CONTRACT COMPLIANCE REQUIREMENTS

All proposals and any resulting contracts are subject to the terms, conditions, and requirements set forth in Columbus City Code Section 3909.01, Equal Opportunity Clause. By submitting a proposal, Contractor or Subcontractor(s) agree to comply with the provisions of Article I, Title 39 in regards to contract compliance. In order for a proposal to be considered, an active Contract Compliance certification number or proof that a contract compliance application has been completed must be provided. Any questions or inquiries concerning this should be directed to the Equal Business Opportunities Commission Office, 109 N. Front Street, 4th Floor, Columbus, Ohio 43215 (614) 645-4764.

RFP CANCELLATION AND REJECTIONS

The right is reserved by the Executive Director of Recreation and Parks of the City of Columbus, Ohio to cancel the Request for Proposals, to reject any and/or all proposals, to waive technicalities, and/or to advertise for new proposals, when it is in the best interests of the City.

OTHER REQUIREMENTS

Contractors are subject to all applicable federal, state and local laws, ordinances, rules and regulations pertaining to services or products to be provided.

The format for procurement of these services will be per the relevant provisions of Columbus City Code Chapter 329.

Please be advised that proposals submitted to the City are subject to applicable federal, state, state, and local public information disclosure regulations. Requests to view a proposal will be arranged upon receipt by the City of a written request for such; therefore, any proposal may be subject to viewing by the public. If any information contained in the documents submitted is deemed proprietary in nature, the offeror is required to defend the City concerning any litigation arising from the offeror's request for confidentiality.

Generally, all proposals and associated documents that are submitted in response to an RFSQ/RFP, and any resulting contracts, are considered public records and are open for inspection as required by Ohio public records law. If an offeror considers proprietary information that is submitted with its proposal to be a "trade secret," as defined in Ohio Revised Code Section 1333.61(D), and wants such information not to be disclosed to the public, the offeror must clearly identify it as such in the submitted proposal and request that it not be disclosed. If the City determines that the identified information would be considered a trade secret under Ohio law and thus not subject to mandatory disclosure under Ohio public records law, it will treat it as confidential, subject to a contrary judicial determination. In the event of any legal challenge to the City's non-disclosure of proprietary/trade secret information, the offeror, as the entity claiming trade secret status for its proprietary information, shall bear the burden to identify and demonstrate that such information is included in categories of protected information under Ohio law. The City shall promptly notify offeror of any public records request it receives that would include proprietary/trade secret information identified by the offeror.
