Removal of parking meters from service is not required. However, meters in service will allow cars to be parked on the course, and their departure cannot be prevented during race. The above parking meters can be removed from service by submitting a Parking Meter Request form.

Notifications
Race organizer is required to distribute written notifications to all residents and businesses along the course at least 15 days prior to the race.

Race organizers are encouraged to place race in progress signs on the bike path to notify recreational trail users of your race.

Sample signs can be found online in the Race Planning Guide at www.columbusrecparks.com.

Traffic Control Devices
Please refer to the attached traffic control device maps for the course. It’s the responsibility of the race organizer to obtain and coordinate proper placement of all devices in accordance with the City of Columbus traffic safety standards.
