

Teen “Kickback”

Each Friday, from 7:00pm to 8:30pm, Ms. Atley from the Howard Community Center, will lead a “kickback” for our teens. Teens will have an opportunity to socialize over food, music and games while engaging in conversations about relevant topics, such as self-care, teen violence, work readiness, relationships and goal setting. There will be weekly special guests to help lead discussions as well. These “kickback” sessions are open to high school teens, (ages 14 to 18 both male & female) and will occur throughout the 2016 - 2017 school year.
