Fitness Room

Our fitness room will reopen beginning Fall I session. Participants will still be required to have a valid membership. Participants that held valid memberships when we closed in March will have 6 months added to their memberships. New memberships can be purchased the ActiveNet registration or at the center. Membership costs are:

Age 18 - 49 - \$15 per session or \$60 per year

Age 50+ - \$10 per session or \$40 per year

We will have a limited number of participants allowed in the fitness room at any time. You will be required to reserve a time slot at the following sign up genius link:

<https://www.signupgenius.com/go/10C0D4DA8AA2FA2F8C61-whetstone>

Or call the center 614-645-3217 to reserve a spot. Reservations will be taken for pre set 60 or 90 minute sessions. No participants will be allowed to enter the fitness room without both a valid membership as well as a reservation. You can begin registering for open sessions beginning 8-31-20.

As we move forward with the reopening to the public we will have COVID-19 protocols in place in an effort to keep all participants and staff safe while in the center. We ask for all participants to help by adhering to the guidelines put into place so we can move forward safely and continue to bring back more of the programs we would like to offer.

- Please make every effort to maintain 6 feet of social distance from other participants
- Masks are required by all participants when entering the building and during activities with the exceptions being while working out in the fitness room and group fitness classes. Many of the classes will meet outside when possible, while outside masks will not be required provided social distancing can be maintained.
- We will have hand sanitizer readily available throughout the center.
- All participants must be registered for activities prior to the activity. We will have no drop in or open activities.
- We will attempt to keep traffic patterns one way when possible throughout the building.
- Participants will be asked to go directly to their classroom when entering and exit the building immediately following their scheduled activity. No loitering will be allowed.
