

Columbus Recreation and Parks mission statement: To enrich the lives of our citizens

Alan D. McKnight

Message from the Director

The Columbus Recreation and Parks Department's mission is "to enrich the lives of our citizens." The programs offered this summer and presented in this brochure live up to that statement. Whether your interest is the arts, the environment or sports, whether you are young or old, we are confident you will find an endeavor that meets your needs.

Columbus offers many high quality programs throughout the year in addition to the over 240 parks and 55 miles of trails that are available to use at your leisure. They are in fact, essential to the quality of life of our residents. In addition to just being fun, recreation programs and parks provide an opportunity for improved physical and mental health, youth development, environmental focus, and a positive economic impact to the city.

2012 is our city's bicentennial. As we look forward to an exciting year celebrating this milestone, Recreation and Parks will offer a number of bicentennial events that will incorporate our neighborhoods and bring enjoyment to everyone involved.

So, throughout the year, please know the staff of the Columbus Recreation and Parks Department stands ready to serve you and all of our citizens. Just give us a call or look on our website; it's easy to do. We look forward to an active and healthy 2012.

Alan D. McKnight, *Director*

Camp Expo

Message from City Councilmember Zach M. Klein

This year is an exciting one for Columbus Recreation and Parks because it continues to strengthen and build upon its successes from 2011. As Chair of the Recreation and Parks Committee on the Columbus City Council, I have been proud to sponsor legislation that gives our parks and recreation centers improved shelterhouses, heating and cooling renovations, and enhanced facilities. I have visited these facilities, and I cannot say enough about what they have to offer.

Our department offers a myriad of programs and activities that not only give city residents the opportunity to play and enjoy recreational activities, but also have a profound effect on people's lives. Its programs offer recreation opportunities for children on summer vacation, as well as connecting them to services that focus on building life skills and job training. Additionally, they promote anti-violence initiatives that help keep youths off the street and engage them in team activities that provide the foundation for a healthy life. They also offer programs and services for the city's older population, offering year-round activities to engage senior citizens in our community.

Our Recreation and Parks Department offers something for everyone in Columbus, from young children to parents to senior citizens and entire families. It not only promotes recreational activities but also opportunities to build a better quality of life and keep our city neighborhoods safe and strong. I am looking forward to continued success this year, and I hope everyone will take advantage of all the opportunities the department has available.

P.L.A.Y. Grants

Private Leisure Assistance for Youth

P.L.A.Y. Grants are available to financially challenged families with children who would like to participate in any fee-based program offered through Columbus Recreation and Parks. If eligibility requirements are met, P.L.A.Y. will assist in covering the cost of the program. In addition, P.L.A.Y. will cover the cost of one week of summer camp, per eligible participant, up to \$80.

P.L.A.Y. grants do not apply to the School's Out or Columbus Performing Arts programs.

An approved P.L.A.Y. application does not guarantee registration in a program. You must still go through the specific site's registration process. Only programs fiscally operated by the City of Columbus are eligible for P.L.A.Y. Grants.

Eligibility Requirements

Proof of eligibility must be submitted with your application.

The four ways to prove eligibility are:

- Copy of current Medicaid, CareSource or Molina Card;
- Copy of current ADC Benefits;
- A current letter from the child's school stating he/she is on reduced/free lunch;
- A copy of your most recent federal or state income tax return. W-2's by themselves **do not** meet the eligibility requirements.

Applications

P.L.A.Y. applications for 2012 summer camps are available at all community centers or by emailing volunteers@columbus.gov and requesting a Summer Camp 2012 P.L.A.Y. Grant Application. P.L.A.Y. grant applications should then be completed and submitted along with camp registration and proof of eligibility.

To register for camps online, eligible P.L.A.Y. applicants will need a coupon code. To receive a coupon code prior to February 17, mail P.L.A.Y. application and proof of eligibility to: Camps, Columbus Recreation and Parks, 1111 E. Broad St., Columbus OH 43205. **Coupon code will be emailed to parent.**

P.L.A.Y. will have representatives at the Camp Expo on March 1 for on-site approval and to give coupon codes. Applicants must bring proof of eligibility with them.

Registration process on/after March 10: Go to a Columbus Community Center for in-person registration and P.L.A.Y. approval.

Urban Forestry & Parks

Urban Forestry

Street Trees

The Forestry Division is responsible for the planting, pruning, and removal of trees on the public right-of-way. Trees growing along roads are called street trees and are generally located in the tree lawn, an area between the street and sidewalk. The tree lawn is within the street right-of-way and is public property as are the trees. If you have any questions, concerns or requests regarding street trees, please call the Forestry Office at 645-6640.

Permits

To ensure proper arboricultural standards are followed, a permit is required in order to plant, prune or remove a street tree. Please call the Forestry Office at 645-6640 and an Arborist will inspect the site to determine the maintenance needs.

Parks

The Topiary Garden

Deaf School Park, corner of E. Town St. and Washington Ave., in downtown Columbus, is the site of a unique arts project in process. George Seurat's famous post-impressionist painting, *A Sunday Afternoon On The Island Of La Grande Jatte*, is recreated in topiary, sculpted evergreen shrubbery. It is the only topiary interpretation of a painting in existence in the world.

The landscape of the painting consists of 50 topiary people, eight boats, three dogs, a monkey, a cat, and a real pond and trees. The largest figure is 12 feet tall!

The best time to view the topiaries is mid-July through November. Admission is free. Call 645-3350 for more

The Rose Garden

Located within Whetstone Park, 3923 N. High St., the Park of Roses is the crown jewel of the Columbus park system. The Park of Roses is a 13-acre, beautifully landscaped site containing 11,000 rose bushes and specialized collections of herbs, perennials and an Earthkind garden. No admission fee, ample parking and handicap accessible.

- **Big Walnut Dog Park** (near east) Two acres on east side with large and small dog areas that open to a pond.
- **Three Creeks Dog Park at Sycamore Fields** (southeast) Six acres in south Columbus with both large and small dog areas.
