# CoGo Corporate: Creating a New Membership

1. From the home screen, click the red 'Join' button in the top right corner.

2. Enter your phone number to verify your account, we recommend checking 'keep me signed in' so you won't have to go through phone verification again after your initial log in.
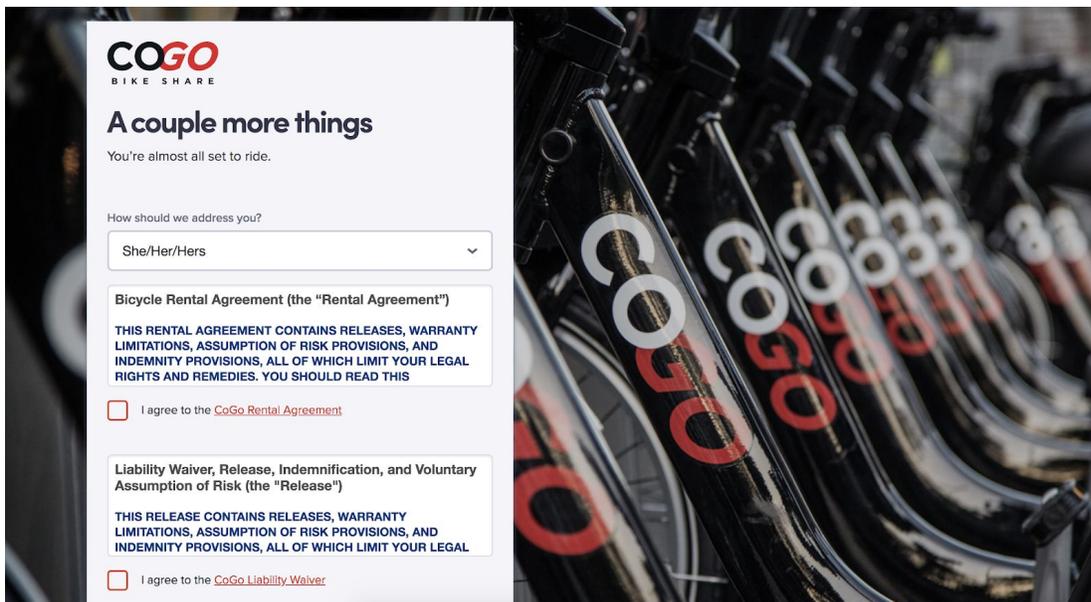

3. Enter the verification code sent to your number.

4. Confirm your Lyft account!

5. Complete the fields on the screen below. Agree to the "Divvy Rental Agreement", then click 'Submit'.

6. You'll be taken to a membership screen, click on 'Discounted annual memberships' in red at the bottom of the screen.

BEST DEAL

Discounted memberships

Student or corporate discounts

See if you're eligible for a subsidized CoGo Corporate Membership. Many organizations offer this great perk to employees.
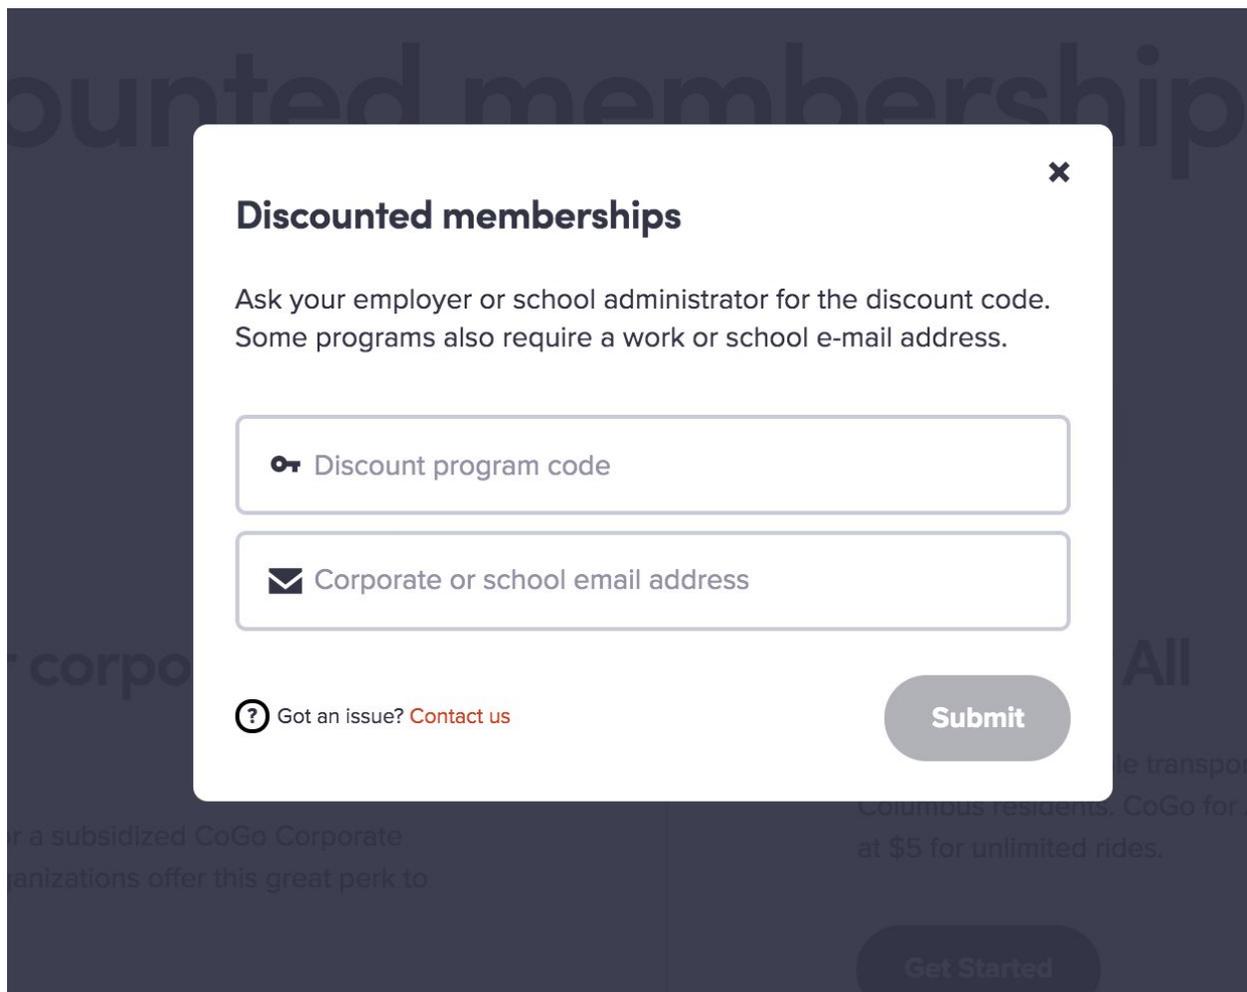

Get Started

CoGo for All

We offer an affordable transportation option for all eligible Columbus residents. CoGo for All annual memberships start at $5 for unlimited rides.

Get Started

8. Enter corporate discount code and your corporate or university email address into the Discounted Memberships pop up. If you run into problems with a passcode not working, please contact our customer service team here for the fastest resolution.

9. Follow the prompts and continue filling out your information. You will need to provide payment information to have on file for usage fees even if your annual membership fee is fully covered by your company. To get riding immediately, download the Lyft app! You may use the credit or debit card associated with your account to check out a bike at any kiosk immediately.

If you run into any problems along the way, please contact our customer service team here for the fastest resolution. Happy Riding!
