“I don’t have to deal with this alone.”

If you find it difficult to manage your diabetes, the Diabetes Support Program may be right for you.

Connect one-on-one with a personal nurse who will work with you over the phone to help you live your healthiest life. This program is included in your health benefits plan, at no additional cost.

See how small steps can lead to meaningful results by working with your nurse to:

- Reduce risk factors, such as high cholesterol, high blood pressure and excess weight
- Establish exercise and weight loss goals to maintain a healthy lifestyle
- Understand your treatments, tests and procedures
