A Message from the Columbus Charter Review Commission

The members of this commission are honored to follow a long line of Columbus’ leaders in reviewing the city’s charter in light of changing laws, technologies and societal standards. On the centennial anniversary of our charter’s adoption, we set out to conduct a comprehensive review of the charter and make thoughtful recommendations for modernizing our city’s constitution.

This report represents the culmination of that work – a summary of the issues we’ve considered and a compilation of our citizens’ recommendations for change. While each issue was thoroughly reviewed, and many vigorously debated, we present in this report the unanimous recommendations of our commission.

As a commission, we offer our thanks to Mayor Michael B. Coleman and Council President Andrew J. Ginther for entrusting us with the authority and responsibility to weigh in on the document that establishes the powers and limitations of our city government, and governs, in so many important ways, the responsibilities of our government to the people.

The commission extends its thanks to the many city residents who provided feedback – both formal and informal – on our charter and other city issues. We are grateful for the support and suggestions of city staff throughout this process as well.

We are also thankful for the Columbus citizens who, 100 years ago, adopted our first home rule city charter. They did so at a pivotal moment for our city. At that time, citizens and elected officials alike reeled from decades of instability in our form of government, which used city government as a proxy for political battles in the state. The city was rocked by political scandals, widespread graft, and rancorous partisan conflict. The west side of Columbus had not yet recovered from a devastating flood the previous year. And residents would, in mere weeks, witness the first shots of the Great War.

Against this backdrop, the 1914 Columbus City Charter, drafted by an elected commission of Columbus residents, established a balanced, accountable form of government that stands strong 100 years later.

It is our hope that our recommendations maintain that critical framework, while modernizing our charter in preparation for the challenges and opportunities of the next 100 years.

State Representative Michael F. Curtin, Co-Chair
City Auditor Hugh J. Dorrian, Commissioner
On April 4, 2014, Mayor Michael B. Coleman and Council President Andrew J. Ginther convened and appointed a Charter Review Commission. The mayor and council president charged the commission with conducting a comprehensive review of the Columbus City Charter and making recommendations for potential revisions. The five-member commission was composed of the following members:

- The Honorable Michael F. Curtin, State Representative, Co-Chair
- Marchelle E. Moore, Vice President of Legal & Government Affairs and General Counsel for the Central Ohio Transit Authority, Co-Chair
- Jeff Cabot, Executive Director of Kids Voting Central Ohio, Commissioner
- The Honorable Hugh J. Dorrian, Columbus City Auditor, Commissioner
- Dawn Tyler Lee, Senior Vice President of Community Impact for United Way of Central Ohio, Commissioner

The Charter Review Commission held nine meetings, including seven working meetings and two public hearings. The commission widely distributed notices, videos, and materials of each meeting, as well as links to an online form and an email address for public comment. Staff posted all commission presentations, background documents, draft amendments, meeting minutes, meeting videos, public comment summaries, and bylaws on the Charter Review Commission’s webpage.

To support the work and meetings of the Charter Review Commission, Mayor Coleman, Council President Ginther, and City Attorney Richard C. Pfeiffer, Jr. provided resources and staff, including the following:

- Andrea Blevins, Columbus City Clerk, Commission Secretary
- Cheryl Austin, Administrative Analyst for the City Clerk, Support Staff
- Bryan M. Clark, Senior Legislative Advisor, Columbus City Council’s Liaison to the Commission
- Joshua T. Cox, Chief Counsel, City Attorneys’ Liaison to the Commission
- Sherry R. Kish, Deputy Chief of Staff, Mayor’s Liaison to the Commission

On Monday, June 30, 2014, the members of the Columbus Charter Review Commission voted to forward 21 recommendations to Columbus City Council for consideration. These recommendations arose from the commissioners’ review of all 235 sections of the Columbus City Charter.

This report includes a summary of the Charter Review Commission’s recommendations, proposed language for those charter amendments, and ancillary materials associated with the commission’s work.

Annual Reports of the City of Columbus
Section 231.

The Charter Review Commission recommends amending the charter to establish that annual reports of the city are public records that must be retained permanently and electronically.

The Columbus City Charter currently requires the compilation of an annual report of the city. The charter stipulates that the annual report must “...be grouped and published in book form...” The commission recognizes the framers’ intent that critical city records be widely available, but finds that the current language does not reflect the common means of information sharing at this time.

Charter Review Commissions
Section ---

The Charter Review Commission recommends an addition to the charter to establish decennial Charter Review Commissions, commencing in 2022.

In reviewing the city charters of 33 Ohio cities where comparison would be appropriate, this commission found that 82% required the holding of periodic Charter Review Commissions. Further research identified several common practices, which have been included in our recommendations: balanced appointment mechanisms; limitation of appointees to Columbus residents who hold no office or employment with the city; broad discretion to conduct the review; a time limit for submitting a report; and council discretion in acting on any recommendations. This commission finds that the foregoing would well serve Columbus residents for future decennial Charter Review Commissions.

Charter Technical Changes
Section ---

The Charter Review Commission recommends an addition to the charter to provide council with very limited authority to make technical changes to the charter.

Given the difficulty of amending a city charter, many cities have attempted to craft a process to make technical changes – such as correcting punctuation or misspellings, or renumbering sections – without resorting to a lengthy and potentially expensive ballot process. Columbus previously dealt with a subset of this issue with a charter amendment allowing the city clerk to make certain gender-specific pronouns gender-neutral. This commission finds that it would be beneficial to provide a strictly limited authority to make technical changes. However, to safeguard the use of this authority, the commission recommends the following: the ordinance may not be passed as emergency; the vote must be unanimous; the ordinance must be subject to referendum; changes may not alter the intent or purpose of any provision; and changes must strictly adhere to a list of technical items.
The City Clerk
Sections 11, 14, 145.

The Charter Review Commission recommends the reordering and amendment of three charter sections to provide consistency, clarity, and logical sequencing for the city clerk’s powers and duties.

Currently, the charter scatters the city clerk’s powers and duties throughout three sections. One section, which establishes a “bureau of information and publicity,” references a city publication which the charter does not establish or define, devolves key city clerk duties to an unnecessary bureau within the clerk’s office, and does not fully reflect contemporary methods of communication. Two additional sections combine the city clerk’s powers and duties with unrelated subject matter. This commission finds that the citizens of Columbus will be best served by the repeal of Sec. 145, and the reordering and amendment of Sections 11 and 14 to remedy these issues.

Civil Service Re-instatement to the Eligible List
Section 149(k).

The Charter Review Commission recommends amending from one year to three years the time-frame for current and former city employees to be reinstated to the eligibility list for a classification without the need for redundant testing.

Although potentially contrary to existing charter language, for the past seven years the Civil Service Commission has afforded employees the opportunity to reinstate to and remain on an eligible list for a job classification to which they were previously appointed for up to three years following their separation from city employment. They may do so without the cost and redundancy of new testing. Because the Civil Service Commission finds that this “three-year rule” has well served the city, this commission finds it appropriate to amend the charter to authorize current practice.

The Council
Sections 3-19, 33, 34.

The Charter Review Commission recommends numerous amendments to reorder, in logical sequence, the charter provisions for the council; reflect modern organization of the council; and clarify select provisions of the charter relative to the council.

The Columbus City Charter provisions regarding the council were heavily amended before adoption by the Columbus Charter Commission in 1914. Six subsequent amendments have further complicated these sections. As a result, the council section of the charter lacks the coherence and clarity of those related to the mayor, auditor, and city attorney.
This commission finds that clarifying amendments, together with additions that reflect council’s operations and are in line with other city charters, will provide citizens a clear, logical sequence of powers and duties applicable to the legislative branch of city government; reflect current practice for council; and address select areas where the charter is currently silent and that silence may lead to disruption or lack of continuity in the council.

**Council Wards**
Sections 3-19.

The Charter Review Commission does not recommend abandoning the city’s current form of legislative governance by adopting ward elections for members of city council.

This is not the first charter review commission to address the question of returning to the pre-charter process of electing councilmembers by ward, or by some hybrid of ward and at-large representation. The 1998 Charter Review Committee most recently considered this question and concluded, “The Committee felt Council Members should come with a citywide perspective rather than with parochial interests which could lead to political “horse-trading” for district advantage. The Council appears to work well as it is presently structured and should remain in its present form.”

The 1998 committee’s findings are well-founded. Contemporary descriptions of Columbus’ pre-charter ward system demonstrate the instability and partisan environment that pervaded city government. For example, one contemporary account stated, “...a councilman, however, derelict in conserving the interests of the city at large, was amendable for his conduct only to the electors of his own ward. Such were some of the leading, and as experience has abundantly shown, mischievous characteristics of this law [the legislative city charter], most of which, with variations chiefly in mischievousness by partisan or State meddling, have been perpetuated in the government of Columbus to the present time.” Alfred E. Lee. History of the City of Columbus, Capital of Ohio, Volume II. Munsell and Co, New York, 1892.

Based on our city’s history and our belief that Columbus citizens have been well served by the current council model, this commission concurs with the 1998 Charter Review Committee and does not recommend change to the process of electing or appointing members of Columbus City Council.

**Elected Official Compensation**
Sections 7, 15, 59.

The Charter Review Commission recommends a charter amendment creating a Citizens’ Commission on Elected Official Compensation, with salaries established by ordinance of council based on the recommendations of such commission.
Throughout the country, citizens have grappled with two competing goals – removing a perception of politics in setting elected official compensation and maintaining accountability to voters once the salaries are set. For this reason, a majority of the nation’s 30 largest cities, plus Ohio’s largest cities, institute salaries by a method other than discretionary ordinance of council. Reliance on a citizens’ commission has emerged as a leading common practice in those cities.

This commission finds that the city would be well served by shifting from the discretionary ordinance approach and embracing a citizens’ commission to study and recommend salaries; convening a commission every four years; limiting raises to cost of living adjustments; and requiring council approval based on – but not to exceed – the recommendations.

**Elections**
Sections 41-56, 200-223, 234.

The Charter Review Commission recommends modernization of the charter’s elections provisions, including nominations, initiative, referendum, the recall, ballots, petitions, and charter amendments.

After extensive research and investigation, this commission finds that the elections provisions of the charter can be modernized to provide consistent, uniform, and voter-friendly standards to fully exercise the elective franchise. Because state law for many municipal issues has not been updated since the 1950s, the commission does not support abandoning Columbus’ tradition of home rule elections provisions.

This commission finds that voters will be best served by modernizing all charter sections relating to elections. A summary of commission recommendations may be found in the appendix.

**Equal Rights and Non-Discrimination**
Section ---.

The Charter Review Commission recommends that the fundamental rights of equality and non-discrimination be protected in the charter through the adoption of an Equal Rights Amendment.

