- Leisure Cards only cost $1 (new or renewed), and are good for three years from the date of purchase.

CHAMPIONS FOR PLAY

Champions for PLAY is our annual golf outing that serves as the primary fundraising event for PLAY grants. This four-person scramble event attracts business and community leaders, sports figures, local celebrities and sponsors from a variety of industries who enjoy a full day of golfing activities topped off with an evening auction. The generous support of our corporate sponsors makes it possible for 100% of the golfers’ fees to go directly to the PLAY fund.

This year, Champions for PLAY celebrates 25 years of success, with more than $1 million raised and more than 40,000 youth impacted! Proceeds from this event provide funding for Columbus-area youth to enjoy enrichment and athletic activities in our community centers, attend summer camps, make new friends, create lasting memories and learn skills to help them succeed.

PLAY
PRIVATE LEISURE ASSISTANCE FOR YOUTH

A completed PLAY application and proof of eligibility should be submitted when registering for camp or class.

PROOF OF ELIGIBILITY

• Copy of current Medicaid, CareSource or Molina insurance card

INCLUSION SUPPORT SERVICES
Columbus Recreation and Parks Department encourages participation from diverse population and accommodates people with varying abilities and learning styles. Inclusion support staff develop accommodation plans to support campers with, but not limited to, developmental and learning disabilities, physical disabilities, sensory challenges, autism, ADHD, Down Syndrome and emotional challenges.

Reasonable accommodations are provided to enable an individual’s successful participation in camps. Reasonable accommodations are individualized techniques and resources used to enhance program participation without fundamentally altering the program. Accommodations also help staff create an environment where all campers can have a safe, successful and enjoyable recreation experience. Accommodations are not required to participate in camp programs, however, all campers are required to meet the minimum participation guidelines and desired behavior expectations of the camp. One-on-one staffing is not provided, however, campers may bring their own support person, who must pass a criminal background check.

Availability is limited. Please complete a request immediately after registration is complete.

How to access inclusive support services:

1. Register for desired camp.
2. Contact Mary Beth Moore at mbmoore@columbus.gov and request an Inclusion, Accommodation & Special Needs Request Form.
3. Complete the form and email mbmoore@columbus.gov at least 14 days prior to the start of camp.

HORSEBACK RIDING
Designed for riders of all skill levels, this specialty day camp provides the opportunity for youth to experience the joy of horses. Campers spend their time at the barn riding and learning all about horse health and care. Beginner and intermediate riders play mounted games, get to learn all about their favorite horses and learn the basics of riding. Riders with lots of experience learn more advanced levels of riding to improve their skills. Campers also play games and do arts and crafts activities designed to reinforce equestrian knowledge and concepts, giving them hands-on, well-rounded experience in what is necessary to care for an equine friend.

Each camp week concludes with a family day at the barn, with campers showcasing their skills in a Horse Show. Capital City Equestrian’s program combines qualified staff, experienced horses and excellent facilities to create a fun, safe atmosphere where anyone can gain horseback riding skills, obtain horsemanship knowledge and enjoy meeting and riding with friends.

For the safety of riders, staff and horses, campers must be able to:
1. Follow directions and stay with group.
2. Conduct themselves quietly, gently and respectfully toward fellow campers, staff and animals.
3. Have fine and gross motor skill control (hand-eye coordination, balance, core strength) sufficient to safely control their own bodies on a horse.

Pickleball is a combination of tennis, badminton and table tennis, with players using a paddle to hit a whiffle-like ball over a net. Competitors play in singles, doubles or mixed doubles, and like most net games, a powerful serve is always an asset. Pickleball is one of the fastest-growing sports in the country and has gained popularity among fans of all ages and abilities who enjoy friendly competition and healthy lifestyles.

In 2019, Columbus Recreation and Parks added 23 more court overlays throughout the city and increased instructional and open court times at our community recreation centers, with plans to add additional dedicated courts in the future.

WHERE TO PLAY
We offer 118 Pickleball courts at 35 locations - 60 for indoor play and 58 for play outdoors - including three dedicated Pickleball courts at Marion Franklin Park. For information on Pickleball at our community centers, including details about instructional and open play schedules, visit us online at ColumbusRecParks.com/Pickleball.

RESERVING A COURT
Contact your local community center to reserve a court for indoor play. To reserve outdoor courts at any of our parks, or to reserve the indoor courts at the Bill McDonald Athletic Complex, contact our Sports Office at 614-645-3366 between the hours of 8 AM and 5 PM, Monday through Friday.
Columbus Recreation and Parks Golf operates six public golf courses that offer a variety of locations, costs and challenges. Prepare yourself for an unparalleled golfing experience, with courses that can be enjoyed by golfers of any skill level. Test your accuracy with our fairways, water hazards and bunkers; we have everything you need to challenge and improve your game.

