

The Ohio Mental Health & Addiction Services & Department of Developmental Disabilities
Central Region Trauma-Informed Care Collaborative presents the learning series...

TRAUMA RESPONSIVE EDUCATION

This FREE, three hour training, via Zoom, is intended to assist school-based professionals in creating a learning atmosphere that promotes wellness through the six key principles of Trauma-Responsive Care: Safety, Trust, Collaboration & Mutuality, Cultural & Historical Understanding, Empowerment Voice & Choice, and Peer Support.

TRAINING DATE: Saturday, August 21, 2021 9:00am-12:30pm (Two, fifteen minute breaks included).

Objectives:

1. What is Trauma-Responsive Care?
2. Overview of the six key principles of Trauma-Responsive Care within a school setting.
3. Fostering Resilient School Staff: Essential Care for Essential Workers.
4. Understanding the Overlap Between Evidenced-Based Prevention and Trauma-Responsive Care (40 Developmental Assets, PBIS, PAX, Handle With Care).

Pre-registration is required. Three hours Continued Education has been applied for the following disciplines: teachers, counselors, social workers, psychologists, nursing, chemical dependency professionals, and DODD.