Today, we pride ourselves on the openness and inclusiveness of our city. Unfortunately, the history of our nation, state, and city demonstrate the volatile and often incomplete nature of legislative civil and political protections, while there is ample evidence of other cities addressing equality and non-discrimination in their charters. No city ordinance or charter provision can change hearts and minds – but our charter can reflect our fundamental value of equal protection in the most permanent form available to our local government.
This commission proudly finds that the charter should offer clear protections against discrimination in city services and employment based on race, sex, sexual orientation, gender identity or expression, color, religion, ancestry, national origin, age, disability, family or military status, or any other status that is protected by federal, state, or local law or ordinance.

**Ethics and Prohibited Acts for Public Officials**
Sections 6, 227.

The Charter Review Commission recommends a streamlined, uniform approach to public official ethics and prohibited acts in the charter, while retaining the enhanced penalty for violation currently in the charter.

Under two charter provisions and general laws of the state, three separate standards apply to the same offense of unlawful interest in public contracts. The charter provisions establish different standards for different elected officials when determining if a violation exists, and neither standard comports with state law. Because state law uses an appropriate criminal standard for a criminal offense, this commission finds that the city should rely on state law, referenced in the charter, for prohibited acts by public officials. However, this commission finds that the current charter provision appropriately applies a stiffer penalty for violation and recommends retaining that penalty in addition to any penalties under state law.

**Inability of Officeholders, Temporary and Permanent**
Sections 5, 64, 67, 78, 87.

The Charter Review Commission recommends establishing a clear process to declare an elected official temporarily or permanently unable to discharge the powers and duties of office.

While the charter currently addresses, in a limited and ambiguous fashion, the temporary or permanent inability of the mayor to serve, it does not extend this provision to other city officials. Based in part on the US Constitution and keeping in mind the critical separation of powers in city government, this commission finds that each official should have separate processes to declare him/her temporarily or permanently unable to discharge the powers and duties of office. These sections would be in addition to provisions for resignation and recall.

**Mayor’s Budget Estimate**
Section 26.

The Charter Review Commission recommends numerous updates to modernize the mayor’s budget estimate, to better reflect contemporary budget development and dissemination practices.
Section 26 of the charter requires the mayor to prepare the mayor’s budget estimate on “uniform blanks prepared by the auditor,” yet this process has not been used or needed for decades. Further, this section requires the printing and distribution of 200 copies of the estimate, reflecting the intent of the framers that information be easily accessible. This commission finds that both provisions, while helpful in 1914, no longer serve their intended purposes and should be updated.

Open Meetings
Section ---

The Charter Review Commission recommends inclusion of an affirmative reference to state laws governing open meetings, while expanding the state law requirements to include purely advisory bodies of the city.

In 2010, Columbus voters approved inclusion of a state law reference for open meetings, but this was limited to council. In addition, purely advisory bodies may or may not be subject to open meetings laws. This commission finds that Columbus citizens will benefit from an affirmation that all public bodies of the city operate in the open by enhancing state law to expressly include purely advisory bodies in the definition of public bodies.

Prohibited Use of Public Funds
Section ---

The Charter Review Commission recommends that the charter include a general prohibition on use of public funds in any manner contrary to the charter, ordinance of council, or general laws of the state; and that the charter require council to establish by ordinance prohibited uses of public funds.

While the Columbus City Charter contains numerous safeguards for the appropriation and expenditure of public funds, it is silent on prohibited uses. The state law governing prohibited uses excludes charter municipalities. Fortunately for Columbus residents, the city currently follows state law regarding prohibited uses of public funds, even with this exclusion.

This commission finds that the charter should require adoption of an ordinance governing prohibited uses of public funds, but do so in a flexible manner.

Public Records
Section ---

The Charter Review Commission recommends an affirmation, in the charter, of the city’s responsibility to provide records of the city to the public pursuant to general laws of the state.
Unlike many Ohio charters, the Columbus City Charter does not reference public records, though it does require several publications and journals that give the public ready access to the actions of their government. As the old adage says, “Sunlight is said to be the best of disinfectants.”

This commission finds that citizens will benefit from an affirmation of the city’s responsibility to follow state laws pursuant to public records.

**Qualifications for City Elected Officials**

Sections 4, 5, 6, 58, 64, 66, 79.

The Charter Review Commission recommends creating uniform qualifications for city elected officials, with distinct, but appropriate, additions for the mayor and city attorney.

Currently, qualifications for office vary in the city charter – usually with little apparent reason. For example, only the mayor may serve as a member in the reserves of the US Armed Forces; only council members are subject, as a qualification of office, to the requirement that they have no interest “…in the profits of emoluments of any contract, job, work or service for the municipality”; and the city attorney and auditor have neither the authority or prohibition to hold other public office.

This commission finds that prospective candidates would benefit from more consistent, uniform standards; however, the commission recommends retention of the prohibition on other public employment by the mayor and the requirement that the city attorney be an attorney-at-law admitted to practice in Ohio.

**Recreation and Parks Commission**

Section 128.

The Charter Review Commission recommends modernizing the qualifications for and composition of the Recreation and Parks Commission.

Under current charter provisions, citizens of Columbus who live outside Franklin County are barred from serving on the Recreation and Parks Commission. In addition, numerous organization and trade references are no longer relevant to the commission. Two charter changes can help provide the broadest pool of qualified applicants, while remaining responsive to Columbus residents – first, eight members of the commission would be appointed by the mayor with concurrence of council, while a ninth member would be appointed upon recommendation of the Columbus and Franklin County Metropolitan Park Board with concurrence of council and the mayor; and second, members may live in Columbus, Franklin County, or counties contiguous thereto, but a majority of the commission members must live in Columbus.
This commission finds that Columbus residents will benefit from the aforementioned changes to the composition of the Recreation and Parks Commission.

**Residency for City Employees**
Section 158-1.

The Charter Review Commission recommends no action on Section 158-1 at this time, but endorses the proposal of the Civil Service Commission and the mayor’s administration to begin an 18-24 month process of evaluating this section and developing a solution to this moot provision of the city charter.

In *Lima v. State of Ohio*, 2009-Ohio-2597, the Supreme Court upheld Ohio Revised Code Section 9.481 which states “no political subdivision shall require any of its employees, as a condition of employment, to reside in any specific area of the state” but includes an exception for emergency personnel. Because of that ruling, Section 158-1 of the Columbus City Charter is currently inoperative. However, this commission understands that merely repealing the provision may not meet the city’s public policy goals and that significant stakeholder outreach, internal dialogue, and public participation should take place before acting on this section of the charter. While, as a general rule, this commission does not support leaving a moot section of the charter intact, the special circumstances regarding this provision necessitate a different approach.

Based on the foregoing, this commission finds that the proposed evaluation, as presented by the Civil Service Commission and the mayor’s administration, and support by city council, will best address this complex issue.

**The Sinking Fund**
Sections 15, 26, 32, 61, 93120, 121, 123, 133-141.

The Charter Review Commission recommends repeal of the Sinking Fund and redistribution of responsibilities and duties of that archaic office among the auditor, mayor’s administration, and city treasurer, while maintaining council’s role in those processes.

It is a rare public servant who recommends eliminating a city board and, in the process, the employee’s own job. However, the current secretary of the Trustees of the Sinking Fund did just that – and Mr. David Irwin is to be commended for his recommendation. This commission finds that the Sinking Fund, while an appropriate mechanism to ensure payment of the city’s debt obligations in 1914, now duplicates processes and procedures that may be appropriately handled by other entities and, as a result, should be repealed from the charter. However, this commission further finds that, to ensure checks and balances, the division of current duties should include the auditor, the mayor’s administration, the city treasurer, and city council, and key elements should be retained in the charter.
Utilities
Sections 118-124, 194.

The Charter Review Commission recommends modernizing the charter’s provisions regarding city utilities and franchises, to reflect the changing landscape of utilities over the last 100 years.

While the charter sets forth strong protections for city utility customers, bondholders, and taxpayers, it does not adequately reflect the utilities practices of 2014. For example, the charter limits references to “water” and the “water department,” with a catch-all provision to attempt some reference to other utilities.

This commission finds that, in the interest of city utility ratepayers and taxpayers and utilities administrators, the utilities section of the charter should be overhauled to address all potential utilities; guide those responsible for utilities debt obligations; protect non-discrimination in franchises; and allow for, but not require, modern programs to assist those in need with their city utility bills.

General Provisions

- Elections conducted under general laws of the state, unless provided by charter or ordinance
- Maintain nonpartisan elections by secret ballot
- Maintain every citizen’s right to vote for every elected official in their city government

Campaign finance

- Add “disclosure requirements” and “ballot issues” to current authority of council to regulate campaign finance

Ballots

- Eliminate all ballot forms in charter; include some additions (e.g., summaries vs. full text of ballot issues)
- Retain ability to make modifications to ballots by charter or ordinance of council

Nominations

- Use state petition forms, except provided by charter or ordinance
- Maintain requirement that candidate submit 1,000 valid signatures
- Eliminate requirement that signers “pledge to support” candidate
- Remove archaic requirement that candidates “accept” nomination
- Add “disqualified” to death and withdrawal as conditions to replace candidates in primaries or generals; use state law deadlines and processes for withdrawal, replacement

Petitions for ordinance, referendum, recall, charter amendment

- Uniform general provisions, including petition templates
- Adopt modified version of state law for municipal petitions, incorporating elements of state law regarding statewide issues because those sections are more up-to-date (e.g., part-petition circulated as a single instrument; printing in uniform color; title must be without argument and placed on top of sequentially numbered pages; full text must appear on petition; circulator’s statement must disclose payment for circulation)
- Must file statement of intent to compensate and report of compensation for paid petitions, which harmonizes state law requirements for municipal and state ballot issues
- May not withdraw physical petitions, as they are public records; may withdraw a petition from consideration or from the ballot
- All petitions filed with city clerk – both certified copy and final petition
- Establish duties of clerk, city attorney, council, and board of elections in processing petition
- State law controls circulation and validation, with limited exceptions
- Signatures may not be collected prior to filing certified copy
Appendix: Summary of Elections
Recommendations from the Charter Review Commission

- One year to file ordinance or charter amendment petition after filing certified copy, modeled after state law provisions for petitions
- Maintain 30-day window to file referendum or recall after filing certified copy
- Council must, with the exception of recall petitions, determine the sufficiency of a petition
- Council must act by ordinance on petitions
- Per case law, ordinance may not be vetoed or subject to referendum

Initiative and referendum

- Require 5% of votes cast in the last regular municipal election for mayor (state law prescribes 10% of votes cast for governor; charter currently prescribes 5% of last municipal election, creating unnecessary inconsistency for voters)
- Give board of elections 10 days to validate petition signatures, in line with state law
- Council must determine sufficiency of petition within 14 days of the board’s report on signatures (state law is silent re: time-frame for municipal action to determine sufficiency)
- Council then has 30 days to pass/repeal, or submit to voters (charter currently provides two council meetings to make such decision – essentially seven days; constitution provides four months for general assembly consideration of an initiated statute)
- Council must prescribe ballot summary and may prescribe arguments for/against to be posted in voting locations
- Clarify those ordinances not subject to referendum: annual appropriations (vs. “the annual appropriation ordinance”) and ordinances submitting proposal to electors

Charter amendments

- Retain constitutional requirements re: signatures, deadlines
- Initiated charter amendment limited to a single subject
- Council must prescribe ballot summary and may prescribe arguments for/against to be posted in voting locations

The Recall

- Adopt modified version of state law (our charter currently allows recall by general law, in addition to the charter provision)
- Maintain requirement that recall petition have signatures of 15% of votes cast in the last regular municipal election for mayor
- May not file within 180 days of taking office or within 90 days of a general election for the office
- No more than three elected officials may be recalled at a single election
- City clerk to determine sufficiency of petition
- Maintain requirement that vacancy after recall be filled as otherwise provided by charter
CHARTER OF THE CITY OF COLUMBUS, OHIO

PREAMBLE

We, the people of the city of Columbus, in order to secure and exercise the powers of local self government under the constitution of the state of Ohio do enact and ordain this charter.

