## **NEW PROGRAMS at FAR EAST:**

### **Fishing 4 Fathers (Friday @ 12:00 pm)**

We are searching for Fathers in our community who are interested in fishing and being a part of a great Men's Adult Group. We'll have discussions while fishing, of ways to create and maintain an active and healthy lifestyle. Fishing 4 Fathers gives adult males the ability to enjoy life to it's? Fullest which requires investing time and effort into health maintenance and disease prevention. Make healthy lifestyle choices, such as eating a healthy diet and including physical activity in your daily routine. We are really Fishing 4 Fathers to help shine a light and be a positive role model for our young generation. So come on out, bring your own poles & bait and hang with the gentlemen, for fun, food, laughter and kinship. Any questions, comments or concerns feel free to contact Mr. Grant

### **Ceramics and Crocheting Classes:**

Crocheting will be held Friday @ 12:00 and Ceramics will be Friday at 2 PM. Both teachers have taught different techniques and patterns, this should be a lot of fun. Feel free to join our fun group if you're interested in creating art from scratch.

### **Yoga Fit-Adult/Senior**

Yoga Fit incorporates all the advantages of challenge and self-pacing for all levels and ages.

### **Beginners fishing**

A basic fishing program that will teach transporting fishing poles, rigging poles, casting, unhooking fish, releasing fish and the safety precautions while fishing. Fridays from 10:00 am to noon plus free give a ways and fishing trips.

### **Walk with the Doc Program**

Take steps to a healthier you. Every other Saturday, we will host an hour long morning walk led by a Mount Carmel Health System Physician. Walkers can come and walk for as little or as long as they like and all can enjoy coffee, water, healthy snack, and walking incentives at each walk. Location: Big Walnut Park and Far East Community Center, 1826 Lattimer Drive, meet at picnic tables. Program begins April 2016.

### **Wood Turning Program**

Another class that the Far East staff will be offering in the Fall 1 will be a class called Wood Turning. This class will be either one day a week for 2 hours or two days a week for 1 hour. The wood turning class will be adult oriented at first, because of the types of tools we will be utilizing. We will begin by making pens out of wood and then eventually move onto bowls. This class is interesting because, not too many centers or people take this craft seriously. Our volunteers by the names of Robert Davis & Ray Simmons will lead our group until we get comfortable in facilitating the class ourselves.
