

2015 PGA Jr League Golf at the Columbus Golf Courses

The spring season is right around the corner and we are forming teams to compete in a fun and competitive format for kids ages 7 to 13

Each player will receive a jersey with a number on the back just like other team sports and will join a team of 10 to 12 kids to play in five competitions in May

Each competition will be a two person scramble and an All Star team will be formed at the end of the season