[MUNICIPAL POWERS]

Sec. 1. Powers of city.

The inhabitants of the city of Columbus, as its limits now are, or may hereafter be, shall continue to be a body politic and corporate by name the city of Columbus, and as such shall have perpetual succession. It shall have all powers that now are, or hereafter may be granted to municipalities by the constitution or laws of Ohio; and all such powers whether expressed or implied, shall be exercised and enforced in the manner prescribed by this charter, or when not prescribed herein, in such manner as shall be provided by ordinance or resolution of the council. In the absence of such provision as to any power, such power shall be exercised in the manner now or hereafter prescribed by the general laws of the state applicable to municipalities.

Sec. 2. [Powers not exclusive.]

The enumeration of particular powers by this charter shall not be held or deemed to be exclusive, but in addition to the powers enumerated herein, implied thereby or appropriate to the exercise thereof the city shall have, and may exercise all other powers which, under the constitution and laws of Ohio, it would be competent for this charter specifically to enumerate.

THE COUNCIL

Sec. 3. Legislative powers.

The legislative powers of the city, except as reserved to the people by this charter, shall be vested in a council, consisting of seven members, elected at large.

Sec. 4. Council members.

All council members shall serve for a term of four years; except, that at the first election the four candidates having the highest number of votes shall serve for four years, and the three candidates having the next highest number of votes shall serve for two years.

(Amended 11-3-98.)
Sec. 5. Vacancies.

If a city council member should die, resign, or be removed from office, ceases to hold any qualification for office, or the office is otherwise vacated during the term of office, the successor shall be appointed by Council to serve until the first day of January following the next regular municipal election. If such election be the time for the regular election of the council member, a council member shall then be elected to serve for a term of four years; otherwise, for the unexpired term. Vacancies in the council shall be filled by the council; provided, however, that, if the vacancies in the council are not filled by the council within thirty (30) days from the date following the occurrence of such vacancy, the mayor shall have in all future balloting a vote on the question of filling such vacancies; provided, further that any vacancy resulting from a recall election shall be filled in the manner hereinafter provided.

Sec. 5-1. Temporary inability.

If a city council member is unable to discharge the powers and duties of office, such inability being of temporary duration, the member, or the member’s agent, shall transmit to the presiding officer of council a signed, written declaration setting forth the reasons for such inability and the city clerk shall be notified of the same. Such declaration shall be in effect until such time as the declaration is rescinded in like manner, or six months have passed, or the office is vacated. For the purpose of this section, each council member shall file with the city clerk a notarized statement, on a form prescribed by the city clerk, setting forth the name of one or more persons designated as the member’s agent(s). The filing shall be made by the second meeting of council each January and may be amended at any time.

Sec. 5-2. Permanent inability.

If a city council member has been unable to discharge the powers and duties of office for ninety consecutive days, and no written declaration of temporary inability was in effect during such ninety consecutive days, such act shall work a forfeiture of office and the presiding member of council shall request that the appropriate official commence in the appropriate court an action in quo warranto to vacate the office. If judgment be made that the office be vacated, a successor shall be named as provided for in this charter.

(Amended 11-2-93; 11-3-98.)

Sec. 6. Qualifications of council members.

Members of council shall be residents electors of the city, shall have resided within the corporate limits of the city of Columbus for not less than one consecutive year preceding the date of the regular primary election for such office, and shall, at all times during the term of office, maintain residence in the city of Columbus, of the city, and have the qualifications of electors therein. Council members shall not hold any
other public office except that of notary public, or member of the state militia or any reserve unit of the
Armed Forces of the United States of America, and except as provided in Section 64 of this charter not
be interested in the profits of emoluments of any contract, job, work or service for the municipality. Any
member who shall cease to possess any of the qualifications herein required shall forthwith forfeit the
office and the vacancy shall be filled as provided for herein, and any such contract in which any member
is or may become interested may be declared void by the council.
(Amended 11-5-85; 11-3-98.)

Sec. 7. Salary and attendance.

Each member of the council shall receive a salary of not less than four thousand eight hundred dollars a
year, payable in equal monthly installments. Absence from eight consecutive regular meetings shall
operate to vacate the seat of a member unless the absence is excused by resolution of council setting
forth such excuse and entered upon the journal.
(Adopted 8-8-60.)

Sec. 8. Meetings of council.

At 5 o'clock p.m., on the first Monday in January, following a regular municipal election, the council shall
meet at the usual place for holding meetings. If the first Monday in January is a legal holiday, then the
meeting shall be held on the following day. Thereafter the council shall meet at such times as may be
prescribed by ordinance or resolution; provided that at least fifty regular meetings shall be held in each
year. The mayor, the president of the council, or any three members thereof may call special or
emergency meetings of the council as provided for by general laws of the state upon at least twelve
hours' written notice to each member of the council, served personally on each member or left at the
member's usual place of residence. Such notice shall state the subject to be considered at the meeting
and no other subjects shall be then considered unless all members of council are present. All meetings
of the council or committees thereof shall be held in public in accordance with the general laws of Ohio
pertaining to the requirements for open meetings of public bodies and any citizen shall have access to
the minutes and records thereof shall be maintained as an electronic record that is made available to

The council shall place the several amounts so certified in the tax ordinance before and in preference to any other item and for the full amount certified.

Sec. 138. [Investment of funds.]
The trustees of the sinking fund shall invest all moneys received by them in bonds of the United States, of the state of Ohio, or of any municipal corporation, school district, township or county, in such state, and hold in reserve only such sums as may be needed for the payment of maturing obligations. All interest and gains received by them shall be reinvested in like manner.

Sec. 139. [Deposits and withdrawals.]
Money shall be drawn by check only, signed by the president and at least two members of the board, and the secretary. All securities or evidences of debt held by the trustees for the city shall be deposited with the treasurer or with a safety deposit company or companies within the city, and when so deposited they shall be drawn only pursuant to a resolution of the board, and in the presence of at least two trustees.

Sec. 140. Powers as to investigation.
The trustees of the sinking fund may investigate all the transactions of any branch or department of the city government involving or affecting the sinking fund, and they shall have such other powers and perform such other duties, not inconsistent with the nature of the duties prescribed for them by this charter, as may be conferred or required by council.
Sec. 141. Recording of bonds.

Before they become valid in the hands of any purchaser, all bonds issued by the city shall be recorded in the office of the sinking fund trustees, and shall bear the stamp of the board of sinking fund trustees, containing the words "Recorded in the office of the sinking fund trustees," signed by the secretary.

THE CIVIL SERVICE COMMISSION

Sec. 146. Commissioners.
The mayor, with the concurrence of council, shall appoint three electors of the city as civil service commissioners. The members of the existing civil service commission shall continue in office for the terms for which they were appointed. Thereafter members of the civil service commission shall be appointed to serve for a term of six years and until their successors have been appointed and have qualified. A vacancy shall be filled in like manner for the unexpired term.

Sec. 147. Officers of commission.

The commission shall designate one of its members as president, shall appoint a secretary, and such other officers and employees as council may provide.

Sec. 148. Classification.

The Civil Service of the City is hereby divided into the unclassified and the classified service.

(1) The unclassified service shall include:

(a) All officers elected by the people.
(b) Executive assistants and administrative assistants to the mayor.
(c) All directors, deputy directors, and assistant directors of the departments.
(d) The legislative assistants to the city council members.
(e) The treasurer and the deputy treasurer.
(f) The city clerk and one secretary.
(g) The deputy auditor and assistant auditors.
(h) The legal assistants to the city attorney.
(i) The public defender.
(j) Two secretaries to each elective officer and to each department director.
(k) One secretary and one assistant or clerk for each board or commission appointed by the mayor.
(l) All officers and members of boards and commissions whose appointment is subject to concurrence by council.

(2) The classified service shall comprise all positions not specifically included by this charter in the unclassified service. There shall be in the classified service two classes, to be known as the competitive class and the non-competitive class.

(a) The competitive class shall include all positions and employment for which it is practicable to determine the merit and fitness of applicants by competitive examinations.
(b) The noncompetitive class shall consist of all positions requiring peculiar and exceptional qualifications of a scientific, managerial, professional or educational character and unskilled positions for which it is impracticable to give competitive examinations, as may be determined by the rules of the commission.

(Amended 11-5-85; 11-3-98.)

Sec. 149. Rules.
The commission shall prescribe, amend and enforce rules for the classified service, shall keep minutes of its proceedings and records of its examinations and shall make investigations concerning the enforcement and effect of the civil service provisions and of the rules thereunder. It shall make an annual report to the Mayor. The rules shall provide:

(a) For the classification and standardization of all positions in the classified service.

(b) For open competitive examination in the competitive class, to test the relative fitness of applicants for such positions. Employees of any public utility taken over by the city, who are in the service of said utility at the time of such acquisition, shall come under the provisions of the merit system without examination, but vacancies thereafter occurring in such service shall be filled from eligible lists in the manner herein provided.

(c) For public notice in the City Bulletin or otherwise of the time and place of all competitive examinations.

(d) For the creation of eligible lists upon which shall be entered the names of successful candidates in order of their standing in such examinations or tests.

(e) For the rejection of candidates or eligibles who fail to comply with reasonable requirements as to age, sex, physical conditions and moral character, or who have attempted deception or fraud in connection with any examination.

(f) For the use of no fewer than three bands for each competitive eligible list, for the assignment of eligibles into bands based upon their test scores and for the certification to the appointing authority, from the appropriate eligible list to fill a vacancy in the competitive class, of persons standing in the highest band on such list. When the highest band contains fewer than five names the names of persons standing in the next highest band may also be certified.

(g) For temporary employment without examination, in the absence of an eligible list. But no such temporary employment shall continue after the establishment of a suitable eligible list.

(h) For temporary employment not to exceed sixty days. No person shall receive more than one such appointment during any twelve-month period.

(i) For noncompetitive examinations for appointments to positions requiring peculiar and exceptional qualifications of a scientific, managerial, professional or educational character. Also for noncompetitive testing for certain unskilled job categories where it is impracticable to determine the merit and fitness of applicants by competitive examinations.

