Attention Parents

Schiller will offer activities throughout the summer that will be part of our "Playground Activities" program. These activities will not be classes but more impromptu activities for ages 6 to 14 that do not require prior sign-up. We will have a message board in the main lobby with these activities posted weekly. Children will still be required to have a current leisure care to participate in these activities.

Please understand that your child will be supervised while they are participating in these activities. We are not responsible for supervising children who choose not to participate in these activities and leave the immediate area of the center for whatever reason. The immediate area of the center does not include the basketball court, playground equipment, or the pond. We do not encourage parents to leave their children at the center for long periods of time. There is no "sign-in, sign-out" procedure when dropping a child off at the center for the "Playground Activities" programs.

Schiller Recreation Center will be participating in the summer lunch program. 11:45 to 12:30 PM beginning June 2, 2014.
