

FEBRUARY MONTHLY E-NEWS

THE NETWORK FOR STRONG FAMILIES & BABIES

Community Where All Babies Thrive

and the work continues! During our January meeting, we settled into three work groups and began strategizing how our work will be implemented. The community connector advisory group which will precept and work with South Side community connectors to distribute information. Two other two groups were formed to work on the top two risks associated with South Side infant mortality: tobacco use and pregnancy. We are working on a work plan that will target South Side residents and/or agencies.

The work groups will meet monthly and the whole coalition will meet quarterly. The schedules are below. If you have not done so, please let me know which work group(s) you would like to work on, email me so I can add you to the email communications and invites for that work group meeting.