(j) For promotion based on competitive examinations and records of efficiency, character, conduct and seniority. Lists shall be created and promotions made therefrom of candidates in the same manner as in original appointments; provided that for promotional vacancies in the uniformed ranks of the Police and Fire Divisions, including any competitive vacancy for which the entry-level position was firefighter or police officer, the names of eligibles shall not be assigned into bands as provided in subsection (f) and each promotional vacancy shall be filled from one of the three persons standing highest on the appropriate eligible list; and further provided, that any
advancement in the uniformed ranks shall constitute promotion and, whenever practicable, vacancies in the uniformed ranks shall be filled by promotion.

(k) For transfer from a position to a similar position in the same class and grade and for reinstatement on the eligible list within one three years of persons who, without fault or delinquency on their part, are separated from the service or reduced in rank.

(l) For suspension, by the appointing authority, for purposes of discipline, for a period not to exceed thirty days at any one time.

(m) For discharge or reduction in rank or compensation, only after the person to be discharged or reduced has been presented with the reasons for such discharge or reduction, specifically stated in writing, and has been given an opportunity to be heard. The reason for such discharge or reduction and any reply in writing thereto by such employee shall be filed with the commission.

(n) For investigating and keeping a record of the efficiency of officers and employees in the classified service, and for requiring markings and reports relative thereto from appointing officers.

(o) For a probationary period of not less than one month nor more than one year following appointment, with service as a provisional employee in the same position to be included in such period, and with the probationary period to be uniform within the same class, provided, however, that there shall be no probationary period for an appointment resulting from a competitive, promotional examination. The probationary period shall be considered a part of the selection process as a work test period. Unless resulting from a competitive, promotional examination, no appointment shall be permanent until after appointment from a certification list and expiration of the probationary period. The service of any probationary employee may be terminated by the appointing authority at any time during the probationary period or at the end of the probationary period by submitting a written report to the commission and the employee specifying the reason the employee is found to be unsatisfactory and such removal shall be final. Unless the employee has been removed earlier, the appointing authority shall, not less than ten calendar days prior to the end of the probationary period, submit a report to the commission of the decision to make the appointment permanent or remove such employee together with the reason therefor. Failure to make such report at least ten days prior to the expiration of the probationary period shall automatically make the appointment permanent. An employee removed by the appointing authority during or at the end of the probationary period may be restored to the eligible list if the commission determines the employee would be suitable for appointment to another position. There shall be no appeal of any kind from the action of the appointing authority removing an employee during or at the end of the probationary period.

(p) For the publication of the rules and amendments thereto in the City Bulletin. The commission shall adopt such other rules, not inconsistent with the provisions of this section, as may be necessary and proper for the enforcement of the merit system.

(q) For certifying as a permanent appointee, any employee in provisional status on July 16, 1994, who on or before July 16, 1996, has successfully completed two years of service in the same civil service class if no competitive examination has been administered for the civil service class
during the two year period. The rule provided for under this paragraph (q) shall not apply to or affect any position in a civil service class in the uniformed ranks of the Divisions of Fire or Police.

(r) For the establishment of a veterans preference credit for qualified veterans seeking employment in the open competitive class of the civil service of the City.

(Amended 11-8-94; 11-3-98.)

Sec. 149-1. Appeals.

Except as otherwise provided in this charter any employee of the City of Columbus in the classified service, who is suspended, reduced in rank or compensation or discharged, except building and housing regulations superintendent, recreation superintendent, sealer of weights and measures, workhouse superintendent, automotive shop superintendent of the division of municipal garage, sanitation superintendent, and parks superintendent may appeal from such decision or order therefor, to the civil service commission within ten days from and after the date of such decision or order. In such event, the commission shall forthwith notify the official issuing the order of suspension, reduction or discharge, who shall forthwith transmit to the commission a copy of the charges and proceedings thereunder. The commission shall hear such appeal within ten days from and after the filing of the same with the commission and may affirm disaffirm or modify the action of such officer and the commission's judgment in the matter shall be final. In the event that the name of any of the positions enumerated above is hereafter changed, the exception expressed above shall apply to the successor position whatever name it may be called.

(Adopted 5-2-67.)

Sec. 150. Examinations.

All examinations shall be practical and impartial and shall relate to those matters which will fairly test the relative capacity of the persons examined to discharge the duties of the position for which appointment is sought.

Sec. 151. Appointments.

When a position in the competitive classified service is to be filled, the appointing authority shall notify the commission of that fact and the commission shall certify to such authority names and addresses of candidates standing in the highest band on the eligible list for the class to which such position belongs; provided that for promotions in the uniformed ranks of the Police and Fire Divisions only three names shall be certified. The appointing authority shall appoint one of the persons certified to such position. When the eligible list contains less than five names, or less than three names in the case of promotions in the uniformed ranks of the Police and Fire Divisions, then such names shall be certified, from which number the appointing authority may appoint one for such position.
When no eligible list for such position exists, or when the eligible list has become exhausted and until a new list can be created, the appointing authority may make a temporary appointment. A person certified from an eligible list more than three times to the same or similar position may be omitted from future certifications to such appointing authority. (Amended 11-8-94.)

Sec. 152. Present civil service employees.

All persons holding positions in the service of the city pursuant to appointment from eligible lists at the time this charter takes effect, or who have been continuously in the service of the city in the same position for the five years next preceding, and all persons holding positions in the unskilled labor classification at the time that the amendment of section 148 of the charter of the City of Columbus, Ohio, takes effect and who have held such positions continuously for at least ninety days next preceding, shall retain their positions until discharged, reduced, promoted, or transferred in accordance with the provisions of this charter. The commission shall maintain a list of all persons in the service, showing in connection with each name, the position held, the date and character of each appointment and of every subsequent change in status. Each appointing officer shall promptly transmit to the commission all information required for the establishment and maintenance of the list. (Adopted 8-8-60.)

Sec. 153. Payrolls certified.

It shall be unlawful for the treasurer or other public disbursing officer to pay any salary or compensation for service to any person holding a position in the classified service unless the payroll or account for such salary or compensation shall bear the certificate of the commission that the persons named therein have been appointed or employed in accordance with the civil service provisions of this charter and of the rules established thereunder.

Sec. 154. Investigations and hearings.

In any investigation or hearing conducted by the commission it shall have the power to subpoena and require the attendance of witnesses and the production of books and papers pertinent to the investigation and to administer oaths to such witnesses.

Sec. 155. Political beliefs.

No person in the classified service or seeking admission thereto, shall be appointed, reduced, laid off, discharged or in any way favored or discriminated against because of political opinions or affiliations.

Sec. 156. Political activity.
No person in the classified service shall directly or indirectly, solicit or receive, or be in any manner concerned in soliciting or receiving any assessment, subscription or contribution for any political party or political purpose whatever. No person shall orally, or by letter, solicit, or be in any manner concerned in soliciting any assessment, subscription or contribution for any political party or for any candidacy, from any person holding a position in the classified service.

Sec. 157. Abuse of political influence.

No person who holds any public office, or who has been nominated for, or who seeks a nomination or appointment to any public office, shall use or promise to use either directly or indirectly, any official authority or influence in order to secure or aid any person in securing any office or employment in the classified service, or any promotion or increase of salary therein, as a reward for political influence or service, or for service in behalf of any candidacy.

(Amended 11-3-98.)

Sec. 158. Violations and penalties.

Any person or officer who alone or in cooperation with one or more persons, willfully or corruptly deceives or obstructs any person in respect to the right to be examined for admission to the service of the city; or falsely or corruptly marks, grades or reports upon the examination or proper standing of any person examined for appointment in the civil service, or aids in so doing; or willfully or corruptly makes any false representation as to the results of such examination or concerning the person so examined; or willfully or corruptly furnishes to any person special or secret information for the purpose of either improving or injuring the prospects or chances of any person so examined or to be examined or to be appointed, employed or promoted; or willfully impersonates any other person or permits or aids, in any manner, any other person to impersonate another in connection with any examination or registration, application or appointment, or request to be examined or registered; or who makes known or assists in making known to any applicant for examination, any question to be asked on such examination; or willfully violates any of the civil service provisions of this charter shall, for such offense, be deemed guilty of a misdemeanor, and upon conviction thereof before the municipal court, shall be fined not less than ten dollars nor more than one hundred dollars, or imprisoned not more than ten days, or both.

(Amended 11-3-98.)

Sec. 158-1. Resident requirements for certain employees.

Unless otherwise specifically provided by this Charter, all employees in the unclassified service and in the competitive class of classified service of the City shall at all times, during their employment, maintain their residence within the boundary lines of the County of Franklin or within the boundary lines...
of the counties that border on the County of Franklin, except when assigned to City work outside said counties in which case residency within the counties wherein they work shall be required.
(Amended 5-4-71.)

CONTRACTS

Sec. 159. Certificate of auditor.

No contract, agreement, or other obligation, involving the expenditure of money, shall be entered into, nor shall any ordinance, resolution, or order for the expenditure of money be passed by the council, or be authorized by any officer of the city, unless the auditor first certify to the council or the proper officer, as the case may be, that the money required for such contract, agreement, obligation or expenditure, is in the treasury, to the credit of the fund from which it is to be drawn, and not appropriated for any other purpose, which certificate shall be filed and immediately recorded. The sum so certified shall not thereafter be considered unappropriated until the city is discharged from the contract agreement or obligation. Provided, however, that when the United States of America, the State of Ohio, or any political subdivision thereof makes a grant of money to the City of Columbus, or enters into an agreement with the City of Columbus for the making of any such grant of money, the amount thereof is deemed appropriated for such purpose, and is deemed in the process of collection within the meaning of Section 160 of this Charter. Provided, further, that whenever the City of Columbus enters into a contract with the United States of America, the State of Ohio, or a political subdivision thereof which entails a continuing financial obligation covering a period of more than one year, the City of Columbus must appropriate and the auditor must certify only that amount of money necessary to satisfy the current yearly obligation of the aforementioned contract.
(Adopted 11-2-71.)

Sec. 160. [Crediting funds.]

All moneys actually in the treasury to the credit of the fund from which they are to be drawn, and all moneys applicable to the payment of the obligation or appropriation involved, that are anticipated to come into the treasury before the maturity of such contract, agreement or obligation, from taxes or assessments, accounts and bills receivable or other credits which are undisputed and in process of collection; and all moneys applicable to the payments of such obligation or appropriation, which are to be paid into the treasury prior to the maturity thereof, arising from the sale or lease of lands or other property, and moneys to be derived from lawfully authorized bonds sold and in process of delivery, shall, for the purposes of such certificate, be deemed in the treasury to the credit of the appropriate fund and subject to such certificate.

Sec. 161. Contracts—when void.
All contracts, agreements or other obligations entered into and all ordinances passed, resolutions and orders adopted, contrary to the provisions of the preceding sections, shall be void, and no person whatever shall have any claim or demand against the city thereunder, nor shall the council, or any officer of the city, waive or qualify the limits fixed by any ordinance, resolution or order, as provided in section 159, or fasten upon the city any liability whatever, in excess of such limits, or release any party from an exact compliance with a contract under such ordinance, resolution, or order. (Amended 11-3-98.)

