management program which includes project management/coordination of flow monitoring, sewer system evaluation, field survey, system mapping, hydraulic modeling and analysis, best management practices, cleaning, and long-term maintenance management programs.

Streetscape

The visual elements of a street, including the road, adjoining buildings, sidewalks, street furniture, trees and open spaces, etc., that combine to form the street's character.

SWWTP

Southerly Waste Water Treatment Plant

Tax Abatements

Subsidies that lower the cost of owning real and personal property by reducing or eliminating the taxes a company pays on it.

Tax Increment Financing (TIF)

A funding mechanism for economic development which is available to local governments in Ohio to finance public infrastructure improvements. TIFs are comprised of specific areas and work by locking in the taxable worth of real estate within a defined area. Any payments derived from an increase in the assessed value of a property will be directed towards a separate TIF fund to finance public infrastructure defined within the original TIF legislation.

Tipping Fee

The charge levied upon a given quantity of waste received at a waste processing facility. In the case of a landfill, it is generally levied to offset the cost of opening, maintaining, and eventually closing the site.

Unencumbered Cash

City funds that are free and clear of any encumbrances.

Unvoted Debt (Councilmanic)

Unvoted debt typically carries a higher interest rate since it does not have the backing of the electorate.

User Fees

Fees for direct receipt of a public service, paid by the beneficiary of the service.

Vacancy Credit

A term referring to when a department anticipates savings stemming from the turnover of employees throughout a given budget year.

Voted (Unlimited) Debt

Debt issued by a municipality that is backed by a pledge from the voters that allows for an assessment of property taxes to be levied to pay for associated principal and interest.

Voted Bond Package

This refers to the city taking the proposition of funding capital improvements to the electorate for a vote. In Columbus, citizens voting in favor of a voted bond package are voting to underwrite the proposed projects with property taxes, if ever necessary. It is important to note however that property taxes have never been levied to pay debt service, nor does the city intend to do so. The benefit of passing voted bond packages is that the city can then borrow money at a lower interest rate.

WIC

The Special Supplemental Nutrition Program for Women, Infants, and Children (WIC) provides federal grants to states for supplemental foods, health care referrals, and nutrition education for low-income pregnant, breastfeeding, and non-breastfeeding postpartum women, and to infants and children up to age five who are found to be at nutritional risk.
