

Draft Charter Amendment
Sec. ---. Open Meetings

The public bodies of the city shall hold all meetings in accordance with the general laws of the state pertaining to open meetings. In addition to those entities defined as public bodies in the general laws of the state, an entity of the city shall be considered a public body for purposes of this section if its members are appointed by an officer of the city, and the entity has been established and its members appointed for the sole purpose of advising any officer or decision-making body of the city.