Sec. 162. Contracts—how let. 
(Repealed 5-7-74.)

Sec. 163. Alterations or modifications in contract. 
(Repealed 5-7-74.)

IMPROVEMENTS AND ASSESSMENTS

Sec. 164. Local improvements.

The council shall have power by ordinance to provide for the construction, reconstruction, repair and maintenance by contract or directly by the employment of labor, of all local improvements, and to provide for the payment of any part of any such improvement by levying and collecting special assessments upon abutting, adjacent and contiguous or other specially benefited property. The amount assessed against any property shall not exceed the amount of benefits accruing to such property.

Sec. 165. Methods of special assessments.

Special assessments upon the property deemed benefited by a public improvement shall be by one of the following methods:
(a) By a percentage of the tax value of the property assessed.
(b) In proportion to the benefits which may result from the improvement.
(c) By the foot frontage of the property bounding or abutting upon the improvement.

Sec. 166. Preliminary resolution.

When it is deemed necessary to make a public improvement to be paid for in whole or in part by special assessment, the council shall declare the necessity therefor by resolution, and such resolution shall state the method of assessments, the mode of payment, the number of annual installments, and the portion of the cost to be borne by the city. Such resolution shall contain a description of the lots and lands to be assessed and it shall be sufficient to describe the lots and lands abutting upon the improvement and to be assessed therefor, as all the lots and lands bounding and abutting upon such improvement between
and including the termini of the improvement; and in describing lands which do not abut, it shall be
sufficient to describe the lots by their appropriate lot numbers, and the lands by metes and bounds; and
this rule of description shall apply in all proceedings in which lots and lands are to be charged with
special assessments. Such resolution shall also determine the general nature of the improvement, what
shall be the grade of the street, or other public place to be improved, the grade or elevation of the curbs
and shall approve the plans, specifications, estimates and profiles for the proposed improvement.

Sec. 167. Plans of proposed improvements.

At the time of the passage of the resolution hereinafter provided there shall be on file in the office of
the director of public service, plans, specifications, estimates and profiles of the proposed
improvements, giving all information necessary; and such plans, specifications, estimates and profiles
shall be open to the inspection of all interested persons.

Sec. 168. Estimated assessment.

Upon the passage of said resolution it shall be certified to the chief engineer who shall thereupon
proceed to make and file with the city clerk an assessment report, in accordance with the method of
assessment provided in the resolution, which report shall contain the following:

(a) The estimated amount of the assessment against each lot or parcel of land, not exceeding in any
case the special benefits thereto.
(b) The deduction or credits, if any, to which each lot or parcel of land is entitled by reason of the
provisions of sections 180 and 182.
(c) The estimated amount of the city's portion including the portion assumed in the preliminary
resolution and the deduction and credits above mentioned.

Sec. 169. [Lands unallotted or not on duplicate.]

When special assessments are to be levied by the percentage of tax value of the property assessed or by
the foot frontage of the property bounding or abutting upon all the improvements, and there are lands
subject to such assessment which are not assessed for taxation, the chief engineer shall fix, in said
report, for the purpose of such assessment, the value of such lots as they stand and of such lands of
such depths as the chief engineer considers a fair average of the depth of lots in the neighborhood, so
that it will be a fair average of the assessed value of other lots in the neighborhood. Where lands are not
subdivided into lots but are assessed for taxation, the chief engineer shall fix the value and the depth in
the same manner; but the above rule shall not apply in making a special assessment according to
benefits.

Sec. 170. Notice—how served.
A notice of the passage of such resolution and of the fact that such estimated assessment has been filed, and of the time within which objections may be made, shall be served by the city clerk, or an assistant, upon the owner of each piece of property to be assessed, in the manner provided by law for the service of summons in civil actions. If any such owners or persons are not residents of the county, or it appears by the return, in any case, of the notice, that such owner cannot be found, they shall be notified by publishing such notice at least twice in the City Bulletin. Whether by actual service or publication such notice shall be completed at least twenty days before the improvement is commenced, and the return of the officer or person serving the notice, or a certified copy of the return shall be prima facie evidence of the service of the notice as herein required.

Sec. 171. Objections to assessments.

An owner of any lot or parcel so to be assessed, who objects to the amount or apportionment of such estimated assessments, shall file an objection in writing with the city clerk, within two weeks after the service of notice or completion of the publication hereinbefore provided. Any owner who fails to do so, shall be deemed to have waived any objection to such assessment, to the extent of the amount estimated.

(Amended 11-3-98.)

Sec. 172. Board of revision.

When objections to such assessments have been filed as provided in the next preceding section, the council shall appoint a board of revision, consisting of three disinterested free holders of the city, residents of the city, and shall fix the time and place for the hearing by such board of such objections, of which at least one week's notice shall be given in the City Bulletin.

Sec. 173. Hearing on objection.

At the time so appointed said board of revision, after taking an oath faithfully and impartially to discharge its duties, shall proceed to hear all objections to such estimated assessment, and shall report to council its findings, together with its amendments, if any, of the estimated assessment as reported by the chief engineer. Upon the filing of such report of the board of revision, or in the case no objections have been filed, then upon the expiration of the time for filing the same, council shall, if it determines to proceed with such improvement, so declare by ordinance, which ordinance shall require for its passage, the votes of at least five members of council.

Sec. 174. Claims.

An owner of a lot or of land bounding or abutting upon a proposed improvement, claiming that damage will be sustained by reason of the improvement, shall file such claim with the city clerk within two weeks.
after the service of notice or the completion of the publication hereinbefore provided. Such claim shall
be in writing and shall set forth the amount of damages claimed, with a general description of the
property with respect to which it is claimed the damage will accrue. Any owner who fails so to do shall
be deemed to have waived such damages, and shall be barred from filing a claim or receiving damages
therefor. This provision shall apply to all damage which will obviously result from the improvement, but
shall not deprive the owner of the right to recover damages, arising, without the owner's fault, from acts
of the city or of its agents. If, subsequent to the filing of such claim, the owner sell the property, or any
part thereof, the right of damages, if any, shall follow the ownership of the land without other
transference of the claim.
(Amended 11-3-98.)

Sec. 175. Damages assessed.

At or before the time of the passage of the ordinance determined to proceed with the improvement as
hereinbefore provided, the council shall determine whether the claims for damages so filed shall be
judicially inquired into before commencing or after the completion of the proposed improvement. If it
decides that the damages shall be assessed before commencing the improvement, the city attorney
shall then make such application and such proceedings shall be had thereon as are provided by the
general law relating to the assessment of damages on such claims.

Sec. 176. [Procedure of city attorney.]

When the council determines to assess the damages after the completion of the improvement for which
a claim for damages has been filed as hereinbefore provided, the city attorney shall within ten days after
the completion of the improvement make written application as hereinbefore provided in the case of
the ascertainment of damages before the improvement is made, and the same proceedings shall be had
as provided in the next preceding section.

Sec. 177. [Damage claims required.]

No person who claims damages arising from any cause, shall commence a suit therefor against the city
until filing a claim for such damages with the city clerk and sixty days shall have elapsed thereafter. This
provision shall not apply to an application for an injunction or other proceeding to which it may be
necessary for such applicant to resort in case of urgent necessity.
(Amended 11-3-98.)

Sec. 178. Assessment of cost.

After any such improvement is completed and the cost ascertained, council shall, by ordinance, assess
upon the property mentioned, and in the manner provided in the preliminary resolution, the entire cost
and expense thereof, excepting the portion to be paid by the city. Such assessment as to each lot or parcel shall be in the proportions fixed in the estimated assessment as reported by the chief engineer, or as revised by the board of revision, and such ordinance shall also state the credits or deductions to which any lot or parcel is entitled, as fixed in such report or revision. The remainder of the cost, together with such credits and deductions, shall be the city's share, and if it exceed the amount originally appropriated, a supplementary appropriation shall be made to cover such excess. Such cost shall include the cost of preliminary and other surveys, the cost of construction, the expense of printing and serving notices, interest on bonds issued to provide funds for such improvement, and any other necessary expenditures connected with said improvement.

Sec. 179. Collection of assessments.

Special assessments shall be payable by the owners of the property assessed at the time stipulated in the ordinance, levying or confirming the assessment, and shall be a lien from the date of the passage of said ordinance upon the respective lots and parcels of land assessed, enforceable in the manner provided by general law.

Sec. 180. Limitation on assessments.

The council shall limit all assessments to the special benefits conferred upon the property assessed, and in no case shall there be levied on any lot or parcel of land assessments for any or all purposes, within a period of five years, in excess of thirty-three and one-third per cent of the actual value thereof after the improvement is made. Assessments levied for the construction of main sewers shall not exceed the sum that, in the opinion of the council, would be required to construct an ordinary street sewer or drain of sufficient capacity to drain or sewer the lots or lands to be assessed for such improvement, nor shall any lots or lands be assessed that do not need local drainage, or which are provided therewith.

Sec. 181. City's portion of cost.

The city shall pay such part of the cost and expense of improvements for which special assessments are levied as the council deems just, which part shall not be less than one-fiftieth of all such cost and expense; and, in addition thereto the city shall pay the cost of intersections. The council may provide for the payment of the city's portion of all such improvements by the issuance of bonds or notes thereof, and may levy taxes, in addition to all other taxes authorized by law, to pay such bonds or notes and the interest thereon; but the above provision as to the payment by the city of not less than one-fiftieth of the cost and the cost of intersections, shall not apply to the construction or repair, in the manner hereinafter provided, of sidewalks or to the construction of sewers or water mains or the laying of sewer or water connections.

(Amended 5-7-63.)
Sec. 181-1. Petitions for improvements.

When a petition subscribed by the owners of sixty per cent of the front footage of property abutting upon a street, alley, easement, or other public improvement, or the owners of seventy-five per cent of the area to be assessed for such improvement, is regularly presented to city council, the total cost of such improvement, including the cost of intersections, regardless of the limitations of Sections 180 and 181 of this Charter or of general law, and without reference to the value of the lands of those who subscribe to such petition, may be assessed and collected in equal annual installments, proportioned to the whole assessment, in a manner which may be fixed by city council. When the lot or land of one who did not subscribe to the petition is assessed, such assessment shall not exceed thirty-three and one-third per cent of the actual value including improvements thereon, as enhanced by the improvement for which the assessment is levied, such value to be determined as of the date of the assessing ordinance.

(Adopted 5-7-63.)

Sec. 182. Assessments for replacing improvements.

Whenever an assessment is levied for the replacement of any street improvement for which an assessment has theretofore been made, there shall be deducted from the assessment, that might otherwise be made for such replacement, one-half of the amount paid on the highest prior assessment, but in no case shall the assessment for such replacement be reduced to less than fifty per cent of what it would have been as a full assessment, unless council deems a greater reduction equitable, and that all amounts deducted under this section shall be paid as part of the city's portion of the cost of the improvement; and no provision of the general law limiting the assessments for such replacement shall be operative.

(Adopted 11-2-15.)

Sec. 183. Sewer and water connections.

