

Ceramics Workshop for Scouts

Schiller Park Center will provide a workshop in ceramics for any scout troop with kids at least 6 years of age. The workshop would be an hour to an hour and a half long. The instructor will explain the process from beginning to end to give everyone an idea of what is involved with making an item. We would give the troop the choice of making one of 3 items which would be a pinch pot, coil pot or slab.

We would require the troop leaders to stay in the room & help. Parents would be welcome to help also. Cost for the workshop would be \$5 per child with a minimum of \$50. We would want a group no larger than 15 kids. The days & times we would offer the work shop would be Mondays between 5:30 & 7:30, Tuesdays between 6:00 & 8:30 and Saturdays between 10:00 & 5:30. We would make arrangements with the troop leader to get the finished projects to her once they're fired. If the troop would want to schedule a 2nd workshop to glaze the projects, that could be arranged. The month of August and the 1st week of June are times we would not schedule a workshop

To set up a work shop, you would call or e-mail Terry Gee, Center Manager, at 645-3162 or tagee@columbus.gov
