Carriage Place Community Center Youth Basketball

Parents,

Welcome to the 2017 CP Youth Basketball Program. We are happy that you have chosen us for your child's basketball experience! We are excited to get the ball rolling and hope that you find the upcoming season to be rewarding for both you and your child.

Our program has 3 goals; *for the child to have fun *to learn *to want to continue to play.

The Basketball Program at Carriage Place revolves around these **3 goals** for everyone who participates! We encourage and expect everyone to be positive at all practices and games and to cheer for *all* the players, not just your child or your team. We also expect sportsmanship at all games towards the officials, staff, team members and coaches.

Registration for the upcoming season is Oct. 15 through Nov. 5 (or until full). Registrations taken after Nov. 5th may or may not be accepted depending on availability of spaces per league. Once a league is full, players will be placed on a wait-list. Wait-listed registrants will be called if space becomes available.

Basketball season begins on Saturday, January 7, 2017 and will end on Saturday, March 4, 2017.

We will offer leagues for the following age divisions: (age as of August 1, 2016)
6-7 yr / 8-9 yr / 10-11 yr. **ALL LEAGUES ARE CO-ED**

Registration is on-line- <http://carriageplacerecreationcenter.siplay.com>

Payment is by credit/debit card. Refunds will not be made after November 24, 2016! The fee is for the child's uniform and games! Practice time is not a part of the fee and cannot be guaranteed! Each coach will set their practice schedule, please work with your coach and remember they are volunteers who are taking their time to work with your child!

Staff will assign players to individual teams. We will make efforts to place players on teams based on their request, but please be aware that we cannot guarantee these requests.

Once teams are assigned, we will notify the coaches and they will then begin to contact their players. Practices will begin the week after Thanksgiving and run through December. Once the season begins, practice is not guaranteed, but every effort will be made to have time available for all the teams to practice once each week here at the center.

If you have not been contacted by your coach by Nov. 25, please contact the center and we will be glad to assist you. Thanks for registering your child for our basketball program and if you have any questions or concerns, please contact the center staff.