The director of public service shall have authority to compel the making of sewer and water connections in any street or other highway, the improvement of which has been determined upon by ordinance. The public service director shall cause written notice of the determination thereof to be given to the owner of each lot or parcel of land to which such connections are to be made, which notice shall state the number and character of connections required. Such notice shall be served by a person designated by the director of public service, in the manner provided for the service of summons in civil actions. Non-residents of the city, or persons who cannot be found, may be served by a publication of such notice in the City Bulletin. The notice shall state the time which shall not be less than ten days, within which such connections shall be constructed, and if they be not constructed within the said time, the work may be done by the city and the cost thereof assessed by council against the lots and lands for which such connections are made. Such assessments shall be certified and collected as other assessments for street improvements.
Sec. 184. Sidewalks.

The council may, by resolution, declare that certain specified sidewalks shall be constructed or repaired. Upon the passage of such a resolution the city clerk shall cause written notice of the passage thereof to be served upon the owner, or agent of the owner, of each parcel of land abutting upon such sidewalk, who is a resident of the city, in the manner provided by law for the service of summons in civil action. The city clerk shall preserve a copy of the notice with the time and manner of service endorsed thereon, signed by the person serving it. For the purpose of such service, if the owner of any such property be not a resident of the city, any person charged with the collection of rent, or the payment of taxes on such property, or having control thereof in any way, shall be regarded as the agent of the owner and service upon such person shall have the like force and effect as though personal service were made upon the owner thereof. If it appear in any such returns, however, that the owner is a non-resident, or that neither such owner or agent could be found, one publication of a copy of the resolution in the City Bulletin shall be deemed sufficient notice to such owner.

Sec. 185. Work done by city.

If such sidewalks be not constructed or repaired within thirty days after the service of the notice provided for in the preceding section, or the completion of the publication thereof, the director of public service may proceed by direct employment of labor, or by contract, to carry out the said construction or repair at the expense of the owner, as in the case of other improvements, and all such expense shall be reported by the director of public service to the council. The council shall thereupon by ordinance assess the cost and expense thereof upon the property bounding or abutting thereon, and such assessment, with interest, shall be collected in the same manner as other assessments.

Sec. 186. Public improvements by contract or direct labor.

Public improvements of all kinds may be made by the appropriate department either by direct employment of the necessary labor and the purchase of the necessary supplies and materials, with separate accounting as to each improvement so made, or by contract duly let after competitive bidding, either for a gross price, or upon a unit basis for the improvement, or by contract containing a guaranteed maximum and stipulating that the city shall pay within such maximum the cost of labor and materials, plus a fixed percentage of profit to the contractor. The council shall by ordinance determine by which of the foregoing methods any improvement shall be made. Contracts may provide a bonus per day for completion of the contract prior to a specified date, and liquidated damages to the city to be exacted in like sum for every day of delay beyond a specified date.
Sec. 187. Streets and public grounds.

The council shall provide for the care, supervision, control and improvement of public highways, streets, avenues, alleys, sidewalks, public grounds, bridges, aqueducts and viaducts, within the city, and shall cause them to be kept open, in repair and free from nuisance.

Sec. 188. Alteration of streets.

When it deems it necessary the council may cause any street, alley or public highway to be opened, straightened, altered, diverted, narrowed, widened or vacated, and shall assess such portion of the cost thereof, not exceeding fifty per cent, as it may determine, upon the property benefited thereby, but not in excess of the special benefit conferred upon such property by such improvement.

Sec. 189. Assessment bonds and notes.

The council may at any time borrow money and authorize the issuance of bonds or notes in anticipation of the levy or collection of assessments. Such bonds or notes may be in sufficient amount to pay the estimated cost and expense of the improvement for which the assessments are levied. In the issuance and sale of such bonds or notes the city shall be governed by the provisions of the general law applying to the issuance and sale of bonds and notes by municipalities.

Sec. 190. Unexpended balances and assessments.

All assessments collected for the improvements for which bonds or notes were issued, and all unexpended balances remaining in the fund after the cost and expenses of the improvement have been paid, shall be applied in the payment of said bonds or notes and the interest thereon.

Sec. 191. Dedication of streets.

No street or alley dedicated to public use by the proprietor of ground in the city shall be deemed a public street or alley, or under the care or control of the council, unless the dedication be accepted and confirmed by ordinance passed for such purpose, and unless the provisions of general law or any ordinance superseding the same, relating to platting and subdivisions shall have been complied with.

FRANCHISES

Sec. 192. Grant.

The council may by ordinance grant permission to any individual, company or corporation to construct and operate a public utility in the streets and public grounds of the city; subject, however, to the
provisions of the general law requiring consents of abutting owners. It shall prescribe in the ordinance
the kind and quality of service or product to be furnished, and shall provide for fixing the rate or rates to
be charged therefor, and prescribe the manner in which the streets and public grounds shall be used
and occupied, and any other terms and conditions conducive to the public interest; provided, however,
that except for mass transportation utilities, no original grant of any public utility franchise, or renewal
thereof, or extension of the time of such original grant, or change in rates, shall become operative until
it shall have been submitted to the vote of the electors of the city and approved by a majority of those
voting thereon. Provided further, however, that the provision hereinabove contained concerning the
change in rate or rates shall not apply to the rate or rates fixed by a formula contained in any such
original grant.

(Adopted 11-3-53.)

Sec. 192-1. Department of Public Utilities; appointment of director of public utilities; powers and duties
of director.
(Repealed 11-5-74.)

Sec. 193. Period of grants.

No such grant shall be exclusive nor shall it be made for a longer period than twenty-five years. No such
grant shall be renewed earlier than two years prior to its expiration unless the city council shall by a vote
of at least five of its members first declare by ordinance its intention of considering a renewal thereof.
All grants of the right to make extensions of any public utility shall be subject as far as practicable to the
terms of the original grant and shall expire therewith.

Sec. 194. Reports to city by grantee. Franchise terms, reports.

No ordinance making such grant, renewal or extension shall be valid unless it shall expressly provide
therein, that the grantee shall make to the city at prescribed semi-annual periods, a statement of the
assets, liabilities, receipts and disbursements of the public utility operating such grant, renewal or
extension. Said statement shall be in detail adequate for determining the cost of the service rendered,
and shall be signed and sworn to by the grantee or its proper officer or officers. Said ordinance shall also
reserve to the city the right of verifying such statements by examination of the books and records of the
grantee. No ordinance making such grant, renewal or extension shall be valid if such ordinance does not
reserve to the city the right to prevent unjust discrimination in service or rates.

Sec. 195. Right of city to lease or purchase.

All such grants and renewals thereof shall reserve to the city the right to terminate the same and to
purchase or lease all the property of the utility in streets and highways in the city and elsewhere, as may
be provided in the ordinance making the grant or renewal, used in or useful for the operation of the utility, at a price either fixed in the ordinance, or to be fixed in the manner provided by the ordinance making the grant or renewal of the grant. Nothing in such ordinance shall prevent the city from acquiring the property of any such utility by condemnation proceedings or in any other lawful mode; but all such methods of acquisition shall be alternative to the power to purchase, reserved in the grant or renewal as hereinbefore provided. Upon the acquisition by the city of the property of any utility, by purchase, condemnation or otherwise, all grants or renewals shall at once terminate.

Sec. 196. Exclusion of franchise value.

No ordinance making such grant or renewal shall be valid unless it shall expressly provide therein that the price to be paid by the city for the property that may be acquired by it from such utility by lease, purchase, condemnation or otherwise, shall exclude all value of such grant or renewal.

Sec. 197. Extension by annexation.

It shall be provided in every such grant that upon the annexation of any territory to the city the portion of any such utility that may be located within such annexed territory and upon the streets, alleys or public grounds thereof, shall thereafter be subject to all the terms of the grant as though it were an extension made hereunder.

Sec. 198. Regulations.

The council shall at all times control the distribution of space in, over or across all streets or public grounds occupied by public utility fixtures. All rights granted for the construction and operation of [the] public utility shall be subject to the continuing right of the council to require such reconstruction, re-location, change or discontinuance of the appliances used by the utility in the streets, alleys, avenues and highways, of the city, as shall in the opinion of the council be necessary in the public interest. Provided, however, that the council may in the case of a grant, renewal, or extension to any privately-owned public utility by ordinance and in the franchise agreement, specifically reserve the powers referred to in this Section by including such reservations as may be deemed necessary by the council to regulate the use by any privately owned public utility of the public ways of the City.

(Adopted 11-3-53.)

Sec. 199. Forfeitures.

If any action shall be instituted and successfully prosecuted directly by the grantee of any such grant, or by any of its stockholders, to set aside or have declared void any of the terms of any such grant, the whole of such grant may be thereupon forfeited and annulled at the option of the city council to be
expressed by ordinance. All such grants shall make provision for the declaration of a forfeiture by the
city council for any material and/or substantial violation by the grantee of any of the terms thereof.
(Adopted 11-3-53.)

NOMINATIONS AND ELECTIONS

Sec. 200. Nominations and elections.

(a) Elections. A general election for the choice of elective officers provided for in this charter shall be
held on the first Tuesday after the first Monday in November in odd numbered years. Elections so held
shall be known as regular municipal elections. Such other elections shall be held as may be required by
law or provided for in this charter.

(b) Nominations. Candidates for all offices to be voted for at any municipal election under the provisions
of this charter shall be nominated at a nonpartisan primary election to be held in odd numbered years
on the same date as may be provided in the general laws of the state for the holding of primary
elections.

Any matter which the general laws of the state, or this charter, requires a vote of the electorate for
adoption, shall be submitted to a vote of the electorate at any regular municipal election or primary
election to be held not less than sixty nor more than one hundred twenty days subsequent to the
passage of the ordinance submitting the matter. If no regular municipal election or primary election is to
be held within the period of sixty to one hundred twenty days subsequent to the passage of the
ordinance submitting the matter, a special election shall be held within such time for that purpose. The
ordinance submitting a matter to a vote of the electorate shall be certified by the city clerk to the proper
election officials immediately upon passage by council. Not less than thirty days prior to such election
the city clerk shall give notice to the electorate of the matter being submitted in the same manner as
provided in Section 234 hereof in regard to proposed amendments to this charter. Except as otherwise
provided for in the charter all elections shall be held and conducted and the results thereof ascertained
and certified as provided by the general laws of the state and by the election authorities therein
provided for.

Nothing in this Charter, directly or through incorporation of state election laws, shall prevent the City
from adopting ordinances, enforcing requirements, or setting limits on campaign finances or monetary
contributions relating to elections for City offices.

(Amended 11-8-94.)

