

Mountain Biking in the City?

The City of Columbus Recreation and Parks Department is pleased to announce a partnership with **COMBO** (Central Ohio Mountain Biking Organization) to explore bringing natural-surface riding trails and a bike skills network along the City's trails!

The Recreation and Parks Department and COMBO have engaged IMBA Trail Solutions (Boulder, CO) to evaluate the feasibility of creating natural surface trails and skills park features that would be accessible along the City of Columbus Central Ohio Greenways trail system.

We need your thoughts and ideas on how we can move forward and develop a bike skills network with the features that you want. **Please join us for a Town Hall Meeting on Tuesday, June 2nd, from 5:30pm to 8:00pm at the Whetstone Park of Roses shelterhouse.** A short presentation will begin at 6:00pm.

If you can't make it, please take a moment to fill out this short survey: <https://www.surveymonkey.com/s/9N2NFX5>
