

Your Neighborhood Liaisons

Your gateway to City Government in your neighborhood!

Neighborhood liaisons serve as your direct link to city services. They are located in Neighborhood Pride Centers in each region of Columbus. Liaisons work with residents, city officials, and civic organizations to empower residents to improve their neighborhoods.

When should I contact my Neighborhood Liaison?

From reporting a neighborhood issue, to starting an Area Commission, Neighborhood Liaisons are ready and committed to accepting your questions, calls, and emails to best serve your neighborhood. If you are unsure where to start, your Neighborhood Liaison will make sure you are directed to the appropriate city service.

Common examples include:

- ▶ To connect with or start a community organization
- ▶ To meet with your city representatives
- ▶ To ask a question about your neighborhood
- ▶ To learn more about your community and much, much more!
