

Dear Applicant:

Enclosed is the Block Party/Street Closure application that you have requested. Please read the application carefully, including all requirements and restrictions listed within. City Code states that the submitted petition must include at least eighty percent (80%) of the property owners' signatures whose property adjoins the public street being closed. Please contact the **Columbus Division of Police, Special Events Unit at 614-645-4375** to make an appointment for approval and street designation as a major or non-major thoroughfare after the signatures are collected. Police will also determine if parking meters will be removed from service for your closure. The parking meter request form will need to be completed if the Police determine that meters will be impacted. This fee will be designated by the Parking Violations Bureau and collected by Columbus Recreation and Parks with the application fee. All applications must be submitted in person with original property owner signatures. We recommend that completed applications be returned to the Columbus Recreation and Parks Permit and Rental Services Section no less than **thirty (30)** days prior to the date of the street closure. For events requiring alcohol permits through the State, we require that the completed application be turned in no less than **sixty (60)** days prior to the date of the street closure / event. Any application received less than fifteen (15) days prior to the date of the street closure may not be processed. Below is a list of laws and restrictions to review prior to completing the application:

- No block party activity shall be conducted between the hours of 12:01am and 8:00am without the documented permission from the Director of Recreation and Parks.
- No Street may be closed for the purpose of a commercial activity. From Columbus City Codes, the following is provided:

923.01 Definitions.

(A) **“Block Party”** means the closing of one (1) or more public streets between one (1) or more intersections for the common purpose of the residents of the public street, or for the common purpose of the community at large, other than for a parade or commercial activity.

(B) **“Commercial activity”** means the ordinary activities of trade and commerce where the profit motive is the primary purpose of the block party. This terminology does not apply to sales of the materials which are intended to convey information and ideas, or which espouse causes or beliefs protected by the First Amendment of the U.S. Constitution, whether in form of books, pamphlets, buttons, bumper stickers or t-shirts.

- **No Application will be accepted by mail or without approval from the Columbus Division of Police’s Special Events Unit, Traffic Bureau (614-645-4375).** Advanced notice of your arrival is required.
- A Street Closure / Block Party Permit is not a permit for alcohol sales, distribution, or consumption in a public right-of-way. All public right-of-way laws still apply to the permitted closed street. Alcohol may only be sold, distributed or consumed on private property with the proper licenses.

If you are planning a *rain* date for your event, it **must** be stated on the petition **before** you collect signatures. Otherwise, the application must be completely resubmitted. If you have any additional questions or concerns please contact the Permit and Rental Services Section at **614-645-3337**.
