

THE CITY OF  
**COLUMBUS**

ANDREW J. GINTHER, MAYOR

RECREATION AND PARKS  
DEPARTMENT

# *Outdoor Education Open House*

On Saturday, April 16, from 1:00pm to 3:00pm, YOU can experience, for FREE, the best that Columbus Recreation and Parks Outdoor Education has to offer!

Ascend our climbing wall, try fishing with Field and Stream, learn archery, make nature crafts with Macaroni Kid, play games, and more!

No registration is required and all school, scout and church youth groups along with summer day camps and families of all ages are invited to see what safe and affordable programs we provide. We'll even be having a raffle sale of donated items from REI, Outdoor Source, Zip Zone, Grandad's Pizza, and more.

No need to register, just come out and see us!
