# FRANKLIN COUNTY WIC OVERVIEW

10/2013

## Women Infants and Children (WIC)

WIC is a supplemental nutrition program for Women (pregnant, postpartum and breastfeeding), Infants, and Children under the age of 5 years which provides nutrition education, nutritious foods and breastfeeding education and support to more than 35,000 Franklin County residents. WIC is an important part of your children's lives during critical times of growth and development to make sure they can avoid health and growth problems.

## Services include:

- Nutrition assessment, education and counseling
- Vouchers to use at major grocery stores for nutritious foods including milk, eggs, cereal, fruits, vegetables, whole grains, and peanut butter or dried beans
- Referral to health and social service providers
- Breastfeeding education and support
- Breast pumps as needed for work or school
- Infant formula for infants not being exclusively breastfed

## Cost

An applicant/participant must meet specific income guidelines to participate in WIC. The Ohio WIC program income guidelines are equal to 185% of the HHS poverty income guidelines.

In order to be eligible for WIC, the gross countable income of the economic unit, of which the applicant/participant is a member, must be less than or equal to the Ohio WIC program income guidelines for economic unit size provided in the chart below.
