Know the Facts.

COVID-19 Vaccine

Ohio is distributing safe, effective COVID-19 vaccines statewide in phases. Vaccine supply is very limited and it will take time to move through the phases and get everyone vaccinated. Eventually, everyone who wants a vaccine will be able to get one.

The vaccine:

- Does not give you COVID-19.
- Will not cause you to test positive on COVID-19 tests.
- Does not alter your DNA.
- Does not contain fetal or human cells.
- Does not contain pork or animal products.
- Does not contain a tracking device.

To find a vaccine provider near you, visit vaccine.coronavirus.ohio.gov.

COVID-19 Testing

Testing is still an important tool in our fight against COVID-19. If you are sick, you can get a COVID-19 test at no cost to you. To make an appointment for testing, call 614-645-1519.