Opening this spring is our new 10,000-square-foot clubhouse at Champions. This beautiful, spacious facility boasts a new pro shop, dine-in grill and large banquet room, with seating for more than 250 people. The clubhouse is available for year-round rentals, so book your wedding reception, family reunion, graduation party or golf outing with us!

We know how much dogs love to go to the park! Columbus Recreation and Parks Department has five locations where your furry friend can really enjoy themselves. You can help develop a dog’s positive behavior by letting them socialize, and who knows, you might just make a new friend too.

Handlers are responsible for any injuries caused by dogs they bring to the park. Users of these parks do so at their own risk. Neither the City of Columbus nor the Columbus Recreation and Parks Department shall be liable for any injury or damage caused by any dog in the Dog Park.

ENSURE YOUR ANIMALS STAY SAFE
Direct Control is part of Columbus City Code 2327.11 (Animals Running at Large) and means that an animal is on a leash/tether or will come, sit, and stay on command from the owner.

Under this code:

- No owner of any animal shall permit such animal to run large (off leash) on any property not his own.
- The pet must respond immediately to the owner’s command to be under direct control.
- The pet is considered not to be under direct control if it chases, injures, or kills any person, domestic animal, or damages or commits any nuisance upon property other than that of its owner.

Whoever violates Columbus Code 2327.11 is guilty of permitting animals to run at large, a minor misdemeanor. If the animal is a dog, a violation of this section is a third-degree misdemeanor.

If the animal causes physical harm to any person, or if the offender is, or has been, the owner of a dog which was declared a dangerous or vicious animal, a violation of this section is a first-degree misdemeanor.

Columbus Recreation and Parks Department is committed to the safety and well-being of the people and the pets in our community. We invite all pet lovers to work with us to keep our community welcoming and safe for everyone.
CREATIVE ARTS EVENT
May 6-15

Engaging in creative activities keeps minds active and nimble, reduces stress and builds social circles. For more than 60 years, Columbus Recreation and Parks has nurtured and celebrated the artistic talents of central Ohio area residents ages 50+. The Creative Arts Event showcases these artists with an exhibition of nearly 500 award-winning arts and crafts, poetry and short stories submitted by community members. Hosted at the Martin Janis Community Center, this celebration features a full slate of visual and performing arts programs, including the annual Line Dance Showcase.
Programs & Initiatives
This nine-month initiative works to develop Columbus’ leaders of tomorrow by providing, hands-on education and mentoring. City Leaders offers an immersive learning experience for participants, teaching them about the inner workings of the City of Columbus. Areas of focus include Science, Technology, Arts, History, Education, Health and Nutrition, Social Services, Law Enforcement, Safety, Government, Economic Development and Community Service. In addition to experiential learning opportunities, participants benefit from mentoring by current leaders from within the City of Columbus and local partner organizations.

This leadership opportunity is open to middle schoolers, grades 6-8 and ages 10-15, who reside within the City of Columbus. The hope is that the selection process will render a very diverse group of forward-thinking children, eager to learn all about their city and become a catalyst for change. To learn more and to apply, visit Columbus.gov/CityLeaders.
CAP CITY NIGHTS FESTIVALS

Each summer, we host neighborhood celebrations that serve as both community-building and prevention activities, while creating positive, healthy and safe community relationships. We are intentional in bringing together neighborhood residents, area leaders, service providers, business owners, civic groups and the faith community. Festivals include music, food and beverages, games and activities, community resource information, and lots of fun for the entire family.

JOB READINESS PROGRAM

Our nine-week, life skills and professional development program provides training, mentorship and job placement at worksites throughout the city. We offer an Education Individual Development Account (IDA) for participants who complete certification in EverFi Financial Literacy, which rewards those who save their earnings with an $8 to $1 match, to be used for post-secondary educational expenses. The maximum amount that can be matched is $500, giving them $4,500 to put toward expenses for trade school and/or 2-year or 4-year accredited colleges and universities. Experienced job coaches perform daily worksite visits to provide support and guidance.

NEIGHBORHOOD VIOLENCE INTERVENTION

Our Neighborhood Violence Intervention (NVI) program uses proven strategies to interrupt violence at the street level and promote conflict resolution. Trained Interventionists use mediation, conflict resolution and community crisis response tactics as part of our proactive strategy to stop violence before it happens.

APPLICATIONS FOR PURPOSE, PRIDE AND SUCCESS (APPS)

Our APPS program is designed to help reduce neighborhood crime and violence, through the use of proven prevention and intervention strategies which increase protective factors in the lives of Columbus youth and young adults, ages 14-23.

Additionally, event calendars are created with extended hours for engagement and feature fun and enriching activities during school breaks. Learn more about APPS at bit.ly/APPSCbus.
