GENERAL INFORMATION:

- CENTER PHONE NUMBER: 614-645-3715

GENERAL LEAGUE RULES:

- In the event of rain or lightning during the games, it is the Center Director's or his designee to make a decision on whether to delay or terminate the games. This decision is based on the safety of all parties involved. This decision is final!
- Anyone using foul or disrespectful language at anytime before, during, or after the games will be asked to leave the park. Coaches using said language during practices and/or games may be dismissed from his/her coaching responsibilities.
- Set a good example! Parents, coaches, and spectators are expected to cheer in a positive fashion for all players! This is a recreational league and its sole purpose is for the players to learn the game of baseball and have fun!
- **COACHES: GET A SNACK LIST READY TO GO! THIS IS EXTREMELY IMPORTANT!**

SPECIFIC LEAGUE RULES:

- All games are 2 innings or 45 minutes in length:
- All players bat each inning and play the field each inning
- The last batter runs all the bases
- Children should play a different position each inning or game and have the opportunity to play all the positions during the season
- Regular infield positions are taken with the remaining fielders spread out in the outfield grass
- All runners remain on base to run even if an out is made
- No score is kept, as everyone scores every inning!
- Parents are welcome to stand next to their child in the field or on the base. If this helps the child learn, then promote it! Parental involvement is good!
- Games will be played inside the recreation center (unless unavailable due to other programs) in the event the fields are too wet/muddy to play on! Please have the children wear tennis shoes if this is the case since cleats are not allowed on the gym floor! In the event games are cancelled, they will not be made up!
- JUNE 16 & 18 = Picture day! All teams scheduled to play this day are to arrive 30 minutes prior to game time dressed and payment form is to be ready for the photographer! The team with the bye that day will be informed of their picture time the week prior to this day.
- Practice time is up to the coaches and space is wherever they can find it!
- LET THE KIDS PLAY! STAY POSITIVE! HAVE FUN!