Sec. 200-A. Woman's suffrage. [REPEALED]

Sec. 201. Ballots.
Appendix: Recommended
Charter Amendment Language

The ballots used in all elections provided for in this charter shall be without party marks or designations.
The whole number of ballots to be printed for any primary or regular election for the nomination or
election of candidates for any office, shall be divided by the number of such candidates, and the
quotient so obtained shall be the number of ballots in each series of ballots to be printed. The names of
the candidates shall be arranged in alphabetical order and the first series of ballots printed. The first
name shall then be placed last and the next series of ballots printed, and this process shall be repeated
until each name shall have been first. These ballots shall then be combined into tablets with no two of
the same order of names together. A space shall be provided for each office to be voted for, wherein the
voter may write the names of any person for whom the voter may wish to vote. Municipal elections may
be conducted either by use of paper ballots or by use of voting machines or by any other secret method
as authorized by general law of the State of Ohio. If a method of voting other than paper ballots is used,
the rotation of names of candidates shall be in accordance with the constitution and general law of the
state.

Sec. 202. Nomination of council members and other officers.

(a) Candidates for the office of city council member and for mayor, city attorney, and auditor, shall be
nominated by a non-partisan primary election. The name of any elector of the city shall be printed upon
the primary ballot if there is filed with the election authorities a petition in accordance with the
following provisions, to wit:
1. Such petition shall state the name and place of residence of each person whose name is presented
for a place upon the ballot and that the individual is a candidate for the designated office of the city of
Columbus, Ohio.
2. Such petition shall be signed by not less than one thousand registered electors in the city.
3. Such petitions shall contain a provision that each signer thereto thereby pledges to support and vote
for the candidate or candidates whose names are therein presented for a place upon the ballot, and
each elector signing a petition shall add a place of residence, with street and number, and date of
signing, and may subscribe to one nomination for each of the places to be filled and no more. All
signatures shall be made with ink or indelible pencil.
4. The signatures of all the petitioners need not be appended to one paper, but to each separate paper
there shall be attached a statement signed by the circulator thereof, under penalty of election
falsification, stating the number of signers thereto, that each person signed in the circulator’s presence
on the date mentioned, and that to the best of the circulator’s knowledge, the signature is that of the
person whose name it purports to be.
5. Such petitions shall be filed with the election authorities no later than four p.m., not less than ninety
days previous to the day of such primary election.
6. Such petitions shall contain the names and addresses of five registered electors of the City of
Columbus designated in advance by the candidate or candidates as a nominating committee, which
committee may fill vacancies caused by the death or withdrawal of the candidate or candidates as set
forth in Section 206 of this Charter.
(b) Notwithstanding the provisions of paragraph (a) of this Section, if no petition in accordance with the provisions of paragraph (a) of this Section is filed for any of the offices to be voted on at the next regular municipal election, or if the number of persons filing such petitions does not exceed, as to any such office, the number of candidates which would be placed upon the ballot at the next regular municipal election, then no primary election should be held for the purpose of nominating candidates for such office to be voted upon at such next regular municipal election. The election officials whose duty it would have been to provide for and conduct the holding of such primary election, declare the results thereof and issue certificates of nomination to the persons entitled thereto if such primary election had been held, shall declare each of such persons filing petitions in accordance with the provisions of paragraph (a) of this Section to be nominated and shall place their names on the ballot at the next regular municipal election in the same manner as though such primary election had been held and such persons had been nominated at such elections.

Sec. 202-1. Nomination and election of the remainder of an unexpired term.

The following procedures for the nomination and election of a successor shall apply when this Charter requires an election for the remainder of an unexpired term of office:

(a) When a vacancy occurs during the term of office of an elected city official and an appointment to fill that vacancy has been made more than 30 days before the deadline for filing nominating petitions for the next regular municipal election, then unless this charter section provides otherwise, the nomination and election of candidates for the unexpired term shall be conducted in the manner provided in this charter for the nomination and election for such office.

(b) When a vacancy occurs during the term of office of an elected city official and an appointment to fill that vacancy has been made less than 30 days before the deadline for filing nominating petitions for the next regular municipal election but more than 90 days before the next regular municipal election, then candidates seeking election to the unexpired term shall file nominating petitions otherwise in compliance with Charter Section 202(a), not less than 30 days after the appointment to fill such vacancy has been made, and there shall be no primary election.

Notwithstanding other provisions of this charter, in that case the election authorities shall place all candidates on the ballot at the next regular municipal election who have filed nominating petitions otherwise in compliance with Charter Section 202(a), and the candidate who shall receive the greatest number of votes shall be declared elected for the unexpired term.

(c) Notwithstanding other provisions of this charter, an election for the remainder of an unexpired term of office is not required by this charter when an appointment to fill the vacancy occurs less than 90 days before the next regular municipal election.
(d) The nomination and election for the remainder of an unexpired term of a council member shall be conducted separately from other council nominations and elections that may be on the ballot at that regular municipal election.

Sec. 203. Acceptance.

Any person whose name has been submitted for candidacy by such petition shall file an acceptance of such candidacy with the election authorities not later than fifty-five days previous to such primary election; otherwise that name shall not appear upon the ballot. Provided, however, that such acceptance shall, in the years 1945 and 1947, be filed with the election authorities not later than seventy days previous to such primary election.

Sec. 204. Form of primary ballot.

Except that the crosses here shown shall be omitted and that in place of the names of candidates and number of places to be filled, as here shown, there shall appear the names of candidates, actually seeking nomination, and the number of places to be filled, the ballots shall be printed substantially as follows:

**PRIMARY ELECTION**

**Instructions to voters.** Vote for not more than the number of persons to be elected to the office designated by making a cross in the square opposite and to the left of their names. If you wrongfully mark, tear or deface this ballot, return it to the judges and obtain another.

Sec. 205. Election of council members and other officers.
The candidates for nomination to the office of city council member who shall receive the greatest vote in such primary shall be placed on the ballot at the next regular municipal election in number not to exceed twice the number of vacancies in the city council to be filled, and the two candidates for nomination for each of the other offices to be filled who shall receive the greatest number of votes shall also be placed on the ballot at such regular municipal election, and the candidates at the regular municipal election, equal in number to the places to be filled, who shall receive the highest number of votes at such regular municipal election, shall be declared elected. A tie between two or more candidates for the office of city council member, or between candidates for any other office, shall be decided by lot under the direction of the election authorities, as provided by the general election laws of the state.

Sec. 206. Replacement upon death or withdrawal of candidate.

(a) If a person nominated by petition as a candidate for the office of city council member or for mayor, city attorney, or auditor, at a nonpartisan primary election, if such an election is to be held for the office sought by such candidate, dies or withdraws not less than forty days before the day of such primary election, the vacancy so created may be filled by the nominating committee of five persons designated in the nominating petition of the affected candidate.

(b) If a person is either nominated in the primary election as a candidate for council member or other elected city office for the next subsequent general election or certified as a candidate for the next subsequent general election according to Section 202(b) of this Charter, and such candidate dies or withdraws not less than forty days before such general election, the vacancy so created may be filled by the nominating committee of five persons designated by the nominating petition filed prior to the primary election by the affected candidate.

(c) To fill the vacancy created by the death or withdrawal of a candidate for council member or other elected city office under provisions (a) or (b) of this section the members of the nominating committee of five persons designated in the nominating petition filed by the affected candidate, or a majority of them shall file with the appropriate election officials, not less than forty days before the day of either the primary election or the general election, a certificate signed and sworn to under oath by each of them, designating the person they select to fill such vacancy. Such certificate must be accompanied by the written acceptance of the person whose name is so certified.

Secs. 207 to 209. [Deleted 11-7-33.]

Sec. 210. Form of ballots.

Ballots used for the election of candidates shall contain a complete set of the offices to be filled, and the names of candidates for each office shall be arranged under the title thereof as hereinbefore provided. The ballots shall be so printed that the voter may designate the candidates, to the number to be elected, for whom the voter desires to vote.
Appendix: Recommended Charter Amendment Language

Sec. 211. [Ballot form illustrated.]

Except that the crosses here shown shall be omitted, and that in place of the titles of offices and names of candidates here shown, there shall appear the titles of offices actually to be filled and the names of candidates nominated therefor, the ballots shall be printed substantially as follows:

FORM OF BALLOT
Instructions to Voters
(1) ______ Vote for the candidate or candidates you wish to support by making a cross (X) in the square opposite and to the left of their names. You must not vote for more than the number to be elected.
(2) ______ If you wrongfully mark, or tear or deface this ballot, return it to the judges and obtain another.

FOR COUNCIL MEMBERS

Secs. 212 to 214. [Deleted 11-7-33.]

THE RECALL

Sec. 215. Recall petition.

Any elective officer provided for in this charter may be removed from office by the electors, by the following procedure:
A petition for the recall of the officer or officers designated, signed by at least one thousand of the electors of the city, and containing a statement in not more than two hundred words of the grounds of the recall, shall be filed with the city clerk, who shall forthwith notify the officer or officers sought to be removed, and the officer(s), within five days after such notice, may file with such city clerk a defensive statement in not exceeding five hundred words. The city clerk shall at once, upon the expiration of said five days, cause sufficient printed or typewritten copies of such petition, without the signatures, to be made, and to each attach a printed or typewritten copy of such defensive statement, if one is furnished within the time provided. The city clerk shall cause one copy of such petition to be placed on file in the clerk's office, and provide facilities for their signing the same, and the city clerk shall cause one copy to be placed in each of the several fire engine houses of the city, where the same shall be in the custody of the captain of the house, who shall provide facilities for their signing the same. The city clerk shall immediately cause notice to be published in the City Bulletin of the placing of such copies of such petition, together with a complete copy of the petition, without the signature, and of the defensive statement.
Such copies of such petition shall remain on file in the several places designated, for the period of thirty days, during which time any of them may be signed by any elector of the city in person, but not by agent
or attorney. Each signer of any of such copies shall sign in ink or indelible pencil, and shall place thereafter the signer's residence by street and number.

(Amended 11-3-98.)

Sec. 216. Notice.

At the expiration of said period of thirty days the city clerk shall assemble all of said copies as one instrument, and shall examine the same and ascertain and certify thereon whether the signatures thereto amount to at least fifteen per cent of the registered voters of the city. If such signatures do amount to such per cent the city clerk shall at once serve notice of that fact upon the officer or officers designated in the petition, and also deliver to the election authorities a copy of the original petition, with a certificate as to the percentage of registered voters who signed the same and a certificate as to the date of the last mentioned notice to the officer or officers designated in the petition.

(Amended 11-3-98.)

Sec. 217. Recall election.

If the officer or officers, or any of them, designated in the petition, file with the city clerk within five days after the last mentioned notice from the city clerk, a written resignation, the said clerk shall at once notify the election authorities of that fact and such resignation shall be irrevocable and the vacancy shall be filled in the manner of filling vacancies provided in this charter. In the absence of such resignation, the election authorities shall forthwith order and fix a day for holding a recall election for the removal of those not resigning. Any such election shall be held not less than fifty days nor more than ninety days after the expiration of the period of five days last mentioned, and at the same time as any other general or special election held within such period; but if no such election be held within such period the election authorities shall call a special recall election to be held within the period aforesaid.

(Amended 11-3-98.)

Sec. 218. Ballots.

