

Learning Life and Educational Skills for Teen Girls and Boys

The Howard Community Center will be providing “Learning Life and Educational Skills” sessions throughout the 2016-2017 school year. These sessions are opportunities for middle school youth to learn valuable educational and life skills. Each session will begin with homework help and educational skills. They will then engage in hands-on workshops on various life skills such as: physical wellness, self-care, careers, sewing, ironing, staying organized, and etiquette. There will be special volunteers each week to help facilitate workshops. These sessions are open to all middle school youth.

- Girls (10 to 14 years of age) meet on Tuesdays from 3:00pm to 4:00pm
- Boys (10 to 14 years of age) meet on Thursdays from 3:00pm to 4:00pm