The ballots at such recall election shall conform to the following requirements. With respect to each person whose removal is sought, the question shall be submitted: "Shall (name of person) be removed from the office of (title of office) by recall?" Immediately following each such question there shall be printed on the ballots the two propositions in the order here set forth:

"For the recall of (name of person)."
"Against the recall of (name of person)."

Immediately to the right of each of the propositions shall be placed a square in which the voters, by making a cross mark (X), may vote for either of such propositions.

Sec. 219. Filling of vacancies.
In any such election if a majority of the votes cast on the question of removal of any officer are affirmative, the person whose removal is sought shall thereupon be deemed removed from office upon the announcement of the official canvass of that election and the vacancy caused by such recall shall be filled in the manner provided in this charter for filling vacancies caused by death or resignation. If, however, an election is held for the recall of more than three council members, candidates to succeed them for their unexpired terms shall be voted upon at the same election, and shall be nominated without primary election, by petitions signed, dated and verified in the manner required for petitions presenting names of candidates for nomination at a primary election, and similar inform to such petitions, but signed by electors equal in number to at least two per cent of the registered voters of the city, and filed with the election authorities at least thirty days prior to such recall election. But no such nominating petition shall be signed or circulated until after the time has expired for signing the copies of the petition for the recall, and any signatures thereon antedating such time shall not be counted. Candidates shall not be nominated to succeed any particular council members; but if only one council member is removed at such election, the candidate at such election receiving the highest number of votes shall be declared elected to fill the vacancy for the unexpired term; and if more than one council member is removed at such election, such candidates equal in number to the number of council members removed shall be declared elected to fill the vacancies; and among the successful candidates those receiving the greater number of votes shall be declared elected for the longer terms. Cases of ties, and all other matters not herein specially provided for, shall be determined by the rules governing elections generally.

(Amended 11-3-98.)

Sec. 220. Effect of resignations.

No proceedings for the recall of all of the members of the city council at the same election shall be defeated in whole or in part by the resignation of any or all of them, but upon the resignation of any of them, the city council shall have power to fill the vacancy until a successor is elected and the proceedings for the recall and the election of successors shall continue, and have the same effect as though there had been no resignation.

Sec. 221. Miscellaneous provisions.

Except as herein otherwise provided, no petition to recall any officer shall be filed within six months after the officer takes office. No person removed by recall shall be eligible to be elected or appointed to any city office during a period of two years after the date of such recall. The city clerk shall preserve all papers comprising or connected with a petition for a recall. The method of removal herein provided is in addition to such other methods other than recall as are, or may be, provided by general law.

(Amended 11-3-98.)

Sec. 222. Offenses relating to petitions.
No person shall falsely impersonate another, or purposely write a false name or residence, in signing of any petition for initiative, referendum or recall, or forge any name thereto, or sign any such paper with the knowledge that one is not a qualified elector of the city. No person shall sign, or knowingly permit to be signed, any petition for recall at any place other than one of the places hereinbefore designated for the signing of such petitions.

(Amended 11-3-98.)

Sec. 223. [Violations; penalty.]

No person shall, either in or within one hundred feet of any place so designated, either solicit any elector to sign such petition or attempt to prevent or dissuade one from signing the same. Nor shall any person employ or pay another, or accept employment or payment, for circulating any initiative or referendum petition upon the basis of the number of signatures procured thereto. Any person violating any of the provisions of this section or the next preceding section shall be deemed guilty of a misdemeanor and shall, upon conviction, be fined in any sum not to exceed one hundred dollars and the cost of prosecution. The foregoing provision shall not be held to be exclusive of, but in addition to, all laws of the state prescribing penalties for the same offenses or for other offenses relating to the same matter.

(Amended 11-3-98.)

MISCELLANEOUS PROVISIONS

Sec. 224. Continuance of present officers.

All persons holding office at the time this charter goes into effect shall continue in office and in the performance of their duties until provision shall have been otherwise made in accordance with this charter for the performance of the duties of any such office. When such provision shall have been made, the term of any such officer shall expire and the office be deemed abolished. The powers which are conferred and the duties which are imposed upon any officer, commission, board or department of the city under the laws of the state shall, if such office or department is abolished by this charter, be thereafter exercised and discharged by the officer, board or department upon whom are imposed corresponding functions, powers and duties hereunder.

hold their respective offices until their successors are chosen and qualified.

Sec. 226. Oath of office.

Every officer of the city shall, before entering upon the duties of office, take and subscribe to an oath or
affirmation as required by general law, which oath or affirmation shall be filed and kept in the office of

Sec. 227. Interest in contracts or supplies. Prohibited actions by public officials.

Unless otherwise provided by this charter or ordinance of council, general laws of the state pertaining to
prohibited actions by public officials, as established in chapter 2921 of the Ohio Revised Code, or a
successor thereto, shall apply to the officers and employees of the city. Such prohibited actions include,
but are not limited to, unlawful interest in public contracts, theft in office, soliciting or accepting
improper compensation, and bribery. No officer or employee of the city shall have any beneficial
interest, which interest accrues to the employee or officer by virtue of office or employment, in any
contract with the city, or in the sale to the city of any supplies, material, service or land, except on be
half of the city as an officer or employee. Any willful violation of this section shall constitute
malfeasance in office, and any such officer or employee shall thereby forfeit office or employment.
( Adopted 11-2-82; amended 11-3-98.)

Sec. 228. Continuance of contract.

All contracts entered into by the city, for its benefit, prior to the taking effect of this charter, shall
continue in full force and effect. All public work begun prior to the taking effect of this charter shall be
continued and perfected hereunder. Public improvements for which legislative steps have been taken
under law in force at the time this charter takes effect, may be carried to completion in accordance with
the provisions of such laws.

Sec. 229. Ratification of ordinances.

All ordinances and resolutions in force at the time of the taking effect of this charter, not inconsistent
with its provisions, shall continue in force until amended or repealed.

Sec. 230. Hours of labor.

Except in case of extraordinary emergencies, not to exceed eight hours shall constitute a day's work, and
not to exceed forty-eight hours a week's work, for workers engaged on any public work carried on or
aided by the municipality, whether done by contract or otherwise. The council shall, by ordinance, provide for the enforcement of the provisions of this section.
(Amended 11-3-98.)

Sec. 231. Annual reports.

The various officers, boards and heads of departments shall annually report to council in comprehensive and systematized detail, the financial and other transactions of the departments or divisions thereof under their supervision or control. Such reports shall cover such period of time and be made in the manner and at the time that council shall by ordinance prescribe. Such reports shall, when so made, be grouped and published in book form as the annual report of the city. The city clerk shall compile the reports as the annual report of the city and shall publish such annual report by the production of a permanent electronic record that is made available to the public pursuant to the general laws of the state governing public records.

Sec. 232. General laws to apply.

All general laws of the state applicable to municipal corporations, now or hereafter enacted, and which are not in conflict with the provisions of this charter, or with ordinances or resolutions hereafter enacted by the city council, shall be applicable to this city; provided, however, that nothing contained in this charter shall be construed as limiting the power of the city council to enact any ordinance or resolution not in conflict with the constitution of the state or with express provisions of this charter.

Sec. 233. Saving clause.

If any section or part of a section of this charter proves to be invalid or unconstitutional, the same shall not be held to invalidate or impair the validity, force or effect of any other section or part of a section of this charter unless it clearly appear that such other section or part of a section is wholly or necessarily dependent for its operation upon the section or part of a section so held unconstitutional or invalid.

Sec. 234. Amendments.

Amendments to this charter may be submitted to the electors of the city by a two thirds vote of the council, and shall be submitted by the council upon a petition signed by ten per cent of the electors of the city, setting forth any such proposed amendment. The ordinance providing for the submission of any such amendment shall be submitted to the electors at the next regular municipal election if one shall occur, not less than sixty nor more than one hundred and twenty days after its passage; otherwise it shall provide for the submission of the amendment at a special election to be called and held within the time aforesaid. Not less than thirty days prior to such election the city clerk shall mail a copy of the proposed amendment to each elector whose name appears upon the registration books of the last regular
municipal or general election, or, pursuant to laws passed by general assembly, give notice of the
proposed amendment by newspaper advertising. If such proposed amendment be approved by a
majority of the electors voting thereon, it shall become a part of the charter at the time fixed therein.
(Amended 5-4-71.)

Sec. 235. When charter takes effect.

For the purpose of nominating and electing officers and all purposes connected therewith, and for the
purpose of exercising such legislative powers as are necessary to be exercised by the present council
preliminary to the organization of departments, divisions and offices herein provided, this charter shall
take effect on the first day of January, 1915. For the purpose of establishing departments, divisions and
officers, and distributing the function thereof, and for all other purposes it shall take effect on the first
day of January, 1916.

Sec. ----. Equal Rights.

No officer, employee, or agent of the city shall deny equal access to city services, or equal opportunity in
employment and promotion, or the benefits thereof, to any person on the basis of race, sex, sexual
orientation, gender identity or expression, color, religion, ancestry, national origin, age, disability, family
or military status, or any other status that is protected by federal, state, or local law or ordinance.

Sec ----. Charter Review Commission

A charter review commission, composed of five qualified electors of the city, shall be appointed at the
second regular meeting of council in the year 2022 and of each succeeding tenth year thereafter, and at
any time council may, by vote of six of its members, call for such a commission. The charter review
commission shall consist of two members appointed by the council, two members appointed by the
mayor, and one member jointly appointed by the council and the mayor, such member serving as chair
of the commission. Members of the commission shall not hold any other office or employment in the
government of the city, and shall serve without compensation. Vacancies shall be filled in the same
manner as prescribed for the original appointment. The commission shall, in meetings open to the
public, review the charter. Within six months after appointment, the commission shall report its
findings and recommendations regarding the charter, if any, to council. Council may at its discretion
submit, in whole or in part, any of the proposed amendments to a vote of the people in the manner
provided for by this charter. Any such amendment shall be in a form as provided by council. Nothing in
this section shall limit the authority of council to submit any proposed charter amendment to a vote of
the people as otherwise provided for in this charter.
Appendix: Recommended
Charter Amendment Language

1 Sec. --- Charter technical changes.

The council is granted the authority to, through ordinance adopted by unanimous vote of the entire council, incorporate technical changes to this charter. The ordinance providing for such technical changes shall not be passed as an emergency measure and shall be subject to the referendum as provided for in this charter. Technical changes shall not affect the intent or purpose of any part of the charter and shall be strictly limited to the following: correcting misspellings and obvious errors of grammar, punctuation, or sentence construction; standardizing similar terms, phrases, or references; and re-numbering, re-ordering, or re-sequencing any sentences, paragraphs, or sections of the charter to improve clarity, ease of reference, and grouping of sections related in subject matter.

The public bodies of the city shall hold all meetings in accordance with the general laws of the state pertaining to open meetings. In addition to those entities defined as public bodies in the general laws of the state, an entity of the city shall be considered a public body for purposes of this section if its members are appointed by an officer of the city, and the entity has been established and its members appointed for the sole purpose of advising any officer or decision-making body of the city.

Sec. --- Public records.

The records of the city shall be made available to the public in accordance with general laws of the state.
